

Full-Contact Chemistry- Physics Blast Camp

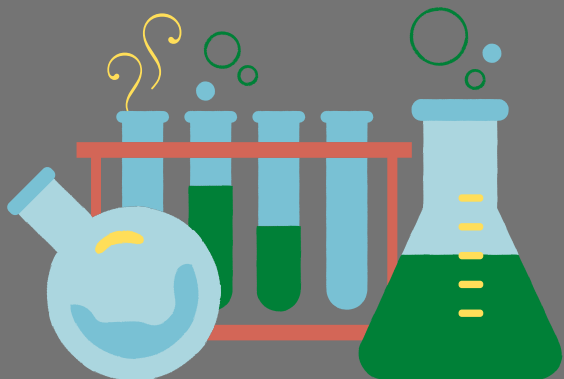

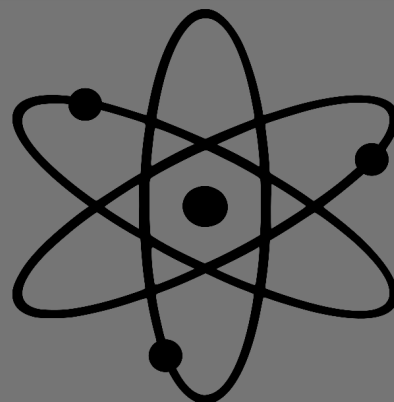

With Southeastern STILE* /Louisiana GEAR UP
*Science & Technology Interactive Learning Experiences

June 21 - 24, 2021

Monday - Thursday from 10:00 am - 3:00 pm

This camp will focus on exploring the fundamental nature of the universe. Louisiana GEAR UP students in **10th and 11th grades** are eligible to join!

Students will perform experiments that will demonstrate the quantum nature of atoms, determine the charge of an electron, "see" atoms via electron diffraction, and show how gravity is a fundamental force.

Additionally, there will be other hands-on activities and demonstrations that will highlight different aspects of chemistry and physics--many of which you do at home, afterwards!

Location:
On-site at Southeastern Louisiana
University Campus
Pursley Hall
210 Azalea Circle
Hammond, LA 70401
