

The finer details of your stay at Carinya Station ...

We'd love to share our station stay with you, but before you book, take a closer look at our facilities and please ensure you agree to our terms and conditions. We're a working farm with family commitments. By agreeing to the T&C's in advance, we're sure you'll have a fantastic stay with us.

Facilities:

Toilets

We have three composting toilets located in the main camping area and within 150m from the shearing shed. Keep an eye out for log cabin style structures. BYO toilet paper.

There are no communal showers on our property, however, showers are available at the Artesian Bore baths.

Water

There are numerous places to top up your tanks on our station:

1. By the stump on the way to the shearing shed
2. At the communal campfire
3. Close to #3 composting toilet

Washing Machine

A coin-operated washing machine located in the shearing shed, two x \$2 coins per load. BYO washing powder. Please don't use the machine to wash pet bedding.

Communal Campfire

The communal campfire is in the middle of the bush camping area. You are welcome to cook meals here. This campfire is managed by our volunteers, but if it's not already lit please feel free to light the fire using the wood provided. BYO cooking utensils and cookware.

Private Campfires

If you would like a private campfire, you are welcome to collect firewood off the ground from your surroundings. We ask you not to burn hollow timber, as we try and preserve as much habitat for our native wildlife as possible. Please do not cut down any trees.

Tours:

Introductory Farm Tours

Our walk-along farm tour is included in your stay and is conducted daily at 9am. We encourage our guests to join us to learn more about our farm and interact with our animals. Every tour is different, and guests staying more than one night are welcome to attend multiple tours. For your safety and the welfare of our animals, please do not explore our property before taking this tour.

Private bespoke farm tours are also available, please enquire at the time of bookings.

We strongly recommend travelling with a Telstra mobile
(and Telstra SIM) for best phone coverage in our region.
