I understand that Reiki is a simple, gentle, hands-on energy technique that is used for stress reduction and relaxation. I understand that Reiki practitioners do not diagnose conditions nor do they prescribe or perform medical treatment, prescribe substances, nor interfere with the treatment of a licensed medical professional. I understand that Reiki and sound therapy does not take place of medical care. It is recommended that I see licensed physician or licensed healthcare professional for any physical or psychological ailment I may have. I understand that Reiki can complement any medical or psychological care I may be receiving. I also understand that the body has the ability to heal itself and to do so, complete relaxation is often beneficial. I acknowledge that long term imbalances in the body sometimes require multiple sessions in order to facilitate the level of relaxation needed by the body to heal itself.

## I agree to:

- Raise any questions or concerns about anything I do not understand.
- Consider any suggestions that the practitioner may raise concerning referrals to other health care practitioners, homework, or my desired focus/introspection.
- Take full responsibility for my own health care.
- Give consent to Stacey Fredriksen to conduct a session to balance my energy system. I
  acknowledge that this could involve touch and I can request otherwise.

## WHAT TO EXPECT

We may work on your body or above your body, so please let us know if there are any areas that you do not want work done. If you do not wish to be touched please let us know. Our work is intuitive so we feel the energy and work where the energy is stagnant, deficient, stuck or unbalanced. You may feel many different results such as heat or cold, shivers, nausea, headache, relaxation, release, relief, ect. You may also feel nothing at all. Any reactions can happen immediately or even months later. No reaction is positive or negative, it purely is. It may mean something to you right away or it could be a mystery for a while. Both are normal. We find that energy medicine has a cumulative effect, so when you treat yourself to regular sessions, better health and well-being are natural outcomes. At the end, we will check in about anything that came up for you during the session.

I have read the above statements and I understand and agree with them. My purpose to seeking the advice of Stacey Fredriksen is done so for educational purposes only.

I understand that Stacey Fredriksen does not diagnose illness, disease, or mental disorder. Nor does she prescribe medical treatment or pharmaceuticals. It has been made clear that my session is not a substitute for medical examination or diagnosis and that it is recommended that I see a medical doctor for any physical or mental ailment.

I agree that Stacey Fredriksen cannot be held liable for any problems that might arise that I think could be attributed to the energy healing season. I have stated all of my known medical conditions to Stacey Fredriksen and if necessary I will keep her updated on my physical, mental, and emotional health. I acknowledge that Stacey Fredriksen practices for the purpose of providing mental/emotional/physical and spiritual support using multiple techniques. I attest that I understand the nature of the session and freely elect to receive the techniques. I release Stacey Fredriksen from any and all claims of malpractice, non-disclosure, or lack of informed consent.
