Countdown to CAMP

By the time you folks are reading this there will just be a short time until camp! (Didn't school just let out for the summer?)

Time is a strange thing-- too fast sometimes, and waaay too short for others. Actually, it seems all we really have to deal with is ---TODAY!!!

DON'T WASTE IT!

(it will not return!)

but today we have the time to:

- **BE KIND!**
- **BE HELPFUL!**
- **BE LOVING!**
- **BE CARING!**

If we do all of those today (everyday), we will be ready for camp (and everyday thereafter.)

- *"Now is the time"*
- *"Is it Kind?"*
- *"Make today a Special Day!"*,
- *"Can I make a difference today?"*

"Yes, you can!"
