

# Funds available to help London's bus workers and their dependants who have been affected by the Covid-19 pandemic

Over the weekend of June 26th -28th, 18 runners took part in a sponsored fundraising event to raise money to support London's bus drivers and associated staff who have been affected by Covid-19.

Run For A Bus took place through the streets of London with runners following the route of several designated bus journeys. The event was a great success, raising thousands of pounds. All funds raised have been presented to the Transport Benevolent Fund CIO - TBF, and have been ring-fenced for this particular cause. **Funds are available to help London bus workers and their dependants who find themselves in need, hardship or distress due to the coronavirus, and who are not TBF members.**

Please Google #RunForABus to see the remarkable efforts of all those who took part.

If you are a London bus worker who has been affected by Covid-19 or are a dependant of a deceased London bus worker and would like to apply for assistance, please get in touch with TBF by emailing

**help@tbf.org.uk**  
and quote RunForABus.

TBF members who find themselves in need, hardship or distress, no matter what the reason, can access the full range of benefits by also emailing **help@tbf.org.uk**
