READ the BIBLE in 2023

We come to another new year and another opportunity to read thru the Bible. Some of us have been doing the reading for several years. Let me encourage you to commit to reading thru the Bible this year. Here is the schedule for the reading in **2023**.

People have been reading thru the Bible from several churches in Albuquerque and elsewhere. Even West Houston Bible Church has the schedule on its website with 600 downloads in 2022.

Here are some words from some people who were blessed in their reading in 2022.

“I have never read the entire Bible from start to finish until this year. Reading it through has given me a big picture view of the Bible. It has also left me with the desire to dive deeper into each book. More importantly, it has given me the opportunity to focus on God’s word each day which has impacted so much of my life for the better.”

Dentist & father of 5 kids (ages 13-3 months) -

Dr Ben S. (NM)

“When Ray sent me his Read the Bible schedule in 2020, I found it very flexible and doable compared to any other reading schedule I had ever tried. Having weekly passages instead of daily passages allowed me, a mom of 6, the flexibility to read what I wanted, when I wanted to, each week. 2020 was my first year to read through the Bible in a year, and then I did it again in 2021, and in 2022 as well. I've fallen in love with reading the Word so much, that I want others to love it as well, so I started an international online accountability group using this schedule. It has blessed not only me, but many worldwide. On a more personal level, it's also been an encouragement to my kids and husband as they see me reading my Bible, because I want to - not because I have to. Give it a try. You will be blessed!”

“God has created truth in every realm. That is His glory. Our glory is to seek out that truth in all our endeavors of life, appreciate what we find and humble ourselves before God, obeying Him wherever that leads us. Ray's plan for reading through the Bible annually provides me with a disciplined fulfilling method for seeking to live my life better accordingly. I plan to do it again next year for the third consecutive year. Proverbs 1:7, 9:10”

“Reading through the Bible in a year has cemented in my mind how simple God’s commands and promises are. Over and over God’s people were told to obey and blessing would follow – but don’t disobey or judgment will follow. And all of this happens over and over again. God always comes through as He promised. Just like he does for us. Reading the whole Bible through once a year has strengthened my faith.”

Widow who helped husband pastor church, found CTS, & raise 4 kids - Sandy M. (VA)

“As I begin my 4th consecutive year of entire Bible reading at 70 yrs. young, this flexible weekly schedule now gives me a broad view of His authoritative, inspired, and without error Word. Each succeeding year seems to build on the previous and has resulted in an increasing desire for further personal growth.”
