

The Imperial Sovereign Court of the State of Montana (ISCSM) is proud to celebrate more than 25 years of service to Montana communities. We could not do the work we do in the communities around Montana without the support of local businesses and organizations. Please consider partnering with us or making a donation to our cause.

Our Vision:

We envision a Montana and a greater community in which gender, gender expression, and sexual orientation are not only affirmed but celebrated for their individuality, diversity, and contributions.

The ISCSM is a registered 501(c)3 non-profit organization in the state of Montana.
