

2023 April Palm City Farms Trail Association Newsletter

Time to brag about members!! Teresa & Dave Harris and Karen Monaco & friend really knocked it out of the ballpark this month! They fixed a long-time problem, canal crossing behind Naked lady ranch. They layered 42 bags of concrete, cut the bank back, removed roots and covered the bags with dirt to make the footing now crossable on horseback & bike. Before & after pics below...

Other News: In May we have enough Equestrian volunteers to visit 3 nursing homes for Kentucky Derby Day!! WOO HOO Thank you!!

New Field is open for Trail riding!! Board Members have been taking groups to get the lay of the land. PCFTA has been asked to help develop trails on this land between Busch & Citrus. Official opening date to be announced.

Thank you to those who paid your yearly membership dues!! If you have not paid yet, please help us to keep the trails clear and safe for all who choose to use them!
