FOEX NYC

The Future of Employee Experience

Date: June 5th 2024

Dress Code: at your comfort level

Location: Ascent Lounge
10 Columbus Circle, 4th Floor
New York, NY 10019

Since 2017, as a community of leadership and learning experts, we unpack + rebuild findings developed from 200 C-Level interviews focused on building the future of employee experience, unleashing our personal power, and influencing a brighter future.

Each session is carefully designed and curated to gather in groups of 85 senior people-practitioners with mid-large scale organizations in New York. We are a special network that achieves extraordinary learning, discussion, and support together.

All facilitated by your peers in "HR" and other experts in people-science and culture, to drive extraordinary outcomes that compound personal and professional impact.

Achieve well, together!

Leaders Lounge adeptly addresses and workshops the entire spectrum of HR practices related to the employee experience, offering a platform to exchange thoughts on navigating the evolving landscape of HR roles. Beyond its educational value, Leaders Lounge stands out for its exceptional networking opportunities, connecting professionals across various domains, including AI, transformation, data analytics, and leadership in the people space. I wholeheartedly recommend this enriching experience to anyone working in the field."

- Annette Mychael, Global People and Process Change
Leader at GroupM
