

April 18th, 2024

1PM | BELLE FOURCHE LIVESTOCK | BELLE FOURCHE, SD

# Welcome

We want to welcome you to the CS Angus Annual Bull Sale. 2024 brings another great set of bulls to offer you. These bulls are ready to go to work! They have been developed slowly on a high roughage diet, so they are ready to breed. Sound feet, longevity, and quality maternal genetics remain top priorities here at CS Angus. It's our intent that CS customers enjoy worry free confidence when turning our bulls out to breed, that they will get the job done! To that end, CS Angus Bulls are backed by a full one-year breeding guarantee. We once again want to share our sincere gratitude for your continued faith in our program. Working with each one of you, year after year, truly has become one of the most satisfying experiences for us in this business. In appreciation, we offer you a full 1 year breeding guarantee, free keep until you need the bulls and free delivery to surrounding states.

An additional opportunity at this year's sale will be a select group of commercial replacement heifers. These heifers are sired by generations of top AI and hand-picked herd bulls. This group reflects a culmination of the traits our program is built around. Low input performance cattle that will raise a big calf, come home bred in the fall, and successfully do so in a variety of environments best characterizes what has been bred into our herd. Multiple customers from reputable programs, repeatedly pursuing our replacement heifers, gives us confidence that you will appreciate them as well.

A lot of work and intentional effort goes into bringing forward a top set of bulls and replacement heifers. It takes a great group of committed people to make it all come together. Thank You! Once again to our team that works day in and day out to get all the big and little things done! We sincerely value each of you and appreciate the personal investment you make in the CS Angus program.

We look forward to seeing you on sale day!

# Sale Day Info

**Auctioneer:**

Jon Millar  
605-347-0553

**Buyers:**

All buyers need to be pre-registered at the Belle Fourche Livestock. Call 605-892-2655 prior to sale or register at the sale barn.

**Sale Day Phone:**

Craig . . . . . 406-552-3178  
Shelby . . . . . 406-552-3177  
Baxter Anders . . . . . 605-685-4862

**Sale Location:**

Belle Fourche Livestock  
18662 Livestock Road, Belle Fourche, SD 57717  
(Just west of Belle Fourche on Hwy. 212)

**Sale Headquarters:**

Americ Inn . . . . . 605-892-0900  
Super 8 . . . . . 605-892-3361  
Econo Lodge . . . . . 605-892-6663

**EPDS and Health Information:**

EPDs are current as of March 17th, 2023. Updated EPDS can be Viewed at [www.Angus.org](http://www.Angus.org) All bulls have been Angus GS tested with current EPDs reflecting this testing.

**Spring 2023 Vaccinations:** 7-way, Once PMH SQ, Inforce 3, Injectable Dectomax

**Fall 2023 Vaccinations:** Pyramid 5 + Presponse SQ, Vision 7 with Spur, Cydectin

**Spring 2024 Vaccinations:** Cydectin, Foot Rot shot and Multi-Min

**Livestock Publications Representatives:**

Scott Dirk, Tri-State Livestock News . . . . . 605-380-6024  
Tyson Hewitt, KBHB . . . . . 605-206-0034  
Will Bolum, Western Livestock Reporter . . . . . 507-244-0833  
Ryan Casteel, Cattle Business Weekly. . . . . 605-423-6000

**Terms and Conditions:**

All cattle sell under the standard terms and conditions as adopted by the American Angus Association.

**Catalog Design & Bull Videos:**

Branding Impressions . . . . . 605-347-0402

**Settlement and Delivery:**

All bulls are to be settled for sale day unless prior arrangements have been made. In regards to the bulls selling, CS Angus is offering to feed and maintain for an approximate May 1st delivery. Free Delivery is available in South Dakota and surrounding states. You are always welcome to take your bull home day of sale also.

**Guarantee:**

All bulls are fully guaranteed for one full breeding season and will have passed a breeding soundness exam performed by CATL Veterinary Services prior to sale day. Semen tested and scrotal measured.

**Food and Refreshments:**

CS Angus will be offering coffee and doughnuts on sale day in the Belle Fourche Livestock sale barn lobby. See you sale day.

