DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS  
FOR  
BARKLEY ESTATES

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS is made this 15th day of MARCH, 1994, by Marrero Land and Improvement Association, Limited, a Louisiana corporation (the "Declarant").

Declarant is the owner of the real property described in Exhibit "A," which is attached and incorporated by reference. This Declaration imposes upon the Properties (as defined in Article I below) mutually beneficial restrictions under a general plan of development for the benefit of the owners of each portion of the Properties, and establishes a flexible and reasonable procedure for the overall development, administration, maintenance and preservation of the Properties.

Declarant hereby declares that all of the property described in Exhibit "A" and any additional property subjected to this Declaration by Supplemental Declaration (as defined in Article I below) shall be held, sold, used and conveyed subject to the following easements, restrictions, covenants, and conditions, which shall run with the title to the real property subjected to this Declaration. This Declaration shall be binding upon all parties having any right, title, or interest in any portion of the Properties, their heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner of any portion of the Properties.

**Article I**  
**DEFINITIONS**

The terms in this Declaration and the exhibits to this Declaration shall generally be given their natural, commonly accepted definitions except as otherwise specified. Capitalized terms shall be defined as set forth below.

1.1. "Area of Common Responsibility": The Common Area, together with such other areas, if any, for which the Association has or assumes responsibility pursuant to the terms of this Declaration, any Supplemental Declaration or other applicable covenants, contract, or agreement.

1.2. "Articles of Incorporation" or "Articles": The Articles of Incorporation of Barkley Estates Community Association, Inc., as filed with the Secretary of State of the State of Louisiana.

1.3. "Association": Barkley Estates Community Association, Inc., a Louisiana nonprofit corporation, its successors or assigns.

1.4. "Base Assessment": Assessments levied on all Lots subject to assessment under Article VIII to fund Common Expenses for the general benefit of all Lots, as more particularly described in Sections 8.1 and 8.3.

1.5. "Board of Directors" or "Board": The body responsible for administration of the Association, selected as provided in the By-Laws and generally serving the same role as the board of directors under Louisiana corporate law.

1.6. "Builder": Any Person which purchases one or more Lots for the purpose of constructing improvements for later sale to consumers or purchases one or more parcels of land within the Properties for further subdivision, development, and/or resale in the ordinary course of such Person's business.

1.7. "By-Laws": The By-Laws of Barkley Estates Community Association, Inc., attached as Exhibit "F," as they may be amended.

1.8. "Class "B" Control Period": The period of time during which the Class "B" Member is entitled to appoint a majority of the members of the Board of Directors as provided in Section 3.3 of the By-Laws.

1.9. "Common Area": All real and personal property, including easements, which the Association owns, leases or otherwise holds possessory or use rights in for the common use and enjoyment of the Owners.

1.10. "Common Expenses": The actual and estimated expenses incurred, or anticipated to be incurred, by the Association for the general benefit of all Owners, including any reasonable reserve, as the Board may find necessary and appropriate pursuant to this Declaration, the By-Laws, and the Articles of Incorporation. Common Expenses shall not include any expenses incurred during the Class "B" Control Period for initial development, original construction, installation of infrastructure, original capital improvements, or other original construction costs unless approved by Voting Members representing a majority of the total Class "A" vote of the Association.

1.11. "Community-Wide Standard": The standard of conduct, maintenance, or other activity generally prevailing throughout the Properties. Such standard may be more specifically determined by the Board of Directors and the Barkley Estates New Construction Committee.

1.12. "Covenant to Share Costs": Any agreement with the owners of adjacent property recorded in the Public Records which creates certain easements for the benefit of the Association and the present and future owners of the real property subject thereto and which obligates the Association and such owners to share the costs of maintaining certain property described therein.

1.13. "Declarant": Marrero Land and Improvement Association, Limited, a Louisiana corporation, or any successor, successor-in-title, or assign who takes title to any portion of the property described on Exhibits "A" or "B" for the purpose of development and/or sale and who is designated as the Declarant in a recorded instrument executed by the immediately preceding Declarant.

1.14. "Design Guidelines": The design and construction guidelines and application and review procedures applicable to the Properties promulgated and administered pursuant to Article IX.

1.15. "Lot": A portion of the Properties, whether improved or unimproved, which may be independently owned and conveyed and which is intended for construction of a detached single family dwelling and private residential use. The term shall refer to the land as well as any improvements thereon. The term shall include within its meaning, by way of illustration but not limitation single-family detached houses on separately platted lots, as well as vacant land intended for development as such, but shall not include Common Areas or property dedicated to the public.

In the case of a parcel of vacant land or land on which improvements are under construction, the parcel shall be deemed to contain the number of Lots designated for residential use for such parcel on the Master Plan or the site plan approved by Declarant, whichever is more recent, until such time as a subdivision plat is filed of record on all or a portion of the parcel. Thereafter, the portion encompassed by such plat shall contain the number of Lots determined as set forth in the preceding paragraph and any portion not encompassed by such plat shall continue to be treated in accordance with this paragraph.

1.16. "Master Plan": The land use plan for the development of Barkley Estates prepared by J. J. Krebs & Sons, Inc. and approved by Jefferson Parish, Louisiana, as it may be amended from time to time, which plan includes the property described on Exhibit "A" and all or a portion of the property described on Exhibit "B" that Declarant may from time to time anticipate subjecting to this Declaration. Inclusion of property on the Master Plan shall not, under any circumstances, obligate Declarant to subject such property to this Declaration, nor shall the exclusion of property described on Exhibit "B" from the Master Plan bar its later annexation in accordance with Article VII.

1.17. "Member": A Person entitled to membership in the Association pursuant to Section 3.2.

1.18. "Mortgage": A mortgage, a deed of trust, a deed to secure debt, or any other form of security instrument affecting title to any Lot.

1.19. "Mortgagee": A beneficiary or holder of a Mortgage.

1.20. "Mortgagor": Any Person who gives a Mortgage.

1.21. "Neighborhood": Each separately developed phase of residential development within the Properties, in which the Owners of Lots may have common interests other than those common to all Members of the Association. The procedures for establishing Neighborhoods and the function of such Neighborhoods is set forth in Section 3.4.

1.22. "Owner": One or more Persons who hold the record title to any Lot, but excluding in all cases any party holding an interest merely as security for the performance of an obligation. If a Lot is sold under a recorded contract of sale, and the contract specifically so provides, the purchaser (rather than the fee owner) will be considered the Owner.

1.23. "Person": A natural person, a corporation, a partnership, a trustee, or any other legal entity.

1.24. "Properties": The real property described on Exhibit "A," together with such additional property as is subjected to this Declaration in accordance with Article VII.

1.25. "Public Records": The Office of Register of Conveyances of Jefferson Parish, Louisiana.

1.26. "Special Assessment": Assessments levied in accordance with Section 8.6.

1.27. "Specific Assessment": Assessments levied in accordance with Section 8.7.

1.28. "Supplemental Declaration": An instrument filed in the Public Records pursuant to Article VII which subjects additional property to this Declaration and/or imposes, expressly or by reference, additional restrictions and obligations on the land described in such instrument.

1.29. "Voting Member": The representative selected by the Class "A" Members within each Neighborhood to be responsible for casting all Class "A" votes attributable to Lots in the Neighborhood on all matters requiring a vote of the membership (except as otherwise specifically provided in this Declaration and in the By-Laws). The term "Voting Member" shall also refer to alternate Voting Members acting in the absence of the Voting Member and any Owners authorized personally to cast the votes for their respective Lots pursuant to Section 3.4(b).

## **Article II** **PROPERTY RIGHTS**

2.1. Common Area. Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area for recreational and social activities, subject to:

- (a) This Declaration and any other applicable covenants;
- (b) Any restrictions or limitations contained in any deed conveying such property to the Association;
- (c) The right of the Board to adopt rules regulating the use and enjoyment of the Common Area, including rules limiting the number of guests who may use the Common Area;
- (d) The right of the Board to suspend the right of an Owner to use facilities within the Common Area (i) for any period during which any charge against such Owner's Lot remains delinquent, and (ii) for a period not to exceed 30 days for a single violation or for a longer period in the case of

any continuing violation, of the Declaration, any applicable Supplemental Declaration, the By-Laws, or rules of the Association after notice and a hearing pursuant to Section 3.24 of the By-Laws;

(e) The right of the Association, acting through the Board, to dedicate or transfer all or any part of the Common Area pursuant to Section 4.7;

(f) The right of the Board to impose reasonable membership requirements and charge reasonable admission or other use fees for the use of any facility situated upon the Common Area;

(g) The right of the Board to permit use of any facilities situated on the Common Area by persons other than Owners, their families, lessees and guests upon payment of use fees established by the Board; and

(h) The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred.

Any Owner may extend his or her right of use and enjoyment to the members of his or her family, lessees, and social invitees, as applicable, subject to reasonable regulation by the Board. An Owner who leases his or her Lot shall be deemed to have assigned all such rights to the lessee of such Lot.

2.2. No Partition. Except as permitted in this Declaration, there shall be no judicial partition of the Common Area. No Person shall seek any judicial partition unless the portion of the Common Area which is the subject of such partition action has been removed from the provisions of this Declaration. This Article shall not prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring and disposing of real property which may or may not be subject to this Declaration.

2.3. Condemnation. If any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of Voting Members representing at least 67% of the total Class "A" votes in the Association and of the Declarant, as long as the Declarant owns any property described on Exhibits "A" or "B") by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to written notice. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows:

If the taking involves a portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements on the remaining land included in the Common Area to the extent available, unless within 60 days after such taking the Declarant, so long as the Declarant owns any property described in Exhibits "A" or "B" of this Declaration, and Voting Members representing at least 75% of the total Class "A" vote of the Association shall otherwise agree. Any such construction shall be in accordance with plans approved by the Board. The provisions of Section 6.1(c) regarding funds for the repair of damage or destruction shall apply.

If the taking does not involve any improvements on the Common Area, or if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is complete, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

### **Article III** **MEMBERSHIP AND VOTING RIGHTS**

3.1. Function of Association. The Association shall be the entity responsible for management, maintenance, operation and control of the Area of Common Responsibility. The Association shall be the primary entity responsible for enforcement of this Declaration and such reasonable rules regulating use of the Properties as the Board or the membership may adopt pursuant to Article X. The Association shall also be responsible for administering and enforcing the architectural standards and controls set forth in this Declaration and any Design Guidelines. The Association shall perform its functions in accordance with this Declaration, the By-Laws, the Articles and the laws of the State of Louisiana.

3.2. Membership. Every Owner shall be a Member of the Association. There shall be only one membership per Lot. If a Lot is owned by more than one Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Section 3.3(c) and in the By-Laws, and all such co-Owners shall be jointly, severally and in solido obligated to perform the responsibilities of Owners. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, partner or trustee, or by the individual designated from time to time by the Owner in a written instrument provided to the Secretary of the Association.

3.3. Voting. The Association shall have two classes of membership, Class "A" and Class "B."

(a) Class "A". Class "A" Members shall be all Owners except the Class "B" Member, if any.

Class "A" Members shall have one equal vote for each Lot in which they hold the interest required for membership under Section 3.2; provided, there shall be only one vote per Lot and no vote shall be exercised for any property which is exempt from assessment under Section 8.10. All Class "A" votes shall be cast as provided in Section 3.3(c) below.

(b) Class "B". The sole Class "B" Member shall be the Declarant. The rights of the Class "B" Member, including the right to approve, or withhold approval of, actions proposed under this Declaration, the By-Laws and the Articles, are specified in the relevant sections of this Declaration, the By-Laws and the Articles. The Class "B" Member may appoint a majority of the members of the Board of Directors during the Class "B" Control Period, as specified in Section 3.3 of the By-Laws. After termination of the Class "B" Control Period, the Class "B" Member shall have a right to disapprove actions of the Board and committees as provided in Section 3.19 of the By-Laws.

The Class "B" membership shall terminate upon the earlier of:

(i) two years after expiration of the Class "B" Control Period pursuant to Article III of the By-Laws; or

(ii) when, in its discretion, the Declarant so determines and declares in a recorded instrument.

Upon termination of the Class "B" membership, the Declarant shall be a Class "A" Member entitled to Class "A" votes for each Lot which it owns.

(c) Exercise of Voting Rights. Except as otherwise specified in this Declaration or the By-Laws, the vote for each Lot owned by a Class "A" Member shall be exercised by the Voting Member representing the Neighborhood of which the Lot is a part, as provided in Section 3.4(b). The Voting Member may cast all such votes as it, in its discretion, deems appropriate.

In any situation where a Member is entitled personally to exercise the vote for his Lot and there is more than one Owner of such Lot, the vote for such Lot shall be exercised as the co-Owners determine among themselves and advise the Secretary of the Association in writing prior to the vote being taken. Absent such advice, the Lot's vote shall be suspended if more than one Person seeks to exercise it.

### 3.4. Neighborhoods and Voting Members.

(a) Neighborhoods. Every Lot shall be located within a Neighborhood. The Lots within a particular Neighborhood may be subject to additional covenants. Exhibit "A" to this Declaration, and each Supplemental Declaration filed to subject additional property to this Declaration, shall initially assign the property described therein to a specific Neighborhood (by name or other identifying designation), which Neighborhood may be then existing or newly created. So long as it has the right unilaterally to annex additional property pursuant to Section 7.1, the Declarant may unilaterally amend this Declaration or any Supplemental Declaration from time to time to redesignate Neighborhood boundaries; provided, two or more existing Neighborhoods shall not be combined without the consent of Owners of a majority of the Lots in the affected Neighborhoods.

