Dear claimant,

Your claim under Subclass 2 (Identity Theft) in the Desjardins Settlement is approved. This is an advance notification that your payment will be issued via Interac e-Transfer very shortly. The Sender of the Interac e-Transfer will be either: (1) Desjardins Class Action <u>or</u> (2) Computershare Trust Company. If you do not have auto deposit set up with your financial institution, you will require a security answer to complete the e-Transfer transaction which was selected when submitting your claim.

When you submitted your claim, you were asked to answer one of three (3) security questions. Your answer can only be letters and numbers and not contain accents, spaces, or symbols. You will be asked to provide your answer to this question which is required to deposit the e-Transfer into your account. If you enter the wrong answer three (3) times, your payment will be blocked.

<u>Please note that:</u>

(a) your payment is subject to a mandatory 2% reduction to be paid to the Fonds d'aide aux actions collectives, per subsection 1(3)(a) of the Regulation respecting the percentage withheld by the Fonds d'aide aux actions collectives; and

(b) in accordance with the Settlement Agreement, if the total amount of the Valid Claims received from Subclass 2 Members exceeds the Annual Limit for a given Claim Year, the amount thereof will be paid on a pro-rata basis of the Valid Claims filed during that Claim Year by Subclass 2 Members.

The Year 1 Annual Limit of $27,000,000 was exceeded due to the number of valid claims. Your pro-rata payment, before the mandatory 2% reduction, is: $954.53.
