NO TAX INCREASE FOR 2020

As Township Supervisors, we were once again able to spend your tax dollars wisely, and therefore there will be no need for a tax increase for the year of 2020.

PROPOSAL FOR STATE POLICE TAX

Please keep a watchful eye out for how the Pennsylvania State Police are to be funded under Governor Wolf's proposal. He is planning to bill the township approximately \$20.00 per resident to fund the state police. They have already been taking between \$700 and \$800 million a year from our gas tax collections.

NEW SEO/BCO

We have a new Sewage Enforcement Officer and Building Code Officer. His name is Rick Makohus. For all your building code and septic system questions, he can be reached by email at rickmakohus@yahoo.com or by phone at 814-392-1864. We feel that you will agree that he is very accommodating and will work with you to the best of his ability.

2020 FEDERAL CENSUS

Most households will receive their census invitation via mail by April 1. An accurate count is important as it affects representation in legislature, funding for roads/bridges, schools and education, and other federal programs. Residents do not need to be concerned about safety and privacy as the US Census Bureau is not permitted to release information that identifies any individual.

NEW BERM TRACTOR/MOWER

The Township berm mowing tractor is approximately 30 years old. Over the last several years we have had to spend a considerable amount of money for repairs. We are happy to inform you that we were able to purchase a new tractor and mower this spring.

REC COMPLEX BATHROOM GRANT

The township was able to successfully receive a grant from Crawford Heritage Community Foundation for \$954.00 for the purpose of upgrading the outside restrooms at the Recreation Complex. Thank you to our Recreation Board for applying for this grant.

TOWNSHIP AUDIT

We want to thank our elected auditors for once again completing the tedious and time-consuming audit of our township. This is a thankless job that saves our township a large amount of money. Otherwise, we would have to hire a CPA firm to do that job at a much higher cost.

THANK YOU!

**We want to thank
everyone who works
so hard to make our
township a better
place to live!**
