COMMON QUESTIONS

I. HOW CAN WE BOOK YOU FOR OUR WEDDING?

I want to offer my bridal couples the highest quality service possible. For this reason, I only attend a limited number of weddings per year. Therefore, contacting me in the beginning stages of planning your big day is optimal. *After a personal consultation and wedding package selection, we can specifically address your wishes, needs, and ideas.*

As soon as I have received your signed contract and the 30% deposit for your wedding coverage, your desired date will be firmly reserved for you.

II. WHAT ARE YOUR TRAVEL COSTS?

My travel expenses vary depending upon different locations. The cost for traveling to and from the destination as well as possible accommodation and meals is very individual. *If you are traveling for your marriage, you can always discuss your ideas and requirements with me. I will be happy to create a customized package specially tailored to fit your needs.*

COMMON QUESTIONS

III. DO WE NEED A SECOND SHOOTER?

I recommend that you also opt for a second shooter if 100+ guests are attending your wedding day. This is the best way if you don't want to miss out on any candid moments or special details. While I can capture all the special moments that center around the bride and groom alone if you want a fully captured session a second shooter would be ideal.

When so many guests are accompanying you at a wedding party, it becomes easy to capture all the beautiful moments with the help of a professional second photographer. For example, when we are off capturing stunning bridal portraits, the second shooter can take candid pictures of your guests!

IV. WHAT WILL HAPPEN IF IT STARTS RAINING AT OUR WEDDING?

This is the most asked question and I completely understand the concern of couples. The only thing that is out of their hands during the planning process is the weather. But is this something to be worried about? Absolutely not! Together with you and your wedding planner, we always look out for aesthetic backup locations in case it starts raining on the big day.

From my experience, I know that on the day of the wedding, almost everything can be adapted to a new situation. Having a backup plan helps a lot too. *In essence, a few grey clouds after a rain shower can conjure up a very romantic and magical mood. In addition, having a post-wedding photo session also offers us a great opportunity to capture pictures according to your dream wedding aesthetics.*

COMMON QUESTIONS

V. HOW MANY PICTURES CAN WE EXPECT AND WILL YOU EDIT THEM?

As a wedding photographer, I want to capture pictures that embody the true essence of your big day. I want them to evoke emotions and be as real, authentic, unique, and unforgettable as your wedding. This is the main reason why I put all of my energy, hard work, and sensitivity to create a custom experience for my lovely couples.

Starting from discussing your requirements and plans for the main day to the photography process including post-processing and special retouching – I make sure to provide you with my undivided attention.

The general rule of thumb is to expect a turnaround time of almost 6 to 8 weeks. This may vary depending upon the size and season of your wedding festivities. On average, 50 to 60 pictures are clicked per hour on the wedding day. This may vary depending on whether I am accompanying you alone or with a second shooter.

After taking the pictures, I make a qualitative selection of your images, finalizing them for special touch-ups. Blurred and shaky shots are excluded. *The final touchup includes adjustment of lighting and contrast and alignment of your pictures with special attention to natural retouching.* You will receive your images in high resolution in digital jpg format.

BOOKING PROCESS

NEXT STEPS

I. Take your time to decide which packages and services suit you perfectly for your wedding day. Don't worry about the add-ons. *Extra hour coverage can be added up until the day of your wedding.*

II. It's time to schedule a meeting. Share your aesthetical expectations, ideas, dreams, and wishes with me, and let me know if you have any questions.

I will send you a contract. Sign the contract and pay a deposit of 30% to reserve your wedding date. the final invoice should be pain in full 8 weeks before your event date.

III. 30 days before your big day, we will schedule a 1 Hour call to discuss all the amazing plans and photography expectations for the wedding day. *During this 1h call, I will walk you through the process and discuss your timeline with you so your big day can flow seamlessly.*

THANK YOU

I want your wedding pictures to be as unique, enchanting, and authentic as you are. I wish to create picture-perfect content for you to cherish for years to come.
