**Choosing a place of study is one of the most important decisions a person will make in his or her lifetime.**

We believe that the Faculty of Medicine Foča degree and experience will prove to be one of your key investments, as it will open the door to new opportunities and prepare you for a world beyond the classroom.

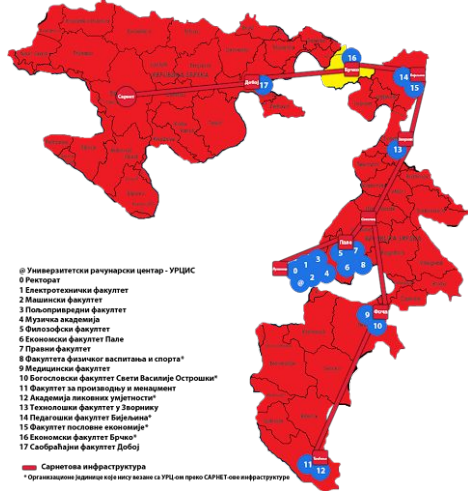

**Why study at  
University of East Sarajevo-Faculty of Medicine  
in Foča**

**The Faculty of Medicine was founded in 1993. For 27 years, the Faculty of Medicine in Foča has grown into a respectable teaching institution and its diploma is highly recognized and accepted. In 2008, higher education has been reformed in line with the Bologna process.**

**The doctors who have acquired knowledge and skills here, have improved health care in BiH as well as in surrounding countries, Europe, and in the world, which is the greatest acknowledgment and pride of the Faculty.**

**GEOGRAPHICAL LOCATION – the place of impressive nature** The Faculty is located in Foča, famous tourist, university and health care center in the South East of Bosnia and Herzegovina, in the entity of the Republic of Srpska. This town with twenty thousands of inhabitants lies on two rivers – the Drina and the Čehotina. It is located 80 kilometers away from Sarajevo, the capital of BIH, 170 km away from Dubrovnik, Adriatic Coast, 340 km away from Belgrade, the capital of the Republic of Serbia, which is the most significant center of this part of Europe. Foča is in the centre of **the National park Sutjeska**, where you can find attractive mountain peaks, rich forests, rivers, beautiful lakes, the river Tara canyon, which is the longest canyon in Europe and, at the same time, it is the second longest canyon in the world after great canyon Kolorado in America. There is also the biggest primeval forest in Europe named Perućica. Many tourists from all over the world come to visit these attractions every year.