**View Catalog and Videos online:**

[CSAngusRanch.com](http://CSAngusRanch.com)

**Calving Ease Description:**

- ★ - Cow bull
- ★★ - Big framed heifer or cow bull
- ★★★ - Heifer bull

**You can now view and bid online by visiting [CattleUSA.com](http://CattleUSA.com)**

1. Select your internet type
2. Create a user name
3. Log in
4. Select Belle Fourche Livestock and begin watching.

**Retained Interest:**

Retaining one-third revenue sharing semen interest in every bull selling in this sale. Full possession and full salvage value sell on all bulls unless otherwise noted. We reserve the right to collect semen on any and all bulls in the sale at the buyer's convenience and the seller's expense.

# Driving the science of better breeding

There's little room for error in the cattle business. Producers need the most advanced information to make smart selection decisions, and Angus Genetics Inc. (AGI) provides it through genomic-enhanced expected progeny differences (GE-EPDs).

GE-EPDs have become the industry standard for herd improvement, building on decades of science-backed genetic evaluation tools originated and maintained through the American Angus Association®, home to the largest and ever-growing single-breed beef cattle database.

EPDs that traditionally contained all pedigree, performance and progeny information now also include results from available genomic, or DNA, tests. Breeders who use genomic technology give buyers access to AGI-generated GE-EPDs that provide:

Increased predictability and decreased risk for young and unproven animals due to enhanced accuracy of EPDs

Better characterization of genetics for difficult-to-measure performance traits (such as carcass traits, maternal traits and feed efficiency)

The ability to make more rapid progress for traits that are important to you, due to:

- more accurate selection
- easier identification of genetic outliers
- the ability to propagate young animals with confidence earlier in their lives

In fact, GE-EPDs on unproven animals have the same amount of accuracy as if they have recorded an average of 15 progeny, depending on the trait. That's valuable insight, offered regularly through the breed's weekly national cattle evaluation.

TRAIT	PROGENY EQUIVALENT	TRAIT	PROGENY EQUIVALENT
Calving Ease Direct	25	Pulmonary Arterial Pressure	17
Calving Ease Maternal	19	Hair Shed Score	8
Birth Weight	23	Heifer Pregnancy	17
Weaning Weight	27	Maternal Milk	35
Yearling Weight	22	Mature Weight	14
Yearling Height	15	Mature Height	9
Dry Matter Intake	11	Carcass Weight	14
Scrotal Circumference	13	Marbling Score	10
Docility	11	Ribeye Area	16
Foot Claw Set	13	Backfat Thickness	13
Foot Angle	13		

## How do you know if EPDs are genomic-enhanced?

Ask your breeder, refer to the registration paper, or look for the AGI GE-EPD logo, Angus GS™ powered by partner Neogen or the HD50k by partner Zoetis. These images indicate animals for which genomic testing has been conducted and incorporated by AGI into GE-EPDs

Mirror Image 6891 we lost not long after we started breeding with him. We didn't get many calves out of him, but the calves we did get makes us wish we could have had more out of him. This bull was out of an incredible cow and he has sired a very complete package of power with added bone and depth.

Tahoe is a bull we chose to use for his balance of traits. He ranks in the top 1% for calving ease direct, and the top 10% for weaning and yearling weights. He will improve carcass traits, feet and udders. Few sires can match his combination of calving ease, performance, maternal traits and carcass merit all while improving type and longevity.

Gallatin's daughters are tremendous young cows. Extremely sound footed and correctly made with great attitudes and ideal udders. He's seen a lot of use the last two years and we have a lot of calves on the ground right now. His calves have ratios of 101 on both weaning and yearling. His granddam is a tremendous cow and mother of VDAR Stout 1621. Co-owned with Namminga's, Avon, SD. Semen available.

We have been extremely happy with what 2510 is doing for us. He is out of one of the top cows in the VDAR program and the females he is leaving us, is proof of that. They are perfectly made and look to be leaving us an incredible set of females.

LOT 57 | CS GREAT PLAINS 3051

# HEIFERS

## Offered for the first time in the Annual CS Sale!

Selling 40 head top end commercial heifers calves. Hand picked out of the CS Angus replacement pen and ready to be bred. These heifers offer the qualities so important here at CS Angus. These heifers are feminine, long and sound with added performance and fertility.

We are offering the buyer of these heifers the option to be bred A.I. and fed here at our place for an extra cost. Semen is available out of one of our top herd bulls, VDAR Kawliga, for a reduced cost!

THANK YOU  
FOR ATTENDING OUR SALE