(b) Voting Members. The Owners within each Neighborhood shall elect a Voting Member who shall be responsible for casting all votes attributable to Lots owned by Class "A" Members in the Neighborhood on all Association matters requiring a membership vote, except as otherwise specified in this Declaration or the By-Laws. In addition, each Neighborhood shall elect an alternate Voting Member who shall be responsible for casting such votes in the absence of the Voting Member. The Voting Member and alternate Voting Member from each Neighborhood shall be elected on an annual basis, either by written ballot or at a meeting of the Class "A" Members within such Neighborhood, as the Board determines; provided, upon written petition signed by Class "A" Members holding at least 10% of the votes attributable to Lots within any Neighborhood, the election for such Neighborhood shall be held at a

meeting. The presence, in person or by proxy, of Class "A" Members representing at least 30% of the total Class "A" votes attributable to Lots in the Neighborhood shall constitute a quorum at any Neighborhood meeting.

The Board shall call for the first election of a Voting Member from a Neighborhood not later than 60 days after conveyance of 75% of the Lots proposed for the Neighborhood to Persons other than Builders. Prior to such time, the Voting Member for a Neighborhood may be appointed and removed by the Declarant acting in its sole discretion and such Voting Member shall serve at the pleasure of the Declarant until the expiration of the time period set forth in the previous sentence. Subsequent elections shall be held within 30 days of the same date each year. Each Class "A" Member who owns a Lot within the Neighborhood shall be entitled to cast one equal vote per Lot owned in the Neighborhood for each position. The candidate for each position who receives the greatest number of votes shall be elected to serve a term of one year and until a successor is elected.

Any Voting Member, except those appointed by the Declarant, may be removed, with or without cause, upon the vote or written petition of Owners of a majority of the total number of Lots owned by Class "A" Members in the Neighborhood which the Voting Member represents.

Until such time as the Declarant appoints or the Board first calls for election of a Voting Member for any Neighborhood, the Owners within such Neighborhood shall be entitled personally to cast the votes attributable to their respective Lots on any issue requiring a vote of the Voting Members under this Declaration, the By-Laws, or the Articles.

#### Article IV RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

4.1. Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall manage and control the Common Area and all improvements thereon (including, without limitation, furnishings, equipment, and other personal property of the Association used in connection with the Common Areas), and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, pursuant to this Declaration and the By-Laws and consistent with the Community-Wide Standard. The Board is specifically authorized, but not obligated, to retain or employ professional management to assist in carrying out the Association's responsibilities under this Declaration, the cost of which shall be a Common Expense.

4.2. Personal Property and Real Property for Common Use. The Association, through action of its Board, may acquire, hold, and dispose of tangible and intangible personal property and real property. The Declarant and its designees may convey to the Association improved or unimproved real estate, or interests in real estate, located within the properties described in Exhibits "A" or "B," personal property and leasehold and other property interests. Such property shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association.

4.3. Enforcement. The Association may impose sanctions for violations of this Declaration, any applicable Supplemental Declaration, the By-Laws, or Association rules in accordance with procedures set forth in the By-Laws, including reasonable monetary fines and suspension of the right to vote and to use any recreational facilities within the Common Area. In addition, in accordance with Section 3.24 of the By-Laws, the Association may exercise self-help to cure violations and may suspend any services it provides to the Lot of any Owner who is more than 30 days delinquent in paying any assessment or other charge due to the Association. All remedies set forth in this Declaration and the By-Laws shall be cumulative of any remedies available at law or in equity. In any action to enforce the provisions of this Declaration or Association rules, if the Association prevails it shall be entitled to recover all costs, including, without limitation, attorneys fees and court costs, reasonably incurred in such action.

The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action. Any such determination shall not be construed as a waiver of the right to enforce such provision under other circumstances or estop the Association from enforcing any other covenant, restriction or rule.

The Association, by contract or other agreement, may enforce parish and city ordinances, if applicable, and permit Jefferson Parish, Louisiana, to enforce ordinances on the Properties for the benefit of the Association and its Members.

4.4. Implied Rights; Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in this Declaration, the By-Laws, the Articles, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

4.5. Governmental Interests. For so long as the Declarant owns any property described on Exhibits "A" or "B," the Declarant may designate sites within the Properties for fire, police, and utility facilities, public schools and parks, and other public or quasi-public facilities. The sites may include Common Areas, in which case the Association shall take whatever action is required with respect to such site to permit such use, including conveyance of the site, if so directed by Declarant. The sites may include other property not owned by Declarant provided the owner consents.

4.6. Indemnification. The Association shall indemnify, hold harmless, and defend every officer, director, and committee member against all damages and expenses, including counsel fees, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member, including, without limitation, any and all

claims for personal injury, death, or property damage, except that such obligation to indemnify, hold harmless, and defend shall be limited to those actions for which liability is limited under this Section and Louisiana law.

The officers, directors, and committee members shall not be liable if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Association, nor reasonably believed such conduct to be unlawful. The officers and directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association). The Association shall indemnify, hold harmless, and defend each such officer, director and committee member from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

4.7. Dedication of Common Areas. The Association may dedicate portions of the Common Areas to Jefferson Parish, Louisiana, or to any other local, state, or federal governmental or quasi-governmental entity.

4.8. Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association, the original Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Properties, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any fire protection system, burglar alarm system or other security system or measures, including any mechanism or system for limiting access to the Properties, can not be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform its tenants and all occupants of its Lot that the Association, its Board of Directors and committees, Declarant, and any successor Declarant are not insurers and that each Person using the Properties assumes all risks of personal injury and loss or damage to property, including Lots and the contents of Lots, resulting from acts of third parties.

## Article V MAINTENANCE

### 5.1. Association's Responsibility.

(a) The Association shall maintain and keep in good repair the Area of Common Responsibility, which shall include, but need not be limited to:

(i) all landscaping and other flora, parks, structures, and improvements, including any pedestrian pathways/trails, situated upon the Common Area;

(ii) landscaping within public rights-of-way within or abutting the Properties;

(iii) such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, a Covenant to Share Costs, or any contract or agreement for maintenance thereof entered into by the Association; and

(iv) any property and facilities owned by the Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members, such property and facilities to be identified by written notice from the Declarant to the Association and to remain a part of the Area of Common Responsibility and be maintained by the Association until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

The Association may maintain other property which it does not own, including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

(b) There are hereby reserved to the Association easements over the Properties as necessary to enable the Association to fulfill its responsibilities. The Association shall maintain the facilities and equipment within the Area of Common Responsibility in continuous operation, except for any periods necessary, as determined in the sole discretion of the Board, to perform required maintenance or repairs, unless Members representing 75% of the Class "A" votes in the Association and the Class "B" Member, if any, agree in writing to discontinue such operation.

Except as provided above, the Area of Common Responsibility shall not be reduced by amendment of this Declaration or any other means except with the prior written approval of the Declarant as long as the Declarant owns any property described on Exhibits "A" or "B" of this Declaration.

(c) Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Lots as part of the Base Assessment, without prejudice to the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to this Declaration, other recorded covenants, or agreements with the owner(s) thereof.

5.2. Owner's Responsibility. Each Owner shall maintain his or her Lot and all structures, parking areas, and other improvements comprising the Lot in a manner consistent with the Community-Wide Standard and all applicable covenants, unless, such maintenance responsibility is otherwise assumed by or assigned to the Association pursuant to any Supplemental Declaration or other

declaration of covenants applicable to such Lot. In addition to any other enforcement rights, if an Owner fails properly to perform his or her maintenance responsibility, the Association may perform such maintenance responsibilities and assess all costs incurred by the Association against the Lot and the Owner in accordance with Section 8.7. The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

5.3. Standard of Performance. Unless otherwise specifically provided herein or in other instruments creating and assigning such maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary. All maintenance shall be performed in a manner consistent with the Community-Wide Standard and all applicable covenants. The Association and/or an Owner shall not be liable for any damage or injury occurring on, or arising out of the condition of, property which it does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

## Article VI INSURANCE AND CASUALTY LOSSES

### 6.1. Association Insurance.

(a) Required Coverages. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) Blanket property insurance covering "risks of direct physical loss" on a "special form" basis (or comparable coverage by whatever name denominated) for all insurable improvements on the Common Area, if any, and on other portions of the Area of Common Responsibility to the extent that it has assumed responsibility for maintenance, repair and/or replacement in the event of a casualty. If such coverage is not generally available at reasonable cost, then "broad form" coverage may be substituted. The Association shall have the authority to and interest in insuring any property for which it has maintenance or repair responsibility, regardless of ownership. All property insurance policies obtained by the Association shall have policy limits sufficient to cover the full replacement cost of the insured improvements;

(ii) Commercial general liability insurance on the Area of Common Responsibility, insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, the commercial general liability coverage (including primary and any umbrella coverage) shall have a limit of at least \$1,000,000.00 per occurrence with respect to bodily injury, personal injury, and property damage; provided, should additional coverage and higher limits be available at reasonable cost which a reasonably prudent person would obtain, the Association shall obtain such additional coverages or limits;

(iii) Workers compensation insurance and employers liability insurance, if and to the extent required by law;

(iv) Directors and officers liability coverage;

(v) Fidelity insurance covering all Persons responsible for handling Association funds in an amount determined in the Board's best business judgment but not less than an amount equal to one-sixth of the annual Base Assessments on all Lots plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation; and

(vi) Such additional insurance as the Board, in its best business judgment, determines advisable, which may include, without limitation, flood insurance, boiler and machinery insurance, and building ordinance coverage.

In addition, the Association may obtain and maintain property insurance on the insurable improvements within any Neighborhood in such amounts and with such coverages as the Owners in such Neighborhood may agree upon pursuant to Section 3.4(a). Any such policies shall provide for a certificate of insurance to be furnished to the Neighborhood Committee and to the Owner of each Lot insured.

Premiums for all insurance on the Area of Common Responsibility shall be Common Expenses and shall be included in the Base Assessment.

(b) Policy Requirements. The Association shall arrange for an annual review of the sufficiency of insurance coverage by one or more qualified Persons, at least one of whom must be familiar with insurable replacement costs in the metropolitan New Orleans area.

All Association policies shall provide for a certificate of insurance to be furnished to each Member insured and to the Association.

The policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements of Section 6.1(a). In the event of an insured loss, the deductible shall be treated as a Common Expense. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with Section 3.24 of the By-Laws, that the loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Board may specifically assess the full amount of such deductible against such Owner(s) and their Lots pursuant to Section 8.7.

All insurance coverage obtained by the Board shall:

(i) be written with a company authorized to do business in the State of Louisiana which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate;

(ii) be written in the name of the Association as trustee for the benefitted parties. Policies on the Common Areas shall be for the benefit of the Association and its Members;

(iii) not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees individually;

(iv) contain an inflation guard endorsement; and

(v) include an agreed amount endorsement, if the policy contains a co-insurance clause.

In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide:

(i) a waiver of subrogation as to any claims against the Association's Board, officers, employees, and its manager, the Owners and their tenants, servants, agents, and guests;

(ii) a waiver of the insurer's rights to repair and reconstruct instead of paying cash;

(iii) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any one or more individual Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure;

(iv) an endorsement excluding Owners' individual policies from consideration under any "other insurance" clause;

(v) an endorsement requiring at least 30 days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal;

(vi) a cross liability provision; and

(vii) a provision vesting in the Board exclusive authority to adjust losses; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related to the loss.

(c) Damage and Destruction. Immediately after damage or destruction to all or any part of the Properties covered by insurance written in the name of the Association, the Board or its duly authorized agent shall file and adjust all insurance claims and obtain reliable and detailed estimates of the cost of repair or reconstruction. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the condition in which it existed prior to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.

Any damage to or destruction of the Common Area shall be repaired or reconstructed unless the Voting Members representing at least 75% of the total Class "A" votes in the Association, and the Class "B" Member, if any, decide within 60 days after the loss not to repair or reconstruct.

If either the insurance proceeds or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not available to the Association within such 60-day period, then the period shall be extended until such funds or information are available. However, such extension shall not exceed 60 additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed.

If determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Lot.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board may, without a vote of the Voting Members, levy Special Assessments to cover the shortfall against the Owners.

6.2. Owners' Insurance. By virtue of taking title to a Lot, each Owner covenants and agrees with all other Owners and with the Association to carry property insurance for the full replacement cost of all insurable improvements on his or her Lot, less a reasonable deductible, unless the Association carries such insurance (which it may, but is not obligated to do hereunder). If the Association assumes responsibility for obtaining any insurance coverage on behalf of Owners, the premiums for such insurance shall be levied as a Specific Assessment against the benefitted Lot and the Owner thereof pursuant to Section 8.7.

