Overview:

Lauryn recently graduated from Ferris State University with a bachelor's in Human Resources. She started off majoring in Business Administration but after taking one Human Resource class she realized HR was what she was meant to do. She enjoys helping people solve the problems they are facing as well as making sure that they have a great work environment.

Lauryn recruits for exempt and non-exempt positions. Lauryn is known for providing a high-quality customer service experience to potential applicants and our HR Smarts customers. She supports the candidates throughout the screening process and manages the communication from initial application to face-to-face interviews. She independently prioritizes and manages her day to meet deadlines and maintains a high level of accuracy. Lauryn's first placement was an Accounts Receivable Leader in the Finance division for a Midwest company.

Outside of HR Smarts Lauryn continues to work at Ferris State University in Retail and Dining Services.

Lauryn was born and raised in Canadian Lakes, Michigan. She loves being surrounded by water and her family. Her favorite thing to do when she is not working is showing horses. While she was at Ferris State, she was Vice President and Stock Captain for the Ferris Equestrian team. While being on the team she made it to regionals. At Ferris she was also Secretary for her HR RSO, SHRM. She attended many conferences as well as hosted events. Through her four years at Ferris she worked as a barista and office assistant at Starbucks. Along with HR being her passion, coffee is a close second!

Lauryn is the newest member of the HR Smarts team and is often brought into brainstorming sessions to collaborate to achieve team goals. She is excited to be a part of HR Smarts and looks forward to seeing where life takes her as a recent college graduate and HR Smart's team member.
