Prior to the filing deadline for candidates running for office in the Ellis County May 4th Joint Elections (City/ISD/ESD/Appraisal District) the Executive Committee of the Republican Party of Ellis County (ECRPEC) invited candidates to apply for endorsement consideration. This was announced at the February 6th meeting and posted on the website with an online application made available. The "Victory sub-committee" vetted and interviewed all candidates that applied for endorsement consideration. Candidates were recommended by the Victory sub-committee to the ECRPEC at the April 2nd meeting. By majority vote of the ECRPEC the above listed candidates were thus endorsed.

*The endorsement of Beverly Gatlin was generated by a separate motion from the floor. She is a member of the Victory sub-committee thus there was no recommendation from the sub-committee for that race.
