

GEAR OIL SAE 140

(Automotive Transmission Oils - API GL-4)

DESCRIPTION

PATROL GEAR OILS are a range of extreme-pressure lubricants for the lubrication of loaded gears for which an API GL-4 level of performance is required.

It is suitable for all manual transmissions, transaxles, transfer boxes and steering gears in automotive and agricultural equipment where such an oil is recommended.

APPLICATIONS

PATROL GEAR OILS are designed for use in a wide range of gear units with normal bevel or helical gear design including synchronized manual gearboxes, transmissions and axles under moderately severe load and pressure conditions.

It is applicable equally for passenger cars, light and heavy trucks, agricultural and building machinery even for topping up well run-in hypoid transmission units.

PRODUCT BENEFITS

- Anti-shudder additive technology
- Superior thermal stability
- Longer drain intervals
- Compatible with all seal and metal types
- Stable sulfur-phosphorous additivation
- High safety margin against foaming and corrosion
- Superior protection against scoring & spalling wear
- Maintains cleanliness & reduces abrasive wear
- Very good wear protection, even under severe load conditions.
- High Extreme-Pressure and anti-wear performance

RECOMMENDATIONS / SPECIFICATIONS

(MEETS OR EXCEEDS)

API GL-4

TYPICAL TECHNICAL PROPERTIES

Density at 15°C, g/ml, ASTM D4052	0.902
Kinematic Viscosity at 40°C, mm ² /s, ASTM D445	352
Kinematic Viscosity at 100°C, mm ² /s, ASTM D445	25
Viscosity Index, ASTM D2270	93
Flash Point(COC), °C, ASTM D92	238
Pour Point, °C, ASTM D97	-6

Note: These characteristics are typical of current production. While future production will conform to PATROL's specification, variations in these characteristics may occur.

Health and Safety: Based on available information, this product is not expected to produce adverse effects on health when used for the intended application and the recommendations provided in the Material Safety Data Sheet (MSDS) are followed. MSDS's are available upon request. This product should not be used for purposes other than its intended use. If disposing off used product, take care to protect the environment.