Each Owner further covenants and agrees that in the event of damage to or destruction of structures on or comprising his Lot, the Owner shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article IX. Alternatively, the Owner shall clear the Lot of all debris and ruins and maintain the Lot in a neat and attractive, landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

**Article VII**  
**ANNEXATION AND WITHDRAWAL OF PROPERTY**

7.1. Annexation Without Approval of Membership. Until all property described on Exhibit "B" has been subjected to this Declaration or twenty years after the recording of this Declaration in the Public Records, whichever is earlier, Declarant may from time to time unilaterally subject to the provisions of this Declaration all or any portion of the real property described in Exhibit "B." The Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the real property described in Exhibits "A" or "B" and that such transfer is memorialized in a written, recorded instrument executed by Declarant.

Such annexation shall be accomplished by filing in the Public Records a Supplemental Declaration describing the property being annexed. Such Supplemental Declaration shall not require the consent of Voting Members, but shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein.

Nothing in this Declaration shall be construed to require the Declarant or any successor to annex or develop any of the property set forth in Exhibit "B" in any manner whatsoever.

7.2. Annexation With Approval of Membership. The Association may annex any real property to the provisions of this Declaration with the consent of the owner of such property, the affirmative vote of Voting Members representing a majority of the Class "A" votes of the Association represented at a meeting duly called for such purpose, and the consent of the Declarant so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with Section 7.1.

Such annexation shall be accomplished by filing a Supplemental Declaration describing the property being annexed in the Public Records. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the annexed property, and by the Declarant, if the Declarant's consent is required. Any such annexation shall be effective upon filing unless otherwise provided therein.

7.3. Withdrawal of Property. The Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Section 7.1, for the purpose of removing any portion of the Properties from the coverage of this Declaration, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Properties. Such amendment shall not require the consent of any Person other than the Owner of the property to be withdrawn, if not the Declarant. If the property is Common Area, the Association shall consent to such withdrawal.

7.4. Additional Covenants and Easements. The Declarant may unilaterally subject any portion of the property submitted to this Declaration to additional covenants and easements, including covenants obligating the

Association to maintain and insure such property on behalf of the Owners and obligating such Owners to pay the costs incurred by the Association. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrent with or after the annexation of the subject property, and shall require the written consent of the owner(s) of such property, if other than the Declarant. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

7.5. Amendment. This Article shall not be amended without the prior written consent of Declarant so long as the Declarant owns any property described in Exhibits "A" or "B."

### **Article VIII** **ASSESSMENTS**

8.1. Creation of Assessments. There are hereby created assessments for Association expenses as the Board may specifically authorize from time to time. There shall be three types of assessments: (a) Base Assessments to fund Common Expenses for the general benefit of all Lots; (b) Special Assessments as described in Section 8.6; and (c) Specific Assessments as described in Section 8.7. Each Owner, by accepting a deed or entering into a recorded contract of sale for any portion of the Properties, is deemed to covenant and agree to pay these assessments.

All assessments, together with interest (computed from the due date of such assessment at a rate of 10% per annum or such higher rate as the Board may establish, subject to the limitations of Louisiana law), late charges in such amount as the Board may establish by resolution, costs, and reasonable attorney's fees, shall be a charge and continuing lien upon each Lot against which the assessment is made until paid, as more particularly provided in Section 8.8. Each such assessment, together with interest, late charges, costs, and reasonable attorney's fees, also shall be the personal obligation of the Person who was the Owner of such Lot at the time the assessment arose. Upon a transfer of title to a Lot, the grantee shall be jointly, severally and in solido liable for any assessments and other charges due at the time of conveyance. However, no first Mortgagee who obtains title to a Lot by exercising the remedies provided in its Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon request, furnish to any Owner liable for any type of assessment a certificate in writing signed by an Association officer setting forth whether such assessment has been paid. Such certificate shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as the Board may establish, which may include discounts for early payment or similar time/price differentials. The Board may require advance payment of

assessments at closing of the transfer of title to a Lot and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in two or more installments. Unless the Board otherwise provides, the Base Assessment and any Neighborhood Assessment shall be due and payable in advance on the first day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his Lot, the Board may require any unpaid installments of all outstanding assessments to be paid in full immediately.

No Owner shall be exempt from liability for assessments by non-use of Common Area, abandonment of a Lot, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with the Declarant or other entities for payment of Common Expenses.

8.2. Declarant's Obligation for Assessments. During the Class "B" Control Period, Declarant may annually elect either to pay the lesser of the regular assessments on all of its unsold Lots or to pay the difference between the amount of assessments levied on all other Lots subject to assessment and the amount of actual expenditures by the Association during the fiscal year. Unless the Declarant otherwise notifies the Board in writing at least 60 days before the beginning of each fiscal year, the Declarant shall be deemed to have elected to continue paying on the same basis as during the immediately preceding fiscal year. The Declarant's obligations hereunder may be satisfied in the form of cash or by "in kind" contributions of services or materials, or by a combination of these. After termination of the Class "B" Control Period, the Declarant shall pay assessments on its unsold Lots in the same manner as any other Owner.

8.3. Computation of Base Assessment. At least 60 days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses during the coming year, including a capital contribution to establish a reserve fund in accordance with a budget separately prepared as provided in Section 8.5. Base Assessments shall be levied equally against all Lots and shall be set at a level which is reasonably expected to produce total income for the Association equal to the total budgeted Common Expenses, including reserves. In determining the total funds to be generated through the levy of Base Assessments, the Board, in its discretion, may consider other sources of funds available to the Association, including any surplus from prior years and any assessment income expected to be generated from any additional Lots reasonably anticipated to become subject to assessment during the fiscal year.

So long as the Declarant has the right unilaterally to annex additional property pursuant to Section 7.1, the Declarant may, but shall not be obligated to, reduce the Base Assessment for any fiscal year by payment of a subsidy (in addition to any amounts paid by Declarant under Section 8.2), which may be treated as either a contribution or an advance against future assessments due from the Declarant, or a loan, in the Declarant's discretion. Any such subsidy shall be conspicuously disclosed as a line item in the Common Expense budget and the treatment of such subsidiary shall be made known to the membership. The payment of such subsidy in any year shall under no circumstances obligate the Declarant to continue payment of such subsidy in future years, unless otherwise provided in a written agreement between the Association and the Declarant.

The Board shall send a copy of the budget and notice of the amount of the Base Assessment for the following year to each Owner at least 30 days prior to the beginning of the fiscal year for which it is to be effective. Such budget and assessment shall become effective unless disapproved at a meeting by Voting Members representing at least 75% of the total Class "A" votes in the Association and 75% of the total number of Voting Members, and by the Class "B" Member, if such exists. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Voting Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within 10 days after delivery of the notice of assessments.

If the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then until such time as a budget is determined the budget in effect for the immediately preceding year shall continue for the current year.

8.4. Failure to Assess. Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay Base Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

8.5. Reserve Budget and Capital Contribution. The Board shall annually prepare reserve budgets which take into account the number and nature of replaceable assets within the Area of Common Responsibility, the expected life of each asset, and the expected repair or replacement cost. The Board shall set the required capital contribution in an amount sufficient to permit meeting the projected needs of the Association, as shown on the budget, with respect both to amount and timing by annual Base Assessments over the budget period.

8.6. Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Except as otherwise specifically provided in this Declaration, any Special Assessment shall require the affirmative vote or written consent of Voting Members

representing at least 51% of the total votes allocated to Lots which will be subject to such Special Assessment, and the affirmative vote or written consent of the Class "B" Member, if such exists. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

8.7. Specific Assessments. The Association shall have the power to levy Specific Assessments against a particular Lot as follows:

(a) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Lot or occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners and occupants (which might include, without limitation, landscape maintenance, janitorial service, pest control, etc.), which assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Owner; and

(b) to cover costs incurred in bringing the Lot into compliance with the terms of this Declaration, any applicable Supplemental Declaration, the By-Laws or rules, or costs incurred as a consequence of the conduct of the Owner or occupants of the Lot, their agents, contractors, employees, licensees, invitees, or guests; provided, the Board shall give the Lot Owner prior written notice and an opportunity for a hearing, in accordance with Section 3.24 of the By-Laws, before levying any Specific Assessment under this subsection (b)

8.8. Lien for Assessments. The Association shall have a lien against each Lot to secure payment of delinquent assessments, as well as interest, late charges (subject to the limitations of Louisiana law), and costs of collection (including attorneys fees). Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien, when delinquent, may be enforced by suit, judgment, and judicial or nonjudicial foreclosure.

The Association may bid for the Lot at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Lot. While a Lot is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Lot shall be charged, in addition to its usual assessment, its pro rata share of the assessment that would have been charged such Lot had it not been acquired by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any subsequent assessments. However, the sale or transfer of any Lot pursuant to foreclosure of the first Mortgage

shall extinguish the lien as to any installments of such assessments due prior to such sale or transfer. A Mortgagee or other purchaser of a Lot who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Lot due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Lots subject to assessment under Section 8.9, including such acquirer, its successors and assigns.

8.9. Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each Lot on the first day of the month following: (a) the month in which the Lot is conveyed from the Declarant to a Builder or Owner other than the Declarant, or (b) the month in which the Board first determines a budget and levies assessments pursuant to this Article, whichever is later. The first annual Base Assessment levied on each Lot shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Lot.

8.10. Exempt Property. The following property shall be exempt from payment of Base Assessments and Special Assessments:

(a) All Common Area and such portions of the property owned by the Declarant as are included in the Area of Common Responsibility pursuant to Section 5.1; and

(b) Any property dedicated to and accepted by any governmental authority or public utility; and

8.11. Capitalization of Association. Upon acquisition of record title to a Lot by the first Owner thereof other than the Declarant or a Builder, a contribution shall be made by or on behalf of the purchaser to the working capital of the Association in an amount of \$50.00 per Lot for that year. This amount shall be in addition to, not in lieu of, the annual Base Assessment and shall not be considered an advance payment of such assessment. This amount shall be deposited into the purchase and sales escrow and disbursed therefrom to the Association for use in covering operating expenses and other expenses incurred by the Association pursuant to this Declaration and the By-Laws.

## Article IX ARCHITECTURAL STANDARDS

9.1. General. No structure shall be placed, erected, or installed upon any Lot, and no improvements (including staking, clearing, excavation, grading and other site work, exterior alteration of existing improvements, and planting or removal of landscaping materials) shall take place except in compliance with this Article, and approval of the appropriate committee under Section 9.2. Notwithstanding this, the Board may exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution.

Any Owner may remodel, paint or redecorate the interior of structures on his Lot without approval. However, modifications to the interior of screened porches, patios, and similar portions of a Lot visible from outside the structures on the Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

All dwellings constructed on any portion of the Properties shall be designed by and built in accordance with the plans and specifications of a architect or building designer duly qualified and licensed under Louisiana law. All dwellings constructed on the property described on Exhibit "A" shall conform to the requirements for minimum living area for residences set forth on Exhibit "C." All dwellings constructed on such portions of the property described on Exhibit "B," which may be submitted to this Declaration, shall conform to the requirements for minimum living area for residences set forth in the Supplemental Declaration which submits such property to this Declaration.

This Article shall not apply to the activities of the Declarant, nor to improvements to the Common Area by or on behalf of the Association.

This Article may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to this Declaration or subject to annexation to this Declaration.

9.2. Architectural Review. Responsibility for administration of the Design Guidelines and review of all applications for construction and modifications under this Article shall be handled by the two committees described in subsections (a) and (b) below. The members of the Committees need not be Members of the Association or representatives of Members, and may, but need not, include architects, engineers or similar professionals, whose compensation, if any, shall be established from time to time by the Board. The Board may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred by the committees in having any application reviewed by architects, engineers or other professionals.

(a) New Construction Committee. The Barkley Estates New Construction Committee shall consist of at least three, but not more than five, persons and shall have exclusive jurisdiction over all original construction on any portion of the Properties. Until 100% of the Properties have been developed and conveyed to Owners other than Builders, the Declarant retains the right to appoint all members of the Barkley Estates New Construction Committee who shall serve at the Declarant's discretion. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration of such right, the Board may, at its option, either appoint the members of the Barkley Estates New Construction Committee, who shall thereafter serve and may be removed in the Board's discretion, or combine the Barkley Estates New Construction Committee and the Barkley Estates Modifications Committee

(hereafter defined) into a single architectural review committee which shall assume all powers and responsibilities of both committees under this Declaration.

(b) Modifications Committee. The Board of Directors may establish a Barkley Estates Modifications Committee to consist of at least three and no more than five persons, all of whom shall be appointed by and shall serve at the discretion of the Board. The Barkley Estates Modifications Committee, if established, shall have jurisdiction over modifications, additions, or alterations made on or to existing structures on Lots or containing Lots and the adjacent open space. The Barkley Estates New Construction Committee shall have the right to veto any action taken by the Barkley Estates Modifications Committee which the Barkley Estates New Construction Committee determines, in its sole discretion, to be inconsistent with the guidelines promulgated by the Barkley Estates New Construction Committee.

### 9.3. Guidelines and Procedures.

(a) Design Guidelines. The Declarant shall prepare the initial Design Guidelines for the Properties. The Design Guidelines may contain general provisions applicable to all of the Properties, as well as specific provisions which vary according to land use and from one portion of the Properties to another depending upon the location, unique characteristics, and intended use. The Design Guidelines are intended to provide guidance to Owners and Builders regarding matters of particular concern to the committees in considering applications hereunder. The Design Guidelines are not the exclusive basis for decisions of the committees and compliance with the Design Guidelines does not guarantee approval of any application.

