

Dear Registered Camper & Parents,

We are excited about the upcoming summer programs. We are also excited that you are going to be with us for "Teen Survival One". It is going to be an amazing 6 days. This letter is to confirm your registration and to inform you of a few important details.

Please pay careful attention to the "What to Bring" form enclosed with this letter. Our staff has carefully considered and recommended the items listed. This week of camp is non-traditional week and requires unique equipment and gear. Please do your best to bring each of the items listed. If you have any specific questions, please contact us. As a reminder, you will be doing a lot of hiking during your 6 days of adventure. We recommend that your shoes be broken in to avoid blistering.

On the first day of camp, all campers will check in at our new Welcome Center parking lot. This is a remote parking area, one mile from our main campus. Directions are detailed on the "Location" section of our website. Please take the time to carefully read the GPS disclaimer and warning. Check-in is on Monday, June 24th, at 2:00 pm. Checkout will be at the same location on Saturday, June 29th, at 11:00 am. If you have reserved a "Rental" backpack, you must arrive at check-in 20 minutes early to pack your rental bag. After transferring your items to a rental bag, all empty suitcases, duffle bags, or bins must be returned back home with parents (exceptions are made for those arriving by Airline or Greyhound Bus). Please Note: It is highly recommended that campers or parents mark every item with the camper's name or initials to help prevent items from being lost or stolen.

After check-in, campers will be assigned to a team, and be introduced to their guides. Campers will then backpack one mile to base-camp to begin their adventure.

We are praying that God will prepare your heart as well as the hearts of the other campers and staff. I am trusting that God will do a great work during this week. I look forward to seeing you there!

Saved to Serve,

Jason J. Perlak
Camp Director
