

MORNING WATCH

For the week of July 25, 2021

“Put your hand in the hand of the one who stills the water”

AND

“God will take care of you”.

It seems the whole world is upside down, and yes, that means me and you, too. Nothing is quite the same--hard as we try! I, for one thing, like to feel “in control.” That’s why I cannot even enjoy “the feeling of freedom” of drinking alcohol-- Well, I’m not free if I’m not in control!

Fact of the matter tho, is we are never really “in control.” God is. It is when we relax and turn things over to Him that we can then be free!

The key to this success in all of that is in the first line of the song above.

“Put your hand in His hand”.

He will lead, but we must follow!

Through all of the changes in this “New Normal”

Remember--Take His hand.

He will lead us through!
