LARGE PRINTING AREA CLIP PENS- Antimicrobial

If you need a Large area to print look no further. Our Large Square, Rectangle clip pens are great for brand awareness. Imprint: Price is including 1C on barrel or clip. Unit Pricing is based on (C). Antibacterial is Optional (\$0.05G) : Perfect for high traffic areas such as malls, doctors' offices, retail stores or any office where guests visit, the Antibacterial Pen is a great way to keep your visitors healthy while reemphasizing your brand. This retractable style custom pen features an anti-bacterial and a Large clip upon which you can prominently showcase your brand's name and logo. A commonly shared office item, pens have the propensity to unintentionally spread germs through frequent contact. The innovative Antibacterial Pen helps to prevent this spread by including an anti-bacterial additive in its grip that lasts throughout the pen's lifetime, preventing harmful exposure. Imprint: Price is including 1C on barrel or clip. Clip Sizes: Square 30 mm x 30 mm or Rectangle 20 mmx40 mm and round 27 mm dia. Recyclable Additional Color Imprint: \$0.05 (G) per color/location. ECO FRIENDLY!

Recyclable Paper Pen. Made of 50% Recyclable Paper.

Price is based on neutral color. Please check with other colors like blue, green, yellow, orange, red.

Cork Pens: Eco friendly ballpoint pen made of 80% natural cork and 20% paper, while the rest of the remaining base is made with 30% recycled wheat husk, making this an excellent choice for any natural or organic brands, earth-friendly themed promotions or events. The cork barrel is a nice feel for a pleasing soft grip. Very comfortable and smooth writing experience.

Eco Friendly Pen Highlighter: This eco-friendly pen/highlighter is made with a recycled paper barrel with wooden clip. Features chisel tip highlighter and fade resistant ink. Natural colored barrel with green, red, orange, blue, or black trim, all with yellow highlighter. Price includes 1-color imprint on 1-location.

Budget Friendly Eco Pens: Price is including 1C on barrel in black. Custom PMS is optional for 2008ECO. Additional Barrel Printing : \$0.05 (G) per color/location

Custom Topper Pencils: Price is based on existing shapes. New shapes are subject to tooling charge \$250.00g . New Shape Production Time: 3 weeks. Additional Info: Custom Kraft Sleeve MOQ: 2500 Production Time: 3-4 weeks Packing Carton Box:16.5"x12.60"X14.7"- Weight :22 lbs.1000pcs. Fob TX 75072

SINGLE HAND SANITIZER PUSH WIPES AND MAKE UP REMOVERS

These single wet wipes are ideally suited to guest room amenities, dining facilities and wellness centers. Push Wipes is the new standard for freshness, cleanliness and care. Each unit contains a biodegradable all-natural compact cloth that is kept dry in a self-contained sealed recyclable package until they are used. The towelettes are activated by pressing down in the middle of the container which in return mixes the liquid and the compressed towelette. Once activated, the Push Wipes towelette decompresses and becomes ready for use.

Whether in your handbag or suitcase, for on-the-go or at home, Push Wipes are always there where you need it.

Price is included full color offset imprint. Odorless-Unscented. If you want scents, please contact us.

Production Time: 14-20 days Packing Carton Box:16.5"x12.60"x14.7" - Weight :20 lbs.1000pcs. Fob TX 75072

PET ACCESSORIES

DOG BANDANNA : The bandana has a tunnel for a snap collar to go through it, which makes it very easy to quickly remove and replace. This bandana personalized with the name of your lovely little friend, or any other pattern, can be the perfect gift for your pet. The selected design can be replicated also on such products as leashes, collars, or harnesses, creating a consistent collection in your pet's wardrobe.

Product's features:

- Any print using the sublimation method,
- Dimensions of the scarf: 6"×6 " (other dimensions can be ordered on request),
- The bandana tunnel fits collars of the following widths: 0.8", 1", 1.2", Material: polyester

DOG COLLAR: This collar personalized with the name of your lovely little friend, or any other pattern, can be the perfect gift for your pet. The selected design can be replicated also on such products as: leashes, scarves or harnesses, creating a consistent collection in your pet's wardrobe.

There are 2 models of the collar:

1. Snap collar

Classically fastened with a metal clasp. Easy to put on and remove. Ideally complemented with a decorative bandana. It is equipped with a length adjuster to regulate the length of the collar. **2. Half-clamp collar** It is mainly used for dogs that easily take off classic collars over their heads. The adjustment makes it possible to set the clamp so that it prevents the collar from being pulled off, but also protects the dog from suffocation.

