1962

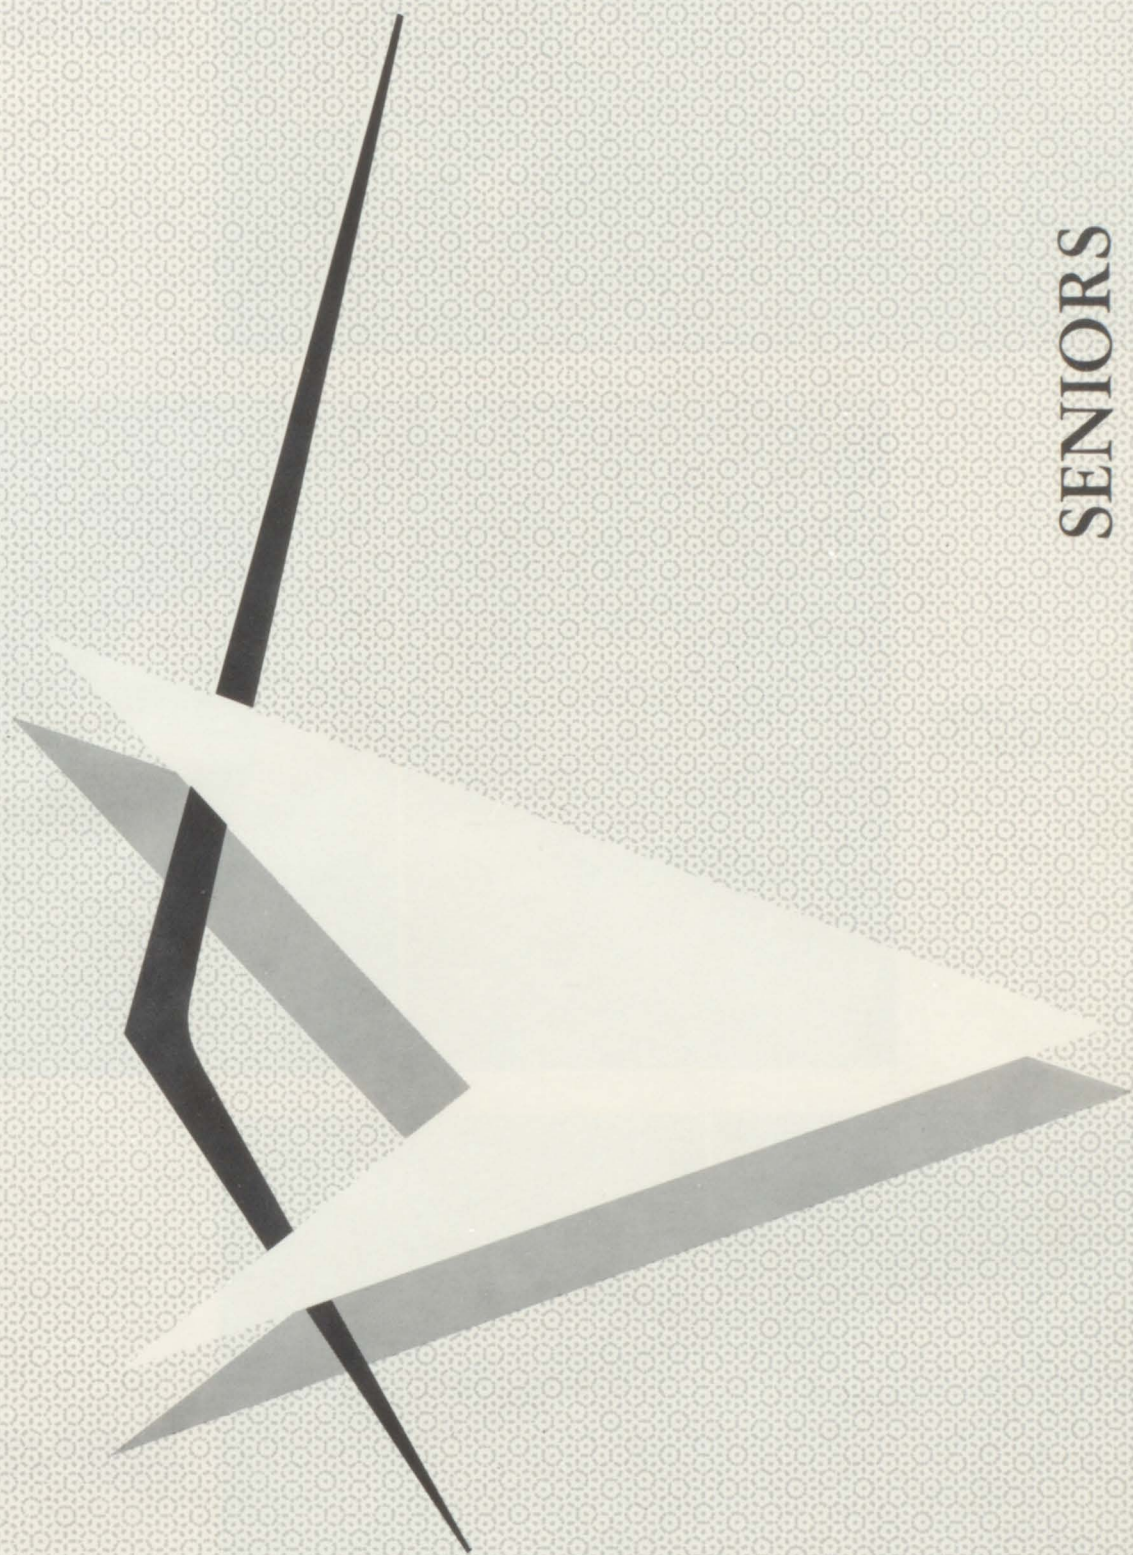

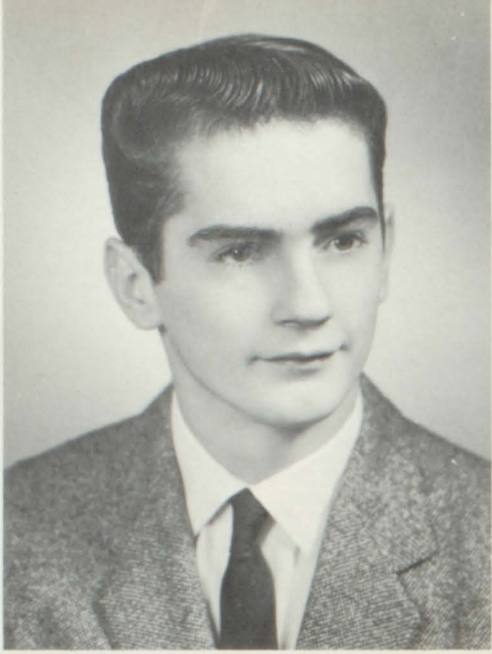

The Coggon ROCKET staff has attempted to bring you the memories of 1961-62 in this yearbook. We hope to make these memories live in the hearts of every student of Coggon.

As you remember this year, think of the people you knew and the places you went. Remember the problems you encountered and the laughs you shared, and all the important things that happened.

As the years go by we hope this annual will help you remember the events of this wonderful year; a year we will not forget for there will never be another like it.

Council Organizes Lounge

The Student Council of 1961-1962 set a pace that will be difficult for the councils of future years to follow.

The one big feat that was accomplished is the Student Lounge. This lounge consists of two rooms that were completely done over by the members of the council and other students who volunteered their services. The rooms are located in the school barracks. One of these rooms is used for dancing and it has a pop machine in it. Candy is also sold and the proceeds from the pop and candy are used to cover expenses that arise. Games that are played in the second room are chess, cards, and ping pong. The ping pong sets were bought by the high school teachers. These rooms are used by the students during their noon hour.

The council also managed a very successful "Homecoming" during the football season. Most everyone will agree that the parade was one of the finest there has ever been.

At the District Student Council meeting in Cedar Rapids, Washington High School, the council led a discussion group.

The year's officers were as follows: President-- Jim Patton, Vice-President--Ron Boss, Secretary--Karen Hungerford.

Joel Halterman Spends School Year In Germany

Hartlieb Dausend, from Germany, stayed with Joel's parents and attended Coggon High School during the 1961-62 school year, while Joel lived at the Dausend home in Germany. Hartlieb is pictured with the senior class.
