

2023 June - Palm City Farms Trail Association Newsletter

Website Update

A vote was taken by the board, 5 yays and we have now decided to go ahead and update the website. While the website was down it brought to light that some necessary updating was a must. We will be moving the website from Blue Host to Go Daddy, as Ana Hood of ABC Web Creations recommended. The process of gathering maps, pics and other information to be uploaded has begun. Looking forward to a new launch date soon.

The PCFTA Board President & Treasurer met with a new potential Land developer in Palm City Farms on June 7th. Our 2nd meeting went well as we discussed potential access to land that may be donated to the county and designated as use for public trails. - stay tuned this is a long process!!

A Big Thank you and Welcome to 10 new members who joined PCFTA!!