All Owners of Lots are given notice that the construction of dwellings and improvement of Lots is limited and governed by the Design Guidelines as such may be amended, expanded and otherwise modified hereunder. Each Owner, by acceptance of a deed, acknowledges and agrees that the construction, improvement and marketability of his or her Lot can be affected and that the Design Guidelines may change from time to time.

The Barkley Estates New Construction Committee shall adopt such Design Guidelines at its initial organizational meeting and thereafter shall have sole and full authority to amend them. Any amendments to the Design Guidelines shall be prospective only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Design Guidelines; the Barkley Estates New Construction Committee is expressly authorized to amend the Design Guidelines to remove requirements previously imposed or otherwise to make the Design Guidelines less restrictive. The Barkley Estates New Construction Committee shall make the Design Guidelines available to Owners and Builders who seek to engage in development or construction within the Properties.

The Barkley Estates Modifications Committee may promulgate detailed procedures and standards governing its area of responsibility, consistent with those set forth in the Design Guidelines and subject to review and approval or

disapproval by the Barkley Estates New Construction Committee. Any architectural guidelines and standards adopted by the Board or Barkley Estates Modifications Committee may be more restrictive than the Design Guidelines, but under no circumstances shall they be inconsistent with the Design Guidelines.

(b) Procedures. Plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures and improvements shall be submitted to the appropriate committee for review and approval (or disapproval). In addition, information concerning irrigation systems, drainage, lighting, landscaping and other features of proposed construction shall be submitted in accordance with the Design Guidelines, or as applicable. Such plans and specifications shall be in such form and shall contain such information as may be reasonably required by the appropriate committee pursuant to the Design Guidelines, including, without being limited to:

(i) a site plan showing the location of all existing trees, proposed and existing structures on the Lot, including building setbacks, open space, driveways, walkways and parking spaces, including the number thereof and all siltation and erosion control measures;

(ii) a foundation plan;

(iii) a floor plan;

(iv) exterior elevations of all proposed structures and alterations to existing structures, as such structures will appear after all back-filling and landscaping are completed; and

(v) building materials, color scheme, lighting scheme and other details affecting the exterior appearance of all proposed structures and alterations to existing structures.

In reviewing each submission, the committees may consider the quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, topography, and finish grade elevation, among other things. Decisions of the committees may be based on purely aesthetic considerations. Each Owner acknowledges that opinions on aesthetic matters are subjective and may vary as committee members change over time.

In the event that the Barkley Estates New Construction Committee or Barkley Estates Modifications Committee fails to approve or to disapprove any application within 30 days after submission of all information and materials reasonably requested, the application shall be deemed approved. However, no approval, whether expressly granted or deemed granted pursuant to the foregoing, shall be inconsistent with the Design Guidelines unless a variance has been granted in writing by the Barkley Estates New Construction Committee pursuant to Section 9.5.

9.4. No Waiver of Future Approvals. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

9.5. Variance. The Barkley Estates New Construction Committee may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) estop the Barkley Estates New Construction Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

9.6. Limitation of Liability. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only and neither the Barkley Estates New Construction Committee nor the Barkley Estates Modifications Committee shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither the Declarant, the Association, the Board, any committee, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Lot. In all matters, the committees and their members shall be defended and indemnified by the Association as provided in Section 4.6.

9.7. Enforcement. Any structure or improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the Board or the Declarant, Owners shall, at their own cost and expense, remove such structure or improvement and restore the property to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, the Board or its designees shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as previously existed. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the benefitted Lot and collected as a Specific Assessment.

Unless otherwise specified in writing by the committee granting approval, all approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Lot, unless approval to modify any application has been obtained. In the event that any Person fails to commence and diligently pursue to completion all approved work, the Association shall be authorized, after notice to the Owner of the Lot and an opportunity to be

heard in accordance with Section 3.24 of the By-Laws, to enter upon the Lot and remove or complete any incomplete work and to assess all costs incurred against the Lot and the Owner thereof as a Specific Assessment.

Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Design Guidelines may be excluded by the Board from the Properties, subject to the notice and hearing procedures contained in the By-Laws. In such event, neither the Association, its officers, or directors shall be held liable to any Person for exercising the rights granted by this paragraph.

In addition to the foregoing, the Association shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the Barkley Estates New Construction Committee and Barkley Estates Modifications Committee.

## **Article X** **USE RESTRICTIONS AND RULES**

10.1. Plan of Development; Applicability; Effect. Declarant has established a general plan of development for the Properties as a planned community in order to enhance all Owners' quality of life and collective interests, the aesthetics and environment within the Properties, and the vitality of and sense of community within the Properties, all subject to the Board's and the Members' ability to respond to changes in circumstances, conditions, needs, and desires within the planned community and to regulate and control the Area of Common Responsibility. The Properties are subject to the land development, architectural, and design provisions set forth in Article IX, the other provisions of this Declaration governing individual conduct and uses of or actions upon the Properties, and the guidelines, rules and restrictions promulgated pursuant to this Declaration, all of which establish affirmative and negative covenants, easements, and restrictions on the land subject to this Declaration.

All provisions of this Declaration and any Association rules shall apply to all Owners, occupants, tenants, guests and invitees of any Lot. Any lease on any Lot shall provide that the lessee and all occupants of the leased Lot shall be bound by the terms of this Declaration, the By-Laws, and the rules of the Association.

10.2. Authority to Promulgate Use Restrictions and Rules. Initial use restrictions applicable to all of the Properties are attached as Exhibit "D" to this Declaration. Subject to the terms of this Article, such initial use restrictions may be modified in whole or in part, repealed or expanded as follows:

(a) Subject to the Board's duty to exercise sound business judgment and reasonableness on behalf of the Association and its Members, the Board may adopt rules which modify, cancel, limit, create exceptions to, or expand the initial use restrictions set forth on Exhibit "D." The Board shall send notice by mail to all Owners concerning any such proposed action at least

five business days prior to the Board meeting at which such action is to be considered. Voting Members shall have a reasonable opportunity to be heard at a Board meeting prior to such action being taken.

Such action shall become effective unless disapproved at a meeting by Voting Members representing at least 66% of the total Class "A" votes and by the Class "B" Member, if any. The Board shall have no obligation to call a meeting of the Voting Members to consider disapproval except upon petition of the Voting Members as required for special meetings in the By-Laws.

(b) Alternatively, the Voting Members, at a meeting duly called for such purpose as provided in the By-Laws, may adopt rules which modify, cancel, limit, create exceptions to, or expand the use restrictions and rules previously adopted by a vote of Voting Members representing 66% of the total Class "A" votes and the approval of the Class "B" Member, if any.

(c) At least 30 days prior to the effective date of any action taken under subsections (a) or (b) of this Section, the Board shall send a copy of the rule to each Owner. The Association shall provide, without cost, a copy of the use restrictions and rules then in effect (hereafter the "Use Restrictions and Rules") to any requesting Member or Mortgagee.

(d) Nothing in this Article shall authorize the Board or the Voting Members to modify, repeal or expand the Design Guidelines. In the event of a conflict between the Design Guidelines and the Use Restrictions and Rules, the Design Guidelines shall control.

10.3. Owners' Acknowledgment. All Owners and occupants of Lots are given notice that use of their Lots is limited by the Use Restrictions and Rules as they may be amended, expanded and otherwise modified hereunder. Each Owner, by acceptance of a deed, acknowledges and agrees that the use and enjoyment and marketability of his or her Lot can be affected and that the Use Restrictions and Rules may change from time to time.

10.4. Rights of Owners. Except as may be specifically set forth in this Declaration (either initially or by amendment) or in Exhibit "D," neither the Board nor the Voting Members may adopt any rule in violation of the following provisions:

(a) Equal Treatment. Similarly situated Owners and occupants shall be treated similarly.

(b) Speech. The rights of Owners and occupants to exercise free speech in or on their Lots shall not be abridged, except that the Association may adopt time, place, and manner restrictions (including design criteria) for the purpose of minimizing damage and disturbance to other Owners and occupants of Lots.

(c) Religious and Holiday Displays. The rights of Owners to display religious and holiday signs, symbols, and decorations inside structures on their Lots of the kinds normally displayed in residences located

in single-family residential neighborhoods shall not be abridged, except that the Association may adopt reasonable time, place, and manner restrictions for the purpose of minimizing damage and disturbance to other Owners and occupants.

(d) Household Composition. No rule shall interfere with the freedom of occupants of Lots to determine the composition of their households, except that the Association shall have the power to require that all occupants be members of a single housekeeping unit and to limit the total number of occupants permitted in each Lot on the basis of the size and facilities of the Lot and its fair use of the Common Area.

(e) Activities Within Dwellings. No rule shall interfere with the activities carried on within the confines of dwellings, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Lots, that generate excessive noise or traffic, that create unsightly conditions visible outside the dwelling, or that create an unreasonable source of annoyance.

(f) Allocation of Burdens and Benefits. No rule shall alter the allocation of financial burdens among the various Lots or rights to use the Common Area to the detriment of any Owner over that Owner's objection expressed in writing to the Association. Nothing in this provision shall prevent the Association from changing the Common Areas available, from adopting generally applicable rules for use of Common Area, or from denying use privileges to those who abuse the Common Area, violate rules or this Declaration, or fail to pay assessments. This provision does not affect the right to increase the amount of assessments as provided in Article VIII.

(g) Alienation. No rule shall prohibit leasing or transfer of any Lot, or require consent of the Association or Board for leasing or transfer of any Lot, subject to Section 4 of Exhibit "D." The Association may require that Owners use lease forms approved by the Association, but shall not impose any fee on the lease or transfer of any Lot greater than an amount reasonably based on the costs to the Association of its costs to administer that lease or transfer.

(h) Reasonable Rights to Develop. No rule or action by the Association or Board shall unreasonably impede the Declarant's right to develop the Properties.

(i) Abridging Existing Rights. If any rule would otherwise require Owners or occupants of Lots to dispose of personal property which they maintained in or on the Lot prior to the effective date of such rule, or to vacate a Lot in which they resided prior to the effective date of such rule, and such property was maintained or such occupancy was in compliance with this Declaration and all rules previously in force, such rule shall not apply to any such Owners without their written consent unless the rule was in effect at the time such Owners or occupants acquired their interest in the Lot.

The limitations in this Section 10.4 shall apply to rules only; they shall not apply to amendments to this Declaration adopted in accordance with Section 16.2.

## **Article XI** **EASEMENTS**

11.1. Easements to Serve Additional Property. There is hereby reserved to the Declarant, so long as the Declarant owns any property described on Exhibit "A" or "B" of this Declaration, the non-exclusive right and power to grant such specific easements as may be necessary, in the sole discretion of Declarant, in connection with the orderly development of any property described on Exhibits "A" or "B." The Declarant hereby reserves for itself and its duly authorized agents, representatives, and employees, successors, assigns, licensees, and mortgagees, an easement over the Common Area for the purposes of enjoyment, use, access, and development of the property described in Exhibit "B," whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for construction of roads and for connecting and installing utilities on such property. Declarant agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Area as a result of vehicular traffic connected with development of such property. Declarant further agrees that if the easement is exercised for permanent access to such property and such property or any portion thereof benefitting from such easement is not made subject to this Declaration, the Declarant, its successors or assigns shall enter into a reasonable agreement with the Association to share the cost of any maintenance which the Association provides to or along any roadway providing access to such Property.

11.2. Right of Entry. The Association shall have an easement and the right, but not the obligation, to enter upon any Lot for emergency, security, and safety reasons, to perform maintenance pursuant to Article V hereof, and to inspect for the purpose of ensuring compliance with this Declaration, any Supplemental Declaration, By-Laws, and rules. Such right may be exercised by any member of the Board, the Association's officers, agents, employees, and managers, the members of the Barkley Estates New Construction Committee and the Barkley Estates Modifications Committee pursuant to Article IX, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right, but not the obligation, of the Association to enter upon any Lot to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Board, but shall not authorize entry into any single family detached dwelling without permission of the Owner, except by emergency personnel acting in their official capacities.

**Article XII**  
**MORTGAGEE PROVISIONS**

12.1. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to, or a taking of the Common Area.

12.2. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

12.3. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within 30 days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

**Article XIII**  
**DECLARANT'S RIGHTS**

Any or all of the special rights and obligations of the Declarant set forth in this Declaration or the By-Laws may be transferred in whole or in part to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which the Declarant has under this Declaration or the By-Laws. No such transfer or assignment shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the Public Records.

The Declarant may maintain and carry on upon portions of the Common Area such facilities and activities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the construction or sale of Lots, including, but not limited to, business offices, signs, model units, and sales offices. The Declarant shall have easements for access to and use of such facilities.

The Declarant and its employees, agents and designees shall also have a right and easement over and upon all of the Common Area for the purpose of making, constructing and installing such improvements to the Common Area as it deems appropriate in its sole discretion.

No Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records.

Notwithstanding any contrary provision of this Declaration, no amendment to or modification of any Use Restrictions and Rules or Design Guidelines made after termination of the Class "B" Control Period shall be effective without prior notice to and the written approval of Declarant so long as the Declarant owns any portion of the Properties primarily for development and sale.

