## HOW DOES IT WORK?

Sit back and relax, we've done the thinking for you!

We've taken a selection of our faves, and piled them onto one massive platter for you to enjoy.

1. Pay a flat rate and order your first platter at the counter.
2. Finished and not full? No worries! Come up, and order another platter at no extra charge.

That's it! And you can keep ordering repeat platters until you are full.

## CONDITIONS

- All you can eat is available for dine-in only; platters cannot be ordered for take-away.
- Price is per head for everyone in your party, and first platter orders must be placed at the same time. Any latecomers for your booking will need to place and pay for their own order for first platter.
- To ensure great value, items are fixed and we cannot make alterations to the package. If you see something else you want to try, our full menu is available and can be added to your order (note - extra charge applies).
