

MORNING WATCH

for the week of June 26, 2022

**A Partnership exists, my friend,
A Partnership of two.
The Senior Partner is The Lord,
The Other One is YOU!!!**

This life that we try to navigate through daily often does indeed feel like a boat in a storm as we seemingly have very little control over it! That is true if we don't rely on our Senior Partner. Indeed, our life can be overwhelming! (NOTHING, however, is overwhelming to God!) We need to turn it ALL over to Him! Though this is not easy, we need to try! The solutions that the Senior Partner sends are usually nearly unbelievable!

PRAISE THE LORD!!!LET'S CELEBRATE!

(Now it's our time!)

While still asking for His Guidance, we need to do our part by acting on His part!

***This life I am livin'
Is a gift I've been given,
Praise the Lord!
Let's Celebrate!***

Thanks be to our Senior Partner! Rely on His wisdom!

You'll be amazed at the answers that appear!

and the problems that disappear!