The Declarant, acting in its sole and absolute discretion, retains the right, but not the obligation, as long as it owns any property described in Exhibit "A" or "B," to establish separately developed residential, recreational and amenity areas within the Properties, to designate portions of the Common Area for the exclusive use of one or more, but less than all, Neighborhoods ("Exclusive Common Areas") and to designate groups of Owners to vote on separate slates for the election of representatives to the Board. Every Lot situated within a designated Neighborhood may be subjected to additional covenants, conditions, easements, restrictions, and additional assessments for services provided to Lots within such designated Neighborhood. Neighborhood assessments, if any, shall be subject to the lien provisions for Base Assessments provided in Article VIII. Every Lot situated within a designated Neighborhood may be subjected to assessments for premiums for insurance on Exclusive Common Areas.

This Article may not be amended without the written consent of the Declarant. The rights contained in this Article shall terminate upon the earlier of (a) 40 years from the date this Declaration is recorded, or (b) upon recording by Declarant of a written statement that all sales activity has ceased.

#### **Article XIV** **DISPUTE RESOLUTION AND LIMITATION ON LITIGATION**

14.1. Agreement to Avoid Costs of Litigation and to Limit Right to Litigate Disputes. The Association, Declarant, all Persons subject to this Declaration, and any Person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes involving the Properties, in order to avoid the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that all claims, grievances or disputes between such Bound Party and any other Bound Party involving the Properties, including, without limitation, claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of this Declaration, the By-Laws, the Association rules, or the Articles (collectively "Claim"), except for those Claims authorized in Section 14.2, shall be resolved using the procedures set forth in Section 14.3 in lieu of filing suit in any court or initiating proceedings before any administrative tribunal seeking redress or resolution of such Claim.

14.2. Exempt Claims. The following Claims ("Exempt Claims") shall be exempt from the provisions of Section 14.3:

(a) any suit by the Association against any Bound Party to enforce the provisions of Article VIII (Assessments);

(b) any suit by the Association to obtain a temporary restraining order (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of Article IX (Architectural Standards) and Article X (Use Restrictions and Rules);

(c) any suit between Owners (other than Declarant) seeking redress on the basis of a Claim which would constitute a cause of action under federal law or the laws of the State of Louisiana in the absence of a claim based on the Declaration, By-Laws, Articles or rules of the Association, if the amount in controversy exceeds \$5,000.00;

(d) any suit arising out of any written contract between Owners, or between the Declarant and any Builder, which would constitute a cause of action under the laws of the State of Louisiana in the absence of the Declaration, By-Laws, and Articles of the Association; and

(e) any suit in which all parties are not Bound Parties.

Any Bound Party having an Exempt Claim may submit it to the alternative dispute resolution procedures set forth in Section 14.3, but there shall be no obligation to do so. The submission of an Exempt Claim involving the Association to the alternative dispute resolution procedures of Section 14.3 shall require the approval of the Association.

14.3. Mandatory Procedures for All Other Claims. All Claims other than Exempt Claims shall be resolved using the following procedures:

(a) Notice. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent"), other than an Exempt Claim, shall notify each Respondent in writing of the Claim (the "Notice"), stating plainly and concisely:

1. the nature of the Claim, including date, time, location, persons involved, and Respondent's role in the Claim;

2. the basis of the Claim (i.e., the provisions of this Declaration, the By-Laws, the Articles or rules or other authority out of which the Claim arises);

3. what Claimant wants Respondent to do or not do to resolve the Claim; and

4. that Claimant wishes to resolve the Claim by mutual agreement with Respondent and is willing to meet in person with Respondent at a mutually agreeable time and place to discuss in good faith ways to resolve the Claim.

(b) Negotiation.

1. Each Claimant and Respondent (the "Parties") shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation.

2. Upon receipt of a written request from any Party, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in resolving the dispute by negotiation, if in its discretion it believes its efforts will be beneficial to the Parties and to the welfare of the community.

(c) Mediation.

1. If the Parties do not resolve the Claim through negotiation within 30 days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have 30 additional days within which to submit the Claim to mediation under the auspices of any independent dispute resolution center designated by the Association for such purpose, or other such agency providing similar services in the metropolitan New Orleans area upon which the Parties may mutually agree.

2. If Claimant does not submit the Claim to mediation within 30 days after Termination of Negotiations, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to Persons not a Party to the foregoing proceedings.

3. If the Parties do not settle the Claim within 30 days after submission of the matter to the mediation process, or within such time as determined reasonable or appropriate by the mediator, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth when and where the Parties met, that the Parties are at an impasse, and the date that mediation was terminated.

4. Each Party shall, within five days of the Termination of Mediation, make a written offer of settlement in an effort to resolve the Claim. The Claimant shall make a final written settlement demand ("Settlement Demand") to the Respondent. The Respondent shall make a final written settlement offer ("Settlement Offer") to the Claimant. If the Claimant fails to make a Settlement Demand, Claimant's original Notice shall constitute the Settlement Demand. If the Respondent fails to make a Settlement Offer, Respondent shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

(d) Final and Binding Arbitration.

1. If the Parties do not agree in writing to accept either the Settlement Demand, the Settlement Offer, or otherwise resolve the Claim within 15 days of the Termination of Mediation, the Claimant shall have 15 additional days to submit the Claim to arbitration in accordance with the Rules of Arbitration contained in Exhibit "E" or the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability to Claimant arising out of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to Persons not a Party to the foregoing proceedings.

2. This subsection (d) is an agreement of the Bound Parties to arbitrate all Claims except Exempt Claims and is specifically enforceable under the applicable arbitration laws of the State of Louisiana. The arbitration award (the "Award") shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent permitted under the laws of the State of Louisiana.

14.4. Allocation of Costs of Resolving Claims.

(a) Each Party shall bear its own costs incurred prior to and during the proceedings described in Section 14.3 (a), (b) and (c), including the fees of its attorney or other representative. Each Party shall share equally all charges rendered by the mediator(s) pursuant to Section 14.3(c).

(b) Each Party shall bear its own costs (including the fees of its attorney or other representative) incurred after the Termination of Mediation under Section 14.3(c) and shall share equally in the costs of conducting the arbitration proceeding (collectively, "Post Mediation Costs"), except as otherwise provided in subsection 14.4(c).

(c) Any Award which is equal to or more favorable to Claimant than Claimant's Settlement Demand shall add such Claimant's Post Mediation Costs to the Award, such Costs to be borne equally by all Respondents. Any Award which is equal to or less favorable to Claimant than Respondent's Settlement Offer to that Claimant shall also award to such Respondent its Post Mediation Costs, such Costs to be borne by all such Claimants.

14.5. Enforcement of Resolution. If the Parties agree to a resolution of any Claim through negotiation or mediation in accordance with Section 14.3 and any Party thereafter fails to abide by the terms of such agreement, or if the Parties agree to accept the Award following arbitration and any Party thereafter fails to comply with such Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth in Section 14.3. In such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys fees and court costs.

**Article XV**  
**GENERAL PROVISIONS**

15.1. Duration. Unless otherwise provided by Louisiana law, in which case such law shall control, this Declaration shall be effective for 25 years from the date it is recorded in the Public Records, and it shall be automatically renewed for successive periods of ten years; provided it may be terminated at the end of 25 years or any successive ten year period by an instrument signed by Owners of at least 75% of the total Lots within the Properties and by the Declarant, if the Declarant owns any portion of the

Properties, which instrument is recorded in the Public Records. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement.

15.2. Amendment.

(a) By Declarant. In addition to specific amendment rights granted elsewhere in this Declaration, until conveyance of the first Lot to a Person other than a Builder, Declarant may unilaterally amend this Declaration for any purpose. Thereafter, the Declarant may unilaterally amend this Declaration if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statutes, rule, regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on the Lots; (iv) to enable any reputable private insurance company to insure mortgage loans on the Lots; or (v) to satisfy the requirements of any local, state or federal governmental agency. However, any such amendment shall not adversely affect the title to any Lot unless the Owner shall consent in writing. In addition, so long as the Declarant owns property described in Exhibits "A" or "B" for development as part of the Properties, it may unilaterally amend this Declaration for any other purpose, provided the amendment has no material adverse effect upon any right of any Owner.

(b) By Members. Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Voting Members representing 75% of the total Class "A" votes in the Association, including 75% of the Class "A" votes held by Members other than the Declarant, and the consent of the Declarant, so long as the Declarant has an option to subject additional property to this Declaration pursuant to Section 7.1.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) Validity and Effective Date. No amendment may remove, revoke, or modify any right or privilege of the Declarant or the Class "B" Member without the written consent of the Declarant or the Class "B" Member, respectively (or the assignee of such right or privilege).

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Any amendment shall become effective upon recording in the Public Records, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six months of its

recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

15.3. Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order shall in no way affect other provisions or applications.

15.4. Litigation. Except as provided below, no judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of 75% of the Voting Members. A Voting Member shall not vote in favor of bringing or prosecuting any such proceeding unless authorized to do so by a vote of Owners holding 75% of the total votes attributable to Lots in the Neighborhood represented by the Voting Member. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article VIII; (c) proceedings involving challenges to ad valorem taxation; or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above. This Section shall apply in addition to the provisions of Article XIV, if applicable.

15.5. Cumulative Effect; Conflict. The provisions of this Declaration shall be cumulative with any additional covenants, restrictions, and declarations applicable to the Properties. In the event of a conflict between this Declaration and such covenants or restrictions, this Declaration, the By-Laws, Articles, and Use Restrictions and Rules of the Association shall prevail. The foregoing priorities shall apply, but not be limited to, the lien for assessments created in favor of the Association. Nothing in this Section shall preclude any Supplemental Declaration or other recorded declaration, covenants and restrictions applicable to any portion of the Properties from containing additional restrictions or provisions which are more restrictive than the provisions of this Declaration, and the Association shall have the standing and authority to enforce the same.

15.6. Use of the Words "Barkley Estates". No Person shall use the words "Barkley Estates" or any derivative in any printed or promotional material without the Declarant's prior written consent. However, Owners may use the terms "Barkley Estates" in printed or promotional matter where such term is used solely to specify that particular property located within Barkley Estates and the Association shall be entitled to use the words "Barkley Estates" in its name.

15.7. Compliance. Every Owner and occupant of any Lot shall comply with this Declaration, any applicable Supplemental Declaration, the By-Laws, and the Use Restrictions and Rules promulgated pursuant to Article X. Subject to the terms of Article XIV, failure to comply shall be grounds for an action by the Association or, in a proper case, by any aggrieved Lot Owner(s) to recover sums due, for damages or injunctive relief, or for any other remedy

available at law or in equity, in addition to those enforcement powers granted to the Association in Section 4.3.

15.8. Notice of Sale or Transfer of Title. Any Owner desiring to sell or otherwise transfer title to his or her Lot shall give the Board at least seven days' prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The transferor shall continue to be jointly, severally and in solido responsible with the transferee for all obligations of the Owner of the Lot, including assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

15.9. Exhibits. Exhibits "A," "B," "C," and "E" attached to this Declaration are incorporated by this reference and amendment of such exhibits shall be governed by the provisions of Section 15.2. All other exhibits are attached for informational purposes and may be amended as provided therein or in the provisions of this Declaration which refer to such exhibits.

### Rules of Arbitration

1. Claimant shall submit a Claim to arbitration under these Rules by giving written notice to all other Parties stating plainly and concisely the nature of the Claim, the remedy sought and Claimant's desire to submit the Claim to arbitration ("Arbitration Notice").

2. Each Party shall select an arbitrator ("Party Appointed Arbitrator"). The Party Appointed Arbitrators shall, by agreement, select one or two neutral arbitrators ("Neutral(s)") so that the total arbitration panel ("Panel") has an odd number of arbitrators. If any Party fails to appoint a Party Appointed Arbitrator within 20 days from the date of the Arbitration Notice, the remaining arbitrators shall conduct the proceedings, selecting a Neutral in place of any missing Party Appointed Arbitrator. The Neutral arbitrator(s) shall select a chairperson ("Chair").

3. If the Panel is not selected under Rule 2 within 45 days from the date of the Arbitration Notice, Claimant may notify the Louisiana chapter of The Community Associations Institute, which shall appoint one Neutral ("Appointed Neutral"), notifying the Appointed Neutral and all Parties in writing of such appointment. The Appointed Neutral shall thereafter be the sole arbitrator ("Arbitrator"), and any Party Appointed Arbitrators or their designees shall have no further duties involving the arbitration proceedings.

4. No person may serve as a Neutral in any arbitration under these Rules in which that person has any financial or personal interest in the result of the arbitration. Any person designated as a Neutral shall immediately disclose in writing to all Parties any circumstance likely to affect impartiality, including any bias or financial or personal interest in the outcome of the arbitration ("Bias Disclosure"). If any Party objects to the service of any Neutral after receipt of that Neutral's Bias Disclosure, such Neutral shall be replaced in the same manner in which that Neutral was selected.

5. The Arbitrator or Chair, as the case may be ("Arbitrator") shall fix the date, time and place for the hearing. The place of the hearing shall be within the Properties unless otherwise agreed by the Parties.

6. Any Party may be represented by an attorney or other authorized representative throughout the arbitration proceedings.

7. All persons who, in the judgment of the Arbitrator, have a direct interest in the arbitration are entitled to attend hearings.

