

JA Volunteer Registration is Now Open!

Hello JA Volunteers!

We are excited to officially welcome you back to the classroom for the 2022-2023 school year! I hope you've had a wonderful holiday season. Let me introduce myself; I am Christy Lundberg, and I will be assisting Jessica Foley, the Lincoln County JA Coordinator, with this year's program.

Junior Achievement is ready, excited, and available to be back in the classroom with our traditional volunteer lead in-person programs! Now is the perfect time to register to volunteer for a class for the spring 2023 JA program!

Attached you will find the registration form and link to register. Please note that on the registration form, under "Select the Area," you will need to select Lincoln County. Lincoln County will only be offering JA for K-6th grade. Please indicate the preferred school, teacher, and/or classroom or have other requests in the "Preferences" area of the form.

Upon receiving your registration, we will contact you about the next step in the volunteering process. Please register by **Friday, January 20, 2023**, so we can ensure all classrooms have a volunteer and are ready to go in the spring!

Please don't hesitate to contact me or Jessica Foley (jfoley@dsi-services.com) with questions, concerns, or specific needs or to learn more about JA! We are here to help you!

Please use the following link to learn how JA can benefit students by furthering their understanding of entrepreneurship:

Thank you again for all your support. We look forward to partnering with you again for another wonderful year of supporting our students by volunteering.

Respectfully,
