\$250 / verbal recognition on stage

River Jam is proud to be supporting two charities for the 2018 event. We have chosen the Pawcatuck Neighborhood Center (PNC) as the beneficiary of any proceeds from ticket sales (above and beyond production costs). And Sails Up 4 Cancer (SU4C) will receive all tips from beverage sales. PNC's mission is to improve and enhance the quality of life of residents of all ages living within the communities we serve by providing basic human needs, social interaction and senior transportation to obtain medical care. (www.the-pnc.org) SU4C is a non-profit organization dedicated to funding research in the education, prevention, care, and cure for all types of cancer through the art and enjoyment of sailing. (www.su4c.org)