Product's features:

- Any print using the sublimation method,
- Collar dimensions: 0.78" -1" (Width) x 11"(other dimensions can be ordered on request),
- Durable material,
- Metal / heavy duty accessories, Material: polyester,

DOG WASTE BAG: This pouch personalized with the name of your lovely little friend, or any other pattern, can be the perfect gift for your pet. The selected design can be replicated also on such products as: leashes, collars, scarves or harnesses, creating a consistent collection in your pet's wardrobe.

Product features:

- Sublimation method, Approximate pouch dimensions: 6 x 9.2",
- Width of the tape at the top with metal trigger: 0.8",
- Width of the tape at the bottom: 0.4",
- Ending with a metal trigger, thanks to which it'll be easy to attach the pouch to a lanyard or belt loops in trousers, Convenient opening for inserting and removing disposable bags,
- Material: polyester,

Eco rPET Lanyards

Eco rPET Lanyard:

To support 'zero waste', we offer environmentally friendly products. One of them is the lanyard made of rPET, which comes from recycled plastic bottles. Deciding to rPET, we give plastic the second life and thereby reduce the amount of waste.

We can print any logo, graphic or writing with the use of sublimation method on request. The rPET lanyard has an eye-catching shine, thanks to which, together with a printed logo, it is a very attractive advertising gadget.

We can also make lanyards of other eco-friendly materials such as bamboo, corn or paper.

rPET lanyard is available in different variants:

- rPET lanyard with snap hook,
- rPET lanyard with GSM hook,
- rPET lanyard with two snap hooks,
- rPET lanyard with buckle and snap hook,
- rPET lanyard with safety buckle,
- rPET lanyard with buckle and safety buckle.

Standard band widths: 0.4", 0.6", 0.8", 1".

Yoga Mat Straps and Yoga Straps

Yoga Mat Strap : The mat carrying strap is equipped with two adjusters that allow you to precisely adjust its length to the size of the mat. Thanks to this, it will allow you to conveniently carry both thin and thicker mats around. Since the yoga mat strap's length adjusters can be made of metal or plastic, you can easily adjust their properties to your preferences.

Basic features of the product:

- Product made of polyester,
- Sports strap with any full-color print (sublimation print),
- Original advertising medium,
- Width 0.60"
- Length 54.6" (possibility of individual length adjustment),
- Metal or plastic adjusters,

An important advantage of the yoga mat strap is that you can put any print on it. Company logo, advertising slogan, club colors, or motivational quotes. Send us any content or graphic design, and after a few days, a personalized business accessory will be delivered to your address.

As a result, the strap for carrying the mat is perfect for sports events or at the gym at your workplace. It is also an original idea for a gift for your employees. Do not wait and combine active recreation with the promotion of your company.

Sublimation Accessories

Logo Suspenders: The suspenders are the perfect stylish addition to your wardrobe! It is a product suitable for everyone. It is enough to choose the right pattern for the suspenders to become the perfect accessory, emphasizing your personality. The custom suspenders are a very practical product of everyday use. They are a great alternative and are a trendy fashion accessory.

You can put your own pattern on the suspenders or choose from a variety of our designs.

Product features: Any print using the sublimation method, Elastic band (rubber),

- Ending with metal triggers with serrations (frogs), Length regulators,
- Available tape widths: 1"

Tubular Laces: Tubular laces with a print are a practical clothing gadget for women, men and children. **This flexible product will work well with trainers, sweatshirts and sweatpants (as cords) and other articles of clothing.** The suitable contoured shape, double walls and thick weave of tubular shoelaces prevents them from untying themselves.

Made of polyester, the product is highly durable and resistant to abrasion. If the material gets slightly dirty, simply wash them in the washing machine.

Product features: Two-sided print using the sublimation printing method,

- Material: polyester, Dimensions: width 0.4", length 50.7",
- The shoelaces are finished with a transparent plastic cap/aglet,

Smooth Shoelaces: The smooth shoelaces are made of polyester, making them extremely durable and abrasion-resistant. If the material gets dirty, simply wash them in the washing machine.

The appearance of the shoelaces can be completely customized. We can print text, graphics or logos on them according to your own design. Their purpose is universal – they are suitable for trainers, sweatshirts and other items of clothing. We use the sublimation method for printing.

