## ID VIN Plate Identification

To properly identify your vehicle and order the correct fitting parts you must use the above example to Decode your Truck or Van.

1. Vehicle Type: Example Type 1 or Type 2. If your vehicle is a Type 1 Series you will need to order Parts that are identified in this Book as Type 1 Parts. Type 2 Parts listed in this book may not fit or function properly.
2. Chassis Number: Series Production Number
3. Engine Type: Example: F5A
4. 4. Color: Body Color
5. Special Sales Code or used for Options

When ordering Parts for the Supplier; always include the above mentioned details to assure proper fitting replacement parts.
