## Saturday Morning Watch 2022

## FINDING MY PIECE OF THE PUZZLE

Today we leave this beautiful Puzzle, hopefully with a bit more understanding of our piece in that puzzle, and now we continue our quest to find our place in the Puzzle of Life itself!

Wow Exciting!

If everyone in the world would find where their special piece fits into the puzzle, that

would be a thing of beauty!

"Let there be Peace on Earth

and Let it begin with Me"

Starting TODAY

as I fit my piece into The PUZZLE, Thereby creating:

Peace within myself, my community and the beautiful picture

called Life.

Until we meet again.
