## **We miss the babies!!**

Our volunteers are waiting to get back to holding the babies. And the babies miss them too!!! We don't know when we can return to regular cuddling, but we hope it will be soon.

We hope all our volunteers, donors, and supporters are doing well and keeping safe.

Please remember to continue wearing a mask and maintaining social distancing, get vaccinated if eligible.

**We are CSR Compliant**

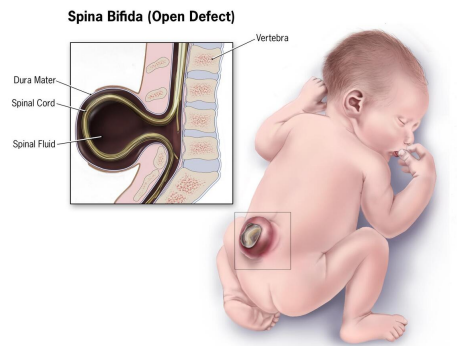

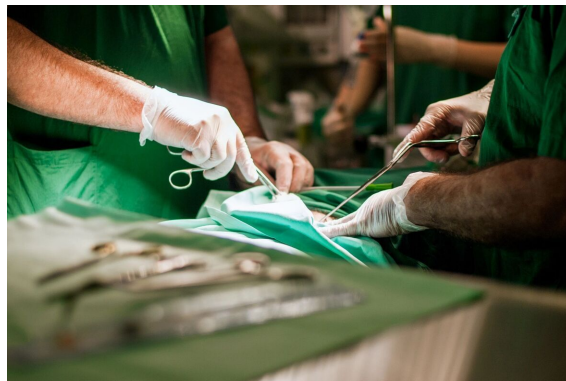

There have been a lot of new rules regarding CSR (Corporate Social

Responsibility) recently - the goal being higher transparency and consistent compliance.

We are happy to share that ABC is up to date on all its paperwork. We have the new CSR-1 as well as renewed 12A and 80G. If you know of any corporates looking for CSR partnerships, do let us know.

We have applied for FCRA also and our application is under process.

## Runner Updates

We were recently referred a newborn child with Meningomyelocele (Spina Bifida). She required 2 surgeries and around 2 months in ICU, but she is doing well.

Big thanks to Deepti Davuluri for sponsoring her spine closure surgery which needed to be done at another hospital.

We also helped SCH with a Pacemaker surgery for one of their children. The surgery was successful and the child is recovering well.

We had a couple of severe cases of Covid, most other children recovered at the orphanages and did not require any hospitalisation.

Post lockdown, our staff are all vaccinated and back at work full time.
