

# MORNING WATCH

for the week of May 15, 2022

**Is there a right way to do Morning watch? What about a wrong way?**

**No is the answer to both questions.**

**However, there are some better ways than others.**

**Morning Watch is designed to be our personal time with God. It's a "sharing" time with Him. Yes, a personal prayer time.**

**We read in the Bible that one time Jesus' disciples asked him, "Lord, teach us to pray." Jesus' reply back to them was what we call "The Lord's Prayer" .... Indeed, the perfect prayer, but really a conversation with God, and that is what our Morning Watch time should be-- a conversation with God. That is what our Morning Watches are supposed to be--(Conversations with our Heavenly Father.) He wants to hear our concerns. That's how He can know how to help us. We'll talk more about that later on, but for now just realize that. Morning Watch is your personal time with God! How cool is that!?**
