

Charity and humility are two words that best describe the life of Father Pat Travers. While helping the less fortunate defined his legacy, boasting was not part of his nature. In his lifetime, **110 houses, 10 churches, 41 classrooms, and one community center** were built under his direction. The lives impacted by such tremendous dedication would make anyone who has ever helped in the Summer Building Project proud, yet Father Travers never rested on his laurels or bragged of his accomplishments. Instead, he prepared for next year's projects and looked for new families to help.

Father had the foresight to create a board of directors for his Tijuana Mission Outreach Foundation, and we are happy to inform you that this board is fully committed to continue the work that Father has so tirelessly done over these past 26 years. While we are saddened by his passing, we look to carry on his legacy of charity.

We thank you for all you have done in the past to help the Tijuana Mission Outreach Foundation and we look forward to your continued support in the future.

Your generosity remains in our prayers,

Don Nolan
President
Tijuana Mission Outreach Foundation

Dear Members of Father Pat's gang!

You will never know in this world how much your help meant to the poor people who lived under tarps in the freezing cold of winter and the scorching heat of summer. To have some place to call home was such a Blessing and the food and clothing too meant the difference between life or Death!!

I buried 123 babies my first year as a priest in Tijuana, they died of cold for lack of Blankets! God only knows how many lives you All saved!

In His Holy name & Thank you! May you keep alive the work of Father Pat. He has sown the seed, don't let it die because so many depend on you and your help.

With Great Love and Heartfelt Thanks,

-Padre Daniel

May Father Pat enjoy a well deserved Rest in the arms of Jesus praying for the Poor! Please convey to all the fathers and sons who came down year after year to help the poor that they are not forgotten. I will remember all the fathers and sons and your group in my masses on Fathers Day.

The Tijuana Mission Outreach Foundation is looking for individuals who feel the need to respond to the poverty of our neighbors. Whether you would like to participate in a single day food run, clothes run, the Epiphany Trip, or the weeklong Summer Building Trip, we need you! Please visit our website at www.tijuanamission.org and click the “join us” tab to learn more about these volunteer opportunities. This is a great way to earn community service hours. We hope to see you at the next mission trip!

We understand that work, family, or limited physical capabilities may prevent some from traveling down to Tijuana. Volunteers are not the only necessity in helping the impoverished of Mexico. It takes a lot of funding to supply the poor with the basic necessities of food, clothing and shelter. If you feel inclined to help financially, we ask that you send a donation in the envelope provided to you or visit our website at www.tijuanamission.org and click the “online store” tab where you can choose the denomination you would like to donate. Thank you and we hope that you are able to make a difference for someone’s life today!

Testimonials of Father Patrick's Life and Work

Father Patricio left his soul, life, and heart in this mission, he not only provided material things, but with his life testimony, he transformed the lives of grandparents, parents, young people, children, and various ministers of the Catholic Church profoundly. Thanks to all the benefactors who have collaborated in building bridges to grow as children of God and good citizens, such as houses of prayers: Chapels, Parishes, catechism rooms, and many homes for families. Aware of Father Patricio's dream that this foundation continues, since there are many families in need, we trust that God and the generosity of benefactors will continue to support this mission.

We the Sisters had a great privilege to know Father Patrice, and only God knows the effort that he was doing to come to the convent to bring the money for the projects of 3 houses and 4 class rooms right before his passing. We have great gratitude, and God will reward him for the work that he did for so many years. We know that Father Patrice's project is not going stop and that the legacy and the wonderful team he created is going to continue so that more families will have the opportunity to have a safe place to live. We are here to support you and help as must as we can. May our good Lord bless Father Patrice, and may he intercede for us as he is now in God's hands.

We want to extend the thanks on behalf of the Chicuellar Garcia family to the group that helped us build our house, and we want to thank you with all our hearts for giving us this great help and opportunity to have built our house for us. We are very grateful Because we really needed our little house. May God continue to care for them and give them opportunities so that they can continue to help more people like us and continue to give them good health and prosperity to the entire group that is dedicated to this type of activity. Thank you very much for this opportunity that you have given us.

We thank with all our heart Father Patrick's passage through this world, doing good to everyone, without distinction. Gratify to the Lord before men, thanks to his generosity and tireless work, many families of this mission in Tijuana benefited from the construction of houses and even more with the construction of chapels and catechism rooms, giving us a welcoming and pleasant place to worship God and continue with the evangelization of children, adults, and families.

I also appreciate the activities to carry out, to raise funds, God raises generous hearts to trust and donate to the neediest. Father Patrick, you had left a great void in this mission, in this place, in each one of our hearts, a void that is filled with memories, good works, advice, words of encouragement, a void that is filled with the Love of God, deposited in each beneficiary family, in each Chapel built, where the loving hand of Father Patrick is breathed, who had humility, simplicity, and the generosity of God tattooed on his heart. Father Patricio embodied Love of God. Thanks to all of you for the trust placed in Father Patrick, Mr. Jerry and in this great work team. God bless you.

To whom it may concern, the reason for this letter is to offer my deepest condolences on the passing of Father Patricio, a great person who supports the needy families of the community, providing the opportunity to have a comfortable and safe home for families; a home where warmth is felt. We are grateful for the support he has given us, for granting us a home in which to rest and return each day. We thank Father Partick and the sponsors for this great gift and we wish him to rest in the holy glory of the Father. He was a great man with a big heart. As we help to improve housing for families, we will continue so that like my family, many more families may be entitled to such noble support. Father Patrick never hesitated to support families in need, showing mercy to his fellow human beings. God bless you and allow you to sit at His table. Our most sincere condolences.