8. There shall be no stenographic record of the proceedings.

9. The hearing shall be conducted in whatever manner will, in the Arbitrator's judgment, most fairly and expeditiously permit the full presentation of the evidence and arguments of the Parties.

10. The Parties may offer such evidence as is relevant and material to the Claim, and shall produce such additional evidence as the Arbitrator may deem necessary to an understanding and determination of the Claim. The Arbitrator shall be the sole judge of the relevance and materiality of any evidence offered, and conformity to the legal rules of evidence shall not be necessary. The Arbitrator shall be authorized, but not required, to administer oaths to witnesses.

11. The Arbitrator shall declare the hearings closed when satisfied the record is complete.

12. There will be no posthearing briefs.

13. The Award shall be rendered immediately following the close of the hearing, if possible, and no later than 14 days from the close of the hearing, unless otherwise agreed by the Parties. The Award shall be in writing, shall be signed by the Arbitrator and acknowledged before a notary public. If the Arbitrator believes an opinion is necessary, it shall be in summary form.

14. If there is more than one arbitrator, all decisions of the Panel and the Award shall be by majority vote.

15. Each Party agrees to accept as legal delivery of the Award the deposit of a true copy in the mail addressed to that Party or its attorney at the address communicated to the Arbitrator at the hearing.

2.3. Annual Meetings. The first meeting of the Association, whether a regular or special meeting, shall be held within one year from the date of incorporation of the Association. Meetings shall be of the Voting Members. Subsequent regular annual meetings shall be set by the Board so as to occur during the third quarter of the Association's fiscal year on a date and at a time set by the Board.

2.4. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting if so directed by resolution of the Board or upon a petition signed by Voting Members representing at least 25% of the total Class "A" votes of the Association.

2.5. Notice of Meetings. Written or printed notice stating the place, day, and hour of any meeting of the Voting Members shall be delivered, either personally or by mail, to each Voting Member entitled to vote at such meeting, not less than 10 nor more than 60 days before the date of such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting.

In the case of a special meeting or when otherwise required by statute or these By-Laws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

If mailed; the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Voting Member at his address as it appears on the records of the Association, with postage prepaid.

2.6. Waiver of Notice. Waiver of notice of a meeting of the Voting Members shall be deemed the equivalent of proper notice. Any Voting Member may, in writing, waive notice of any meeting of the Voting Members, either before or after such meeting. Attendance at a meeting by a Voting Member shall be deemed waiver by such Voting Member of notice of the time, date, and place thereof, unless such Voting Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting also shall be deemed waiver of notice of all business transacted at such meeting unless an objection on the basis of lack of proper notice is raised before the business is put to a vote.

2.7. Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the Voting Members who are present at such meeting may adjourn the meeting to a time not less than five nor more than 30 days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business may be transacted which might have been transacted at the meeting originally called. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Voting Members in the manner prescribed for regular meetings.

The Voting Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Voting Members to leave less than a quorum, provided that any action taken is approved by at least a majority of the votes required to constitute a quorum.

2.8. Voting. The voting rights of the Members shall be as set forth in the Declaration and in these By-Laws, and such voting rights provisions are specifically incorporated by this reference.

2.9. Proxies. Voting Members may not vote by proxy but only in person or through their designated alternates; provided, however, any Voting Member who is only entitled to cast the vote(s) for his own Lot(s) pursuant to

Section 3.4 of the Declaration may cast such vote in person or by proxy until such time as the Board first calls for election of a Voting Member to represent the Neighborhood of which the Lot is a part. On any matter as to which a Member is entitled to personally cast the vote for his Lot, such vote may be cast in person or by proxy, subject to the limitations of Louisiana law relating to use of general proxies and subject to any specific provision to the contrary in the Declaration or these By-Laws. Every proxy shall be in writing specifying the Lot for which it is given, signed by the Member or his duly authorized attorney-in-fact, dated, and filed with the Secretary of the Association prior to the meeting for which it is to be effective. Unless otherwise specifically provided in the proxy, a proxy shall be presumed to cover all votes which the Member giving such proxy is entitled to cast, and in the event of any conflict between two or more proxies purporting to cover the same voting rights, the later dated proxy shall prevail, or if dated as of the same date, both shall be deemed invalid. Every proxy shall be revocable and shall automatically cease upon conveyance of any Lot for which it was given, upon receipt by the Secretary of written notice of revocation of the proxy or of the death or judicially declared incompetence of a Member who is a natural person, or eleven months from the date of the proxy, unless a shorter period is specified in the proxy.

2.10. Majority. As used in these By-Laws, the term "majority" shall mean those votes, Owners, or other group as the context may indicate totaling more than 50% of the total eligible number.

2.11. Quorum. Except as otherwise provided in these By-Laws or in the Declaration, the presence of Voting Members representing a majority of the total Class "A" votes in the Association shall constitute a quorum at all meetings of the Association.

2.12. Conduct of Meetings. The President shall preside over all meetings of the Association, and the Secretary shall keep the minutes of the meetings and record in a minute book all resolutions adopted and all other transactions occurring at such meetings.

2.13. Action Without a Meeting. Any action required or permitted by law to be taken at a meeting of the Voting Members may be taken without a meeting, without prior notice and without a vote if written consent specifically authorizing the proposed action is signed by all Voting Members entitled to vote thereon. Such consents shall be filed with the minutes of the Association, and shall have the same force and effect as a vote of the Voting Members at a meeting.

### Article III

#### Board of Directors: Number, Powers, Meetings

##### A. Composition and Selection.

3.1. Governing Body: Composition. The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one equal vote. Except with respect to directors appointed by the Class "B" Member, the

directors shall be Members or residents; provided, however, no Owner and resident representing the same Lot may serve on the Board at the same time. A "resident" shall be any natural person 18 years of age or older whose principal residence is a Lot within the Properties. In the case of a Member which is not a natural person, any officer, director, partner or trust officer of such Member shall be eligible to serve as a director unless otherwise specified by written notice to the Association signed by such Member; provided, no Member may have more than one such representative on the Board at a time, except in the case of directors appointed by the Class "B" Member.

3.2. Number of Directors. The Board shall consist of three to seven directors, as provided in Sections 3.3 and 3.5 below. The initial Board shall consist of three directors as identified in the Articles of Incorporation.

3.3. Directors During Class "B" Control Period. Subject to the provisions of Section 3.5, the directors shall be selected by the Class "B" Member acting in its sole discretion and shall serve at the pleasure of the Class "B" Member until the first to occur of the following:

(a) when 75% of the total number of Lots proposed by the Master Plan for the property described on Exhibits "A" and "B" of the Declaration have certificates of occupancy issued thereon and have been conveyed to Persons other than Builders;

(b) December 31, 2014; or

(c) when, in its discretion, the Class "B" Member so determines.

3.4. Nomination and Election Procedures.

(a) Nomination of Directors. Except with respect to directors selected by the Class "B" Member, nominations for election to the Board shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board, and three or more Members or representatives of Members. The Nominating Committee shall be appointed by the Board not less than 30 days prior to each election to serve a term of one year or until their successors are appointed, and such appointment shall be announced at each such election. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine, but in no event less than the number of positions to be filled as provided in Section 3.5 below. Nominations shall also be permitted from the floor. In making its nominations, the Nominating Committee shall use reasonable efforts to nominate candidates representing the diversity which exists within the pool of potential candidates. All candidates shall have a reasonable opportunity to communicate their qualifications to the Members and to solicit votes.

(b) Election Procedures. Each Voting Member shall cast all votes assigned to the Lots in the Neighborhood which it represents for each position to be filled. There shall be no cumulative voting. That number of candidates equal to the number of positions to be filled receiving the greatest number of votes shall be elected. Directors may be elected to serve any number of consecutive terms.

3.5. Election and Term of Office. Notwithstanding any other provision of these By-Laws:

(a) Within 30 days after the time that Class "A" Members other than Builders own 100 Lots subject to the Declaration, or whenever the Class "B" Member earlier determines, the President shall call for an election by which the Voting Members shall be entitled to elect one of the three directors, who shall be an at-large director. The remaining two directors shall be appointees of the Class "B" Member. The director elected by the Voting Members shall not be subject to removal by the Class "B" Member and shall be elected for a term of two years or until the happening of the event described in subsection (b), whichever is shorter. If such director's term expires prior to the happening of the event described in subsection (b), a successor shall be elected for a like term.

(b) Within 30 days after the time that Class "A" Members other than Builders own 200 Lots subject to the Declaration, or whenever the Class "B" Member earlier determines, the Board shall be increased to five directors. The President shall call for an election by which the Voting Members shall be entitled to elect two of the five directors, who shall serve as at-large directors. The remaining three directors shall be appointees of the Class "B" Member. The directors elected by the Voting Members shall not be subject to removal by the Class "B" Member and shall be elected for a term of two years or until the happening of the event described in subsection (c) below, whichever is shorter. If such directors' terms expire prior to the happening of the event described in subsection (c) below, successors shall be elected for a like term.

(c) Within 90 days after termination of the Class "B" Control Period, the President shall call for an election by which the Voting Members shall be entitled to elect three of the five directors, who shall serve as at-large directors. The remaining two directors shall be appointees of the Class "B" Member. The directors elected by the Voting Members shall not be subject to removal by the Class "B" Member and shall serve until the first annual meeting following the termination of the Class "B" Control Period. If such annual meeting is scheduled to occur within 90 days after termination of the Class "B" Control Period, this subsection shall not apply and directors shall be elected in accordance with subsection (d) below.

(d) Not later than the first annual meeting after the termination of the Class "B" Control Period, the Board shall be increased to seven directors and an election shall be held. Six directors shall be elected by the Voting Members. Three directors shall serve a term of two years and three directors shall serve a term of one year, as such directors determine among themselves.

Until termination of the Class "B" membership, the Class "B" Member shall be entitled to appoint one director. Upon termination of the Class "B" membership, the director elected by the Class "B" Member shall resign and the remaining directors shall be entitled to appoint a director to serve until the next annual meeting, at which time the Voting Members shall be entitled to elect a director to fill such position. Such director shall be elected for a term of two years.

Upon the expiration of the term of office of each director elected by the Voting Members, the Voting Members entitled to elect such director shall be entitled to elect a successor to serve a term of two years. The directors elected by the Voting Members shall hold office until their respective successors have been elected.

3.6. Removal of Directors and Vacancies. Any director elected by the Voting Members may be removed, with or without cause, by the vote of Voting Members holding a majority of the votes entitled to be cast for the election of such director. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director, a successor shall be elected by the Voting Members entitled to elect the director so removed to fill the vacancy for the remainder of the term of such director.

Any director elected by the Voting Members who has three consecutive unexcused absences from Board meetings, or who is more than 30 days delinquent in the payment of any assessment or other charge due the Association, may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and the Board may appoint a successor to fill the vacancy for the remainder of the term.

In the event of the death, disability, or resignation of a director, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next annual meeting, at which time the Voting Members may elect a successor for the remainder of the term.

This Section shall not apply to directors appointed by the Class "B" Member nor to any director serving as a representative of the Declarant. The Class "B" Member or the Declarant shall be entitled to appoint a successor to fill any vacancy on the Board resulting from the death, disability or resignation of a director appointed by or elected as a representative of the Class "B" Member or the Declarant.

#### B. Meetings.

3.7. Organizational Meetings. The first meeting of the Board following each annual meeting of the membership shall be held within 10 days thereafter at such time and place the Board shall fix.

3.8. Regular Meetings. Regular meetings of the Board may be held at such time and place a majority of the directors shall determine, but at least four such meetings shall be held during each fiscal year with at least one per quarter. Notice of the time and place of a regular meeting shall be communicated to directors not less than four days prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

3.9. Special Meetings. Special meetings of the Board shall be held when called by the President or Vice President or by any two directors. The notice shall specify the time and place of the meeting and the nature of any

special business to be considered. The notice shall be given to each director by: (a) personal delivery; (b) first class mail, postage prepaid; (c) telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; (d) telegram, charges prepaid; or (e) facsimile communication to the director's office or home. All such notices shall be given at the director's telephone number or sent to the director's address as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four business days before the time set for the meeting. Notices given by personal delivery, telephone, or telegraph shall be delivered, telephoned, or given to the telegraph company at least 72 hours before the time set for the meeting.

3.10. Waiver of Notice. The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting also shall be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.11. Telephonic Participation in Meetings. Members of the Board or any committee designated by the Board may participate in a meeting of the Board or committee by means of conference telephone or similar communications equipment, by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this subsection shall constitute presence in person at such meeting.

3.12. Quorum of Board of Directors. At all meetings of the Board, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board, unless otherwise specifically provided in these By-Laws or the Declaration. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the directors present at such meeting may adjourn the meeting to a time not less than five nor more than 30 days from the date of the original meeting. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

3.13. Compensation. Directors shall not receive any compensation from the Association for acting as such unless approved by Voting Members representing a majority of the total Class "A" votes in the Association at a regular or special meeting of the Association. Any director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other directors. Nothing herein shall prohibit the Association from compensating a director, or any entity with which a director is affiliated,

for services or supplies furnished to the Association in a capacity other than as a director pursuant to a contract or agreement with the Association, provided that such director's interest was made known to the Board prior to entering into such contract and such contract was approved by a majority of the Board of Directors, excluding the interested director.