Product features: Two-sided print using the sublimation printing method,

- Material: polyester, Dimensions: width 0.4", length 50.7",
- The shoelaces are finished with a transparent plastic cap/aglet

The drawings of the children who attended to the project carried out throughout the country were neatly printed on the pillows.

Microfiber Cloths and Bicycle Saddle Covers

Microfiber Cloths: For printing on our eyewear cleaning clothes we use the **sublimation** method. Such prints are durable and odorless, and above all – ecological. The inks are water-based, so they are safe in contact with the skin, ideal for children. Thanks to this method, one can apply prints on such things as mugs, metal sheets and fabrics.

Our wipes are made of **6.48 oz/yd² microfiber**. It's made in 70% from polyester and 30% from polyamide. No glues or other chemicals were used in the production, which ensures material safety against allergic reactions and skin irritations. The wipes are also OEKO TEX 100, class 1 certified.

Cloth sizes available: 4"x6" , 6"x7" , 6.5"x7"

Price is including sublimation imprint on one side. Both side is additional \$0.25G

General Terms

Terms & Conditions

This section sets forth the Terms and Conditions of sale for Asco Global LLC-3D Promoplastic Inc. We reserve the right to update or modify these Terms and Conditions at any time and without prior notice, please scan the QR code at the top of this page for the most updated Terms and Conditions and pricing. By placing an order with 3D Promoplastic Inc, the purchasing party (Purchaser) agrees to follow and be bound by the following Terms and Conditions.

General Terms

Every effort has been made to ensure the accuracy of prices, item numbers, availability and dimensions; however, 3D Promoplastic Inc is not responsible for typographical errors. 3D Promoplastic Inc reserves the right to correct any errors or omissions. The total order amount, including tax and delivery charges will be charged to Purchaser's credit card in full at the time the order is placed.

Artworks

All artwork submissions should be in Adobe Illustrator, PDF, EPS, TIF, or CorelDraw format at 300 dpi or higher.

Order Acknowledgment

All orders are acknowledged via email. All changes must be confirmed in writing. All new or repeat orders will receive a final proof within a reasonable amount of time from 3D Promoplastic Inc by email. Purchaser accepts full responsibility to follow up with a final proof approval after Purchaser receives the final proof. 3D Promoplastic Inc will not be responsible for any delayed shipment since final proof approval was not received from the Purchaser.

Samples/Proofs

E-Proof: Signature is required to begin production. All virtual proof must be reviewed carefully. 3D Promoplastic Inc is not liable for any incorrect artwork or layout after proof approval.

Spec/Pre-Production Samples: Highly recommended for large quantity orders or PMS color matching orders. **\$40.00 (g)** charge per color/position on laser or silkscreen plus product cost and shipping. (exact matches are not guaranteed).

Random/Blank Samples: With sufficient inventory, 3D Promoplastic Inc will ship within 48 hours and charge Purchaser shipping cost. Up to 5 pen samples under value \$1.00 can be requested at no charge if a shipper account is provided. All sample requests must be emailed to ensure accuracy. Purchaser accepts the duty to follow up on the sample request if no confirmation is received within 24 hours or if further information is necessary to fulfill the request.

Repeat Orders: **\$25.00 (g)** per color/position. Purchaser agrees to reference previous purchase order when placing orders.

Personalization: Please submit a typewritten list (Text or Microsoft Excel format) to ensure accurate spelling. Setup is **\$40.00 (g)**. File must be saved in the format (upper/lower cases etc.) to be lasered.

Stock engraving style available: Arial, Times New Roman, Times New Roman Italic, Script

Emailed Paper Proofs: 3D Promoplastic Inc will furnish PDF or JPEG (black & white) virtual proofs at no charge.

Virtual/Digital-Samples: A Virtual Sample is a computer-generated sample in PDF or JPEG format via e-mail. A virtual sample's color and size may vary with the actual product and is not meant to be exactly like the actual product. An EPS artwork must be submitted.

PMS Match: Add **\$100.00 (g)** for custom made barrel special PMS color matches. Please note that a true PMS color match may sometimes not be possible due to the imprint method, surface of the item, and the color of the item itself. A spec/pre-production sample is highly recommended to ensure customer satisfaction (see above for spec/pre-production sample pricing).

Shipping

Transit time is not included in production time.

Shipping Methods: Orders will ship via FedEx or UPS ground unless otherwise specified. 3D Promoplastic Inc can also use purchaser's own shipping account if provided.

Drop/Split Shipment Charge: Please contact us for a quote

Price & Terms
