Special Needs Shelter

- I will need to go to a **special needs shelter** because I need electricity for life supporting medical equipment, or basic nursing care, or oxygen therapy, or observation/monitoring by a healthcare professional, or assistance with medication and no one to assist me, or a chronic condition that requires assistance from a healthcare professional, or special medical requirements that do not require hospitalization or another special need that cannot be accommodated in a general population shelter. My condition may warrant a caregiver to go with me to a Special Needs Shelter to care for me while I shelter there.