3.14. Conduct of Meetings. The President shall preside over all meetings of the Board, and the Secretary shall keep a minute book of Board meetings, recording all Board resolutions and all transactions and proceedings occurring at such meetings.

3.15. Open Meetings. Subject to the provisions of Section 3.16, all meetings of the Board shall be open to all Voting Members and, if required by law, all Owners, but attendees other than directors may not participate in any discussion or deliberation unless permission to speak is requested on their behalf by a director. In such case, the President may limit the time any such individual may speak. Notwithstanding the above, the President may adjourn any meeting of the Board and reconvene in executive session, and may exclude persons other than directors, to discuss matters of a sensitive nature, such as pending or threatened litigation, personnel matters, etc.

3.16. Action Without a Formal Meeting. Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by all of the directors, and such consent shall have the same force and effect as a unanimous vote.

#### C. Powers and Duties.

3.17. Powers. The Board of Directors shall have all of the powers and duties necessary for the administration of the Association's affairs and for performing all responsibilities and exercising all rights of the Association as set forth in the Declaration, these By-Laws, the Articles, and as provided by law. The Board may do or cause to be done all acts and things which the Declaration, Articles, these By-Laws, or Louisiana law do not direct to be done and exercised exclusively by the Voting Members or the membership generally.

3.18. Duties. The duties of the Board shall include, without limitation:

(a) preparing and adopting, in accordance with the Declaration, an annual budget, establishing each Owner's share of the Common Expenses and any Neighborhood Expenses;

(b) levying and collecting such assessments from the Owners;

(c) providing for the operation, care, upkeep, and maintenance of the Area of Common Responsibility;

(d) designating, hiring, and dismissing the personnel necessary to carry out the rights and responsibilities of the Association and where

appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies, and materials to be used by such personnel in the performance of their duties;

(e) depositing all funds received on behalf of the Association in a bank depository which it shall approve, and using such funds to operate the Association; provided, any reserve funds may be deposited, in the directors' best business judgment, in depositories other than banks;

(f) making and amending use restrictions and rules in accordance with the Declaration;

(g) opening of bank accounts on behalf of the Association and designating the signatories required;

(h) making or contracting for the making of repairs, additions, and improvements to or alterations of the Common Area in accordance with the Declaration and these By-Laws;

(i) enforcing by legal means the provisions of the Declaration, these By-Laws, and the rules adopted by it and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the Association; provided, the Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board in the exercise of its business judgment determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action;

(j) obtaining and carrying property and liability insurance and fidelity bonds, as provided in the Declaration, paying the cost thereof, and filing and adjusting claims, as appropriate;

(k) paying the cost of all services rendered to the Association;

(l) keeping books with detailed accounts of the receipts and expenditures of the Association;

(m) making available to any prospective purchaser of a Lot, any Owner, and the holders, insurers, and guarantors of any Mortgage on any Lot, current copies of the Declaration, the Articles of Incorporation, the By-Laws, rules and all other books, records, and financial statements of the Association as provided in Section 6.4;

(n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Properties;

(o) indemnifying a director, officer or committee member, or former director, officer or committee member of the Association to the extent such indemnity is required by Louisiana law, the Articles of Incorporation or the Declaration; and

(p) assisting in the resolution of disputes between owners and others without litigation, as set forth in the Declaration.

3.19. Right of Class "B" Member to Disapprove Actions. So long as the Class "B" membership exists, the Class "B" Member shall have a right to disapprove any action, policy or program of the Association, the Board and any committee which, in the sole judgment of the Class "B" Member, would tend to impair rights of the Declarant or Builders under the Declaration or these By-Laws, or interfere with development or construction of any portion of the Properties, or diminish the level of services being provided by the Association.

(a) The Class "B" Member shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, which notice complies as to the Board meetings with Sections 3.8, 3.9, 3.10, and 3.11 and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth with reasonable particularity the agenda to be followed at such meeting; and

(b) The Class "B" Member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program which would be subject to the right of disapproval set forth herein.

No action, policy or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (a) and (b) above have been met.

The Class "B" Member, its representatives or agents shall make its concerns, thoughts, and suggestions known to the Board and/or the members of the subject committee. The Class "B" Member, acting through any officer or director, agent or authorized representative, may exercise its right to disapprove at any time within 10 days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within 10 days following receipt of written notice of the proposed action. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, or the Board or the Association. The Class "B" Member shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

3.20. Management. The Board of Directors may employ for the Association a professional management agent or agents at such compensation as the Board may establish, to perform such duties and services as the Board shall authorize. The Board of Directors may delegate such powers as are

necessary to perform the manager's assigned duties, but shall not delegate policymaking authority or those duties set forth in Sections 3.18(a), 3.18(b), 3.18(f), 3.18(g) and 3.18(i). The Declarant or an affiliate of the Declarant may be employed as managing agent or manager.

The Board of Directors may delegate to one of its members the authority to act on behalf of the Board on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board.

3.21. Accounts and Reports. The following management standards of performance shall be followed unless the Board by resolution specifically determines otherwise:

(a) accrual accounting, as defined by generally accepted accounting principles, shall be employed;

(b) accounting and controls should conform to generally accepted accounting principles;

(c) cash accounts of the Association shall not be commingled with any other accounts;

(d) no remuneration shall be accepted by the managing agent from vendors, independent contractors, or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts, or otherwise; any thing of value received shall benefit the Association;

(e) any financial or other interest which the managing agent may have in any firm providing goods or services to the Association shall be disclosed promptly to the Board of Directors;

(f) commencing at the end of the quarter in which the first Lot is sold and closed, financial reports shall be prepared for the Association at least quarterly containing:

(i) an income statement reflecting all income and expense activity for the preceding period on an accrual basis;

(ii) a statement reflecting all cash receipts and disbursements for the preceding period;

(iii) a variance report reflecting the status of all accounts in an "actual" versus "approved" budget format;

(iv) a balance sheet as of the last day of the preceding period;  
and

(v) a delinquency report listing all Owners who are delinquent in paying any assessments at the time of the report and describing the status

of any action to collect such assessments which remain delinquent (any assessment or installment thereof shall be considered to be delinquent on the 15th day following the due date unless otherwise specified by Board resolution); and

(g) an annual report consisting of at least the following shall be made available to all Members within 90 days after the close of the fiscal year: (1) a balance sheet; (2) an operating (income) statement; and (3) a statement of changes in financial position for the fiscal year. Such annual report shall be prepared on an audited, reviewed, or compiled basis, as the Board determines, by an independent public accountant.

3.22. Borrowing. The Association shall have the power to borrow money for any legal purpose; provided, the Board shall obtain Voting Member approval in the same manner provided in Section 8.6 of the Declaration for Special Assessments if the proposed borrowing is for the purpose of making discretionary capital improvements and the total amount of such borrowing, together with all other debt incurred within the previous 12-month period, exceeds or would exceed 5% of the budgeted gross expenses of the Association for that fiscal year.

3.23. Right to Contract. The Association shall have the right to contract with any Person for the performance of various duties and functions. This right shall include, without limitation, the right to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, and other owners or residents associations, within and outside the Properties; provided, any common management agreement shall require the consent of a majority of the total number of directors of the Association.

3.24. Enforcement. In addition to such other rights as are specifically granted under the Declaration, the Board shall have the power to impose reasonable monetary fines, which shall constitute a lien upon the Lot of the violator, and to suspend an Owner's right to vote for violation of any duty imposed under the Declaration, these By-Laws, or any Association rules. In addition, the Board may suspend any services provided by the Association to an Owner or the Owner's Lot if the Owner is more than 30 days delinquent in paying any assessment or other charges owed to the Association. In the event that any occupant, tenant, employee, guest or invitee of a Lot violates the Declaration, By-Laws, or a rule and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the Declaration, By-Laws, or any rule shall not be deemed a waiver of the right of the Board to do so thereafter.

(a) Notice. Prior to imposition of any sanction hereunder or under the Declaration, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than 10 days within which the alleged violator may present a written request for a hearing to the Board; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is

begun within 10 days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed; provided the Board may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the 10-day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person.

(b) Hearing. If a hearing is requested within the allotted 10-day period, the hearing shall be held before the Board in executive session. The alleged violator shall be afforded a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator or its representative appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed.

(c) Additional Enforcement Rights. Notwithstanding anything to the contrary in this Article, the Board may elect to enforce any provision of the Declaration, these By-Laws, or the rules of the Association by any appropriate means (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules) or, following compliance with the dispute resolution procedures set forth in Article XIV of the Declaration, if applicable, by suit at law or in equity to enjoin any violation or to recover monetary damages or both, without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred. Any entry onto a Lot for purposes of exercising this power of self-help shall not be deemed as trespass.

#### **Article IV** **Officers**

4.1. Officers. The officers of the Association shall be a President, Vice President, Secretary, and Treasurer. The President and Secretary shall be elected from among the members of the Board; other officers may, but need not be members of the Board. The Board may appoint such other officers, including one or more Assistant Secretaries and one or more Assistant Treasurers, as it shall deem desirable, such officers to have such authority and perform such duties as the Board prescribes. Any two or more offices may be held by the same person, except the offices of President and Secretary.

4.2. Election and Term of Office. The Board shall elect the officers of the Association at the first meeting of the Board following each annual meeting of the Voting Members, to serve until their successors are elected.

4.3. Removal and Vacancies. The Board may remove any officer whenever in its judgment the best interests of the Association will be served, and may fill any vacancy in any office arising because of death, resignation, removal, or otherwise, for the unexpired portion of the term.

4.4. Powers and Duties. The officers of the Association shall each have such powers and duties as generally pertain to their respective offices, as well as such powers and duties as may specifically be conferred or imposed by the Board of Directors. The President shall be the chief executive officer of the Association. The Treasurer shall have primary responsibility for the preparation of the budget as provided for in the Declaration and may delegate all or part of the preparation and notification duties to a finance committee, management agent, or both.

4.5. Resignation. Any officer may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

4.6. Agreements, Contracts, Deeds, Leases, Checks, Etc. All agreements, contracts, deeds, leases, checks, and other instruments of the Association shall be executed by at least two officers or by such other person or persons as may be designated by Board resolution.

4.7. Compensation. Compensation of officers shall be subject to the same limitations as compensation of directors under Section 3.13.

#### **Article V** **Committees**

The Board may appoint such committees as it deems appropriate to perform such tasks and to serve for such periods as the Board may designate by resolution. Each committee shall operate in accordance with the terms of such resolution.

#### **Article VI** **Miscellaneous**

6.1. Fiscal Year. The fiscal year of the Association shall be the calendar year unless the Board establishes a different fiscal year by resolution.

**BARKLEY ESTATES**

**BARKLEY ESTATES**  
**DESIGN AND CONSTRUCTION GUIDELINES**  
**AND PROCEDURES**

Throughout the planning and development of Barkley Estates, great care and emphasis has been given to the protection and preservation of the natural landscape comprised of live oaks, water oaks, cypress, maple, and other old growth trees, and to the quality and consistency of design and construction of the residential dwellings to be built in the subdivision. It is Marrero Land's goal to make Barkley Estates one of the finest residential communities in the Greater Metropolitan New Orleans Area, and, in doing so, to protect and enhance property values and the quality of life within the residential community.

To achieve this goal, Marrero Land has crafted and placed of record a Declaration of Covenants, Conditions and Restrictions for Barkley Estates (the "Declaration"), which, among other things, calls for the establishment and implementation of architectural standards to govern the design and construction of residential dwellings and other structures within the subdivision through a committee known as the Barkley Estates New Construction Committee. This committee, working in concert with Marrero Land, has developed certain Design and Construction Guidelines and Procedures (the "Guidelines") and is charged with the responsibility of administering such Guidelines. These Guidelines were crafted to address site design issues, the special landscape potential of the area, excellence in architectural design, and quality in construction materials, and are intended to provide property owners, architects, and contractors, with a set of parameters for the preparation of their plans and specifications.

**BARKLEY ESTATES NEW CONSTRUCTION COMMITTEE**

The Barkley Estates New Construction Committee (the "BENCC"), which is composed of three (3) members initially appointed by the Company, will address all aspects of new construction in Barkley Estates to assure conformance with its Guidelines, and to maintain the high standards for construction of residential dwellings and other structures within the subdivision. In this connection, the BENCC has established a process and procedure for reviewing all individual building and landscape plans for new homes. The BENCC will review all plans and specifications, and, after its review, will either approve such plans and specifications or disapprove, with recommended modifications as needed to meet its requirements. The purpose of this review process is to insure that the proposed residential dwellings and other structures will reflect positively upon and will benefit the site, adjacent areas, and the residential community as a whole.

