

2023 May - Palm City Farms Trail Association Newsletter

2023 Kentucky Derby Day was a smashing success. Our members visited 3 senior Centers this year. See our F/B Page for more pics of Smiles, and videos. One center even let the minis inside to see the residents! What an amazing experience for the elderly in our community. They even make hats and decorate for the BIG DAY!

Annual Membership drive is underway. If you know anyone who is interested in supporting our cause, please forward this to them ASAP. The more members we have the better chance of keeping the trails open and cleared for all.

We are looking for someone to possibly help install Mounting blocks at Newfield. Maybe old telephone poles could be donated?? The association is willing to Pay for materials & labor if needed. Please message me if you have any ideas or can help in any way.

561-371-5803 - Karen Rayside

The PCFTA Board is still in Negotiations with another local landowner, for more trail access. There is another meeting scheduled in early June for discussions.

Please remember to be respectful when we are using the trails. Never leave trash behind, leave all gates the way you find it, make sure if you unlock a gate to lock it again and never trespass on private property. Report any trail blockages to PCFTA and to the county Commission office.

772-260-7210 - Larry Massing

We appreciate all the members who have paid their annual dues! This helps clear and improve your trails. It also pays for the upkeep of our PCFTA website. Anyone who pays their dues will be given access to Newfield trails as requested.

There are 5 ways to pay membership dues – cash, check, PayPal, Venmo & Zelle

One Year SINGLE \$25.00 FAMILY \$50.00 SPONSOR \$100.00

Mail to: Palm City Farms Trail Association, Inc.

6474 SW Busch Street
