Seven sets of seven

Da 9:26 After this period of sixty-two sets of seven, the Anointed One will be killed, appearing to have accomplished nothing, and a ruler will arise whose armies will destroy the city and the Temple. The end will come with a flood, and war and its miseries are decreed from that time to the very end.

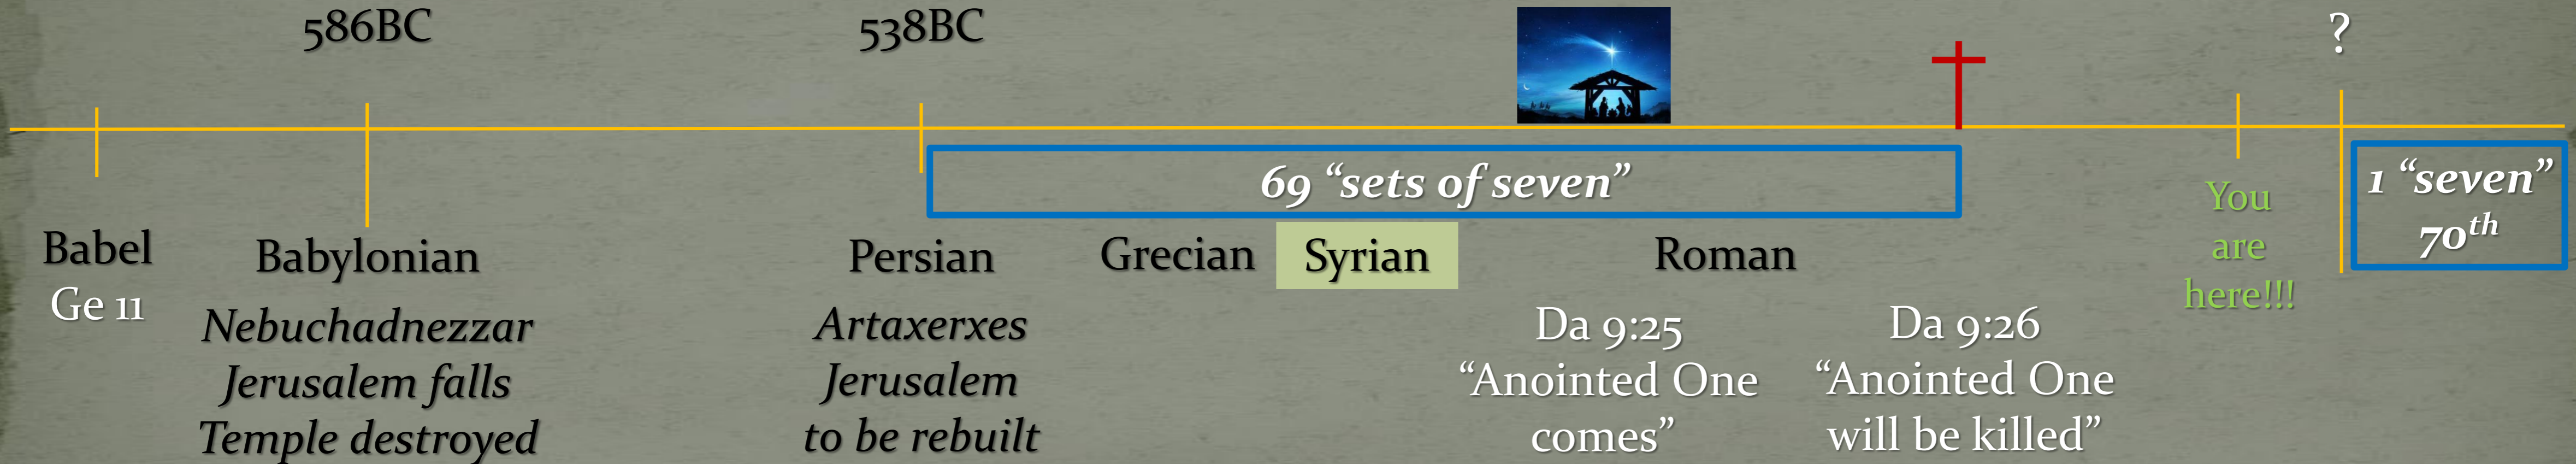

Da 9:26 Y después de las sesenta y dos semanas se quitará la vida al Mesías, y no por sí: y el pueblo de un príncipe que ha de venir, destruirá á la ciudad y el santuario; con inundación será el fin de ella, y hasta el fin de la guerra será talada con asolamientos.

killed – ka raht = to cut off, to covenant (Abraham Ge 15, Is 53:8)

H3772 (i.e., make an alliance or bargain, originally by cutting flesh and passing between the pieces)

H8074 miseries – sah mem' = to devastate, to desolate, to destroy, to make waste

Da 9:24 “...seventy sets of seven are decreed”

Lk 21:24 “times of the Gentiles”