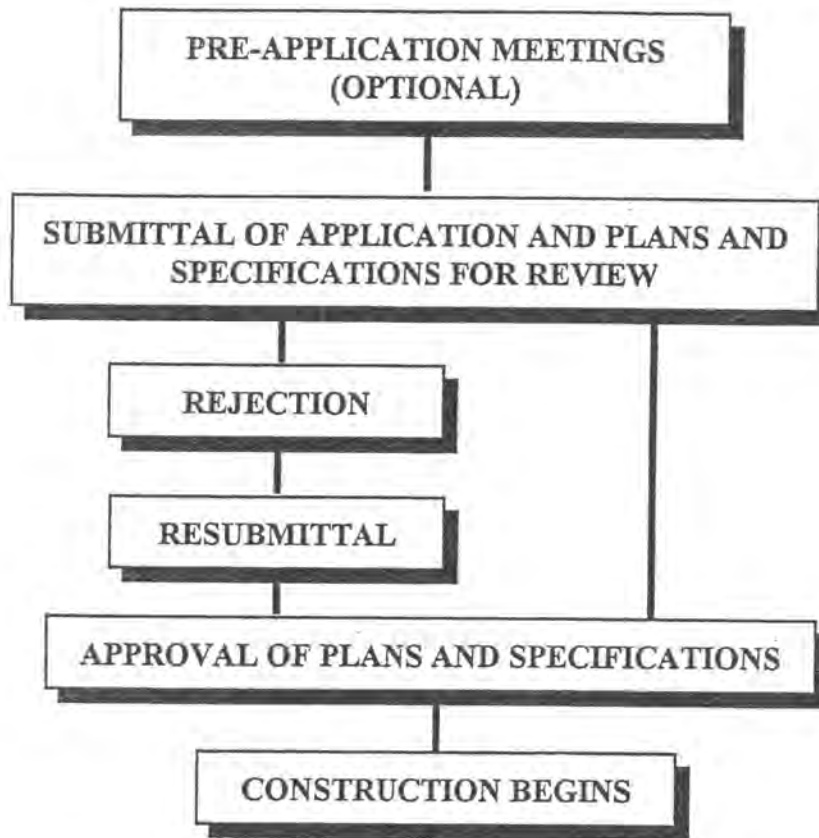

Such plans and specifications shall include, without limitation, the following:

- 1) A Site Plan, with a minimum scale of 1"=20' 0", showing the location of all existing trees which the applicant proposes to remove; the location or "footprint" of the proposed residential dwelling and other structures, including, setback lines, retaining walls, driveways, curbcuts, walkways, fences, pools, patios, landscaping and other improvements.
- 2) The foundation plan and detail sheet, certified by a Licensed Engineer, and in accordance with all laws and regulatory requirements.
- 3) A Floor Plan(s), with a minimum scale of 1/4"=1' 0", including decks, patios, stoops, retaining walls related to the residential dwelling, trash enclosures, HVAC equipment and utilities, and the screening for same, interior spacing of rooms, and connections to driveways and walkways. In the case of a residential dwelling of more than one (1) floor, the Floor Plan should indicate those areas which are open to the second floor or interior roof line.
- 4) Front, rear and side exterior elevations showing building materials and finishes, and indicating the maximum height of the residential dwelling.
- 5) Roof Plan showing slopes, pitches and gables, unless reflected herein above in 1, 2, or 3.
- 6) Exterior color scheme, lighting scheme and other details affecting the exterior appearance of the proposed residential dwelling, and other structures. Furnishing of these details may temporarily be deferred, but must be furnished no later than completion of the framing of the residential dwelling, and other structures.

Each application will be time recorded, and will be approved or disapproved with a notice of required modifications within thirty (30) days from submission. Should the BENCC fail to approve or disapprove any application within the said thirty (30) days, such application shall be deemed approved. In the case of a disapproval and resubmittal, the BENCC shall have an additional ten (10) days from the date of each resubmittal within which to approve or disapprove. Should the BENCC fail to approve or disapprove any resubmittal within each ten (10) day period, such resubmittal will be deemed approved.

The following flow chart reflects the steps required in processing an application for original construction of the residential dwelling and other structures in Barkley Estates:

In its review process, the BENCC may consider the quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, typography, and finish grade elevation, among other things. Decisions of the BENCC may be based on purely aesthetic considerations.

#### GENERAL REQUIREMENTS AND DESIGN GUIDELINES

The following requirements and guidelines will be used by the BENCC in its evaluation of the development of each lot and the construction of the residential dwelling and other structures. If each prospective owner or builder consciously and diligently adheres to the requirements and guidelines outlined below, the BENCC will make every reasonable effort to assist such owner or builder in accomplishing his desired goal. These requirements and design guidelines are as follows:

1. SIZE:

All residential construction shall be limited to thirty-eight (38') feet, in height, from finished slab to peak of roof, or two and one-half stories high. Minimum living area requirements for each residential dwelling are set forth on Exhibit "C" (as revised), Exhibit "C-1", Exhibit "C-2" and Exhibit "C-3" of the Declaration, copies of which are attached hereto for reference.

- a. **Front Setbacks** - Typically a residential dwelling shall be sited no less than twenty-five (25') feet back from the front property line (see Lots A & B in Appendix "A" Diagram). For lots with frontage on both a street and a cul-de-sac, the minimum set back for a residence will be twenty-five (25') feet at the straight portion of the street and twenty (20') feet at the curved portion of the cul-de-sac (see Lot C in Appendix "A" Diagram). For lots with all cul-de-sac frontage, only a twenty (20') foot minimum setback for a residence will be required.
- b. **Side Yard Setbacks** - Typically no residence shall be sited on any lot(s) nearer than ten (10') feet to any side lot line adjoining a street (see Lot A in Appendix "A" Diagram), nor nearer than five (5') feet to any interior side lot line. No portion of any roof overhang or projection, including the gutter shall be within two and one-half (2-1/2') feet of any interior lot line. Any detached carport or garage, or other outbuilding(s), located forty (40') feet or more from the front lot line, may be located partially in the required side area, but such building(s) shall not be located nearer than three (3') feet, nor shall portion of any roof, overhang or projection, including the gutter, be within two (2') feet, to any interior lot line and such detached outbuilding(s) located on corner lots, shall be sited on the street side yard no nearer than twenty (20') feet of the rear property line, unless it is set back no less than twenty (20') feet from the side street property line (see Lot A in Appendix "A" Diagram).

The color selected for garage doors shall blend into surrounding exterior finishes.
- (b)(2) Garages which extend in front of the primary front elevation of the house may be acceptable, provided, the garage extends not less than eight (8') feet forward of the main structure; the color of the garage doors compliment the predominate color of the front of the residence, white doors will not be permitted unless the main structure color is very light; the front elevation of the garage forward design does not exceed

**BARKLEY ESTATES COMMUNITY ASSOCIATION, INC.**  
**CONSTRUCTION RULES**

The Barkley Estates Community Association has adopted the following construction rules which apply to all owners, builders, contractors and service personnel while in Barkley Estates. All owners, builders, contractors and service personnel must familiarize themselves and comply with such rules. Any questions or concerns may be directed to the offices of Barkley Estates Community Association, telephone ~~(504) 341-1635~~ **(504) 328-7960**.

- (1) Construction activities that may disturb adjacent property owners shall be limited to the hours of 6:00 a.m. to 6:00 p.m., Monday through Friday, and 7:00 a.m. to 4:00 p.m. on Saturdays or Sundays. Sunday construction is discouraged. Driving of piles will not be allowed on Saturdays or Sundays.
- (2) Each contractor is required to provide a trash/refuse receptacle on each construction site and keep the job sites as neat and clean as possible. Trash and discarded materials such as lunch bags, cans and odd materials, must be removed daily. All debris stockpiled for removal should be located in the rear of the residence. Stockpiling of trash or any material on adjacent lots or streets is not permitted. The recommended trash receptacle will not create a nuisance to adjacent property owners. If trash and debris on the job site becomes a noticeable problem, notification to the responsible party will be given by the BENCC to clean up the site within three (3) working days. If after the 3-day period the site has not been cleaned, Barkley Estates Community Association will remove the debris and charge the property owner.
- (3) Mud/silt/debris-free street and proper erosion control are the responsibility of the contractor. Adequate silt fencing and matting at the entry drive must be properly installed and maintained to keep the streets free of mud, silt and debris. Elimination of vehicles tracking mud throughout the subdivision will be controlled by the contractor. This rule will be strictly enforced.
- (4) Contractors will use only the utilities provided on the immediate site on which they are working.

- (5) Portable toilets are the responsibility of the contractors. They should be located out of the right of way, and sanitized weekly. Contractors should provide adequate facilities for workers on each individual construction site.
- (6) Builders and subcontractors shall make every attempt to limit parking to the street front of the construction site or on the site itself. Builders, subcontractors or suppliers shall avoid blockage of the street and limit the duration of any necessary blockage to a minimum. No vehicles (cars, trucks, vans, etc.) may be left in the subdivision overnight. Construction equipment may be left on the site while in use but must be kept off the street.
- (7) Washing any truck or vehicle on the street is not permitted. Concrete delivery trucks may be washed only on immediate construction site.
- (8) Operators of vehicles are required to see that they do not spill any damaging materials while within the Community. If spillage does occur, it is the responsibility of the operator for clean-up. Clean-ups done by Barkley Estates Community Association personnel will be charged to the responsible party. Report any spills as soon as possible.
- (9) The established speed limit within the Community is twenty (20) miles per hour for all vehicles. This must be obeyed.
- (10) Business signs or other forms of advertisement are only permitted during construction, but limited to a 4' x 6' maximum area posting board during the construction period. Building permits are to be attached to a post or the posting board in a manner protected from the elements. Trees are to be kept free of all permits and signage.
- (11) Any damage to streets and curbs, drainage inlets, street lights, street markers, mailboxes, walls, fences, etc. will be paid by the responsible contractor.
- (12) If any telephone, cable TV, electrical, water, or other utility lines are cut, it is the responsible party's obligation to report such an accident within thirty (30) minutes to the utility company or the Parish.

- (13) Loud radios or noise will not be allowed within the community. This is distracting to property owners. Normal radio levels are acceptable. Do not mount speakers on vehicles or outside of homes under construction.

**BARKLEY ESTATES**  
**MODIFICATIONS COMMITTEE**

The Barkley Estates Modification Committee (the "BEMC"), created by resolution of the Barkley Estates Community Association, Inc., dated August 4, 1994, which is composed of three (3) members initially appointed by the Barkley Estates Community Association, Inc., will address all proposed changes and additions to the existing structure or other improvements as shown on the original plans and specifications approved by the BENCC to assure conformance with its Guidelines, and to maintain the high standards for construction of all modifications made to the original dwellings and associated improvements in the subdivision.

To achieve this end, the BEMC has established a process and procedure for reviewing all proposed modifications to existing dwellings and other improvements. The BEMC will review all plans and specifications, and, after its review, will either approve or disapprove, with recommended changes as needed to meet its requirements. The purpose of this review process is to insure that all proposed modifications to existing dwellings or related improvements will reflect positively upon, and will benefit the dwelling, site, adjacent areas, and the community as a whole. The BEMC shall handle all requests for tree removal, except in conjunction with plans approved for new construction by the BENCC.

**PROCESS FOR REVIEW**

Prior to the development of, and plans and specifications for proposed modifications, the owner of the lot ( the "applicant" ) shall contact the Chairman of the BEMC to determine what documentation will be required. At this time, the Chairman will make the applicant aware of applicable requirements of the Design and Construction Guidelines and Procedures which must be addressed in the application submittal.

- (2) The foundation plan and detail sheet, certified by a Licensed Structural Engineer, and in accordance with all laws and regulatory requirements.
- (3) A Floor Plan(s), with a minimum scale of 1/4"=1' 0", including decks, patios, stoops, retaining walls related to the residential dwelling, trash enclosures, HVAC equipment and utilities, and the screening for same, interior spacing of rooms, and connections to driveways and walkways. In the case of a residential dwelling of more than one (1) floor, the Floor Plan should indicate those areas which are open to the second floor or interior roof line.
- (4) Front, rear and side exterior elevations showing building materials and finishes, and indicating the maximum height of the residential dwelling.
- (5) Roof Plan showing slopes, pitches and gables, unless reflected herein above in 1, 2, or 3.
- (6) Exterior color scheme, lighting scheme and other details affecting the exterior appearance of the proposed residential dwelling, and other structures. Furnishing of these details may temporarily be deferred, but must be furnished no later than completion of the framing of the residential dwelling, and other structures.

Each application will be time recorded, and will be approved or disapproved with a notice of required modifications within thirty (30) days from submission. Should the BEMC fail to approve or disapprove any application within the said thirty (30) days, such application shall be deemed approved. In the case of a disapproval and resubmittal, the BEMC shall have an additional ten (10) days from the date of each resubmittal within which to approve or disapprove. Should the BEMC fail to approve or disapprove any resubmittal within each ten (10) day period,

such resubmittal will be deemed approved. The BEMC reserves the right to refuse to review repetitive submittals.

In its review process, the BEMC may consider the quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, typography, and finish grade elevation, among other things. Decisions of the BEMC may be based on purely aesthetic considerations.

All decisions of the BEMC shall be final ten (10) days after action by BEMC, unless vetoed within said ten (10) days by the BENCC due to being inconsistent with the Design and Construction Guidelines and Procedures for Barkley Estates. If vetoed, the BENCC shall retain jurisdiction of the application, and unless modified and resubmitted, the veto decision of the BENCC shall be final.

#### **GENERAL REQUIREMENTS AND DESIGN GUIDELINES**

The section labeled "General Requirements and Design Guidelines" in the Design and Construction Guidelines and Procedures, as adopted and amended by the BENCC, shall be used by the BEMC to determine if proposed modifications conform to those requirements.

#### **VARIANCE PROCEDURES**

Variances may be considered when circumstances such as topography, natural obstructions, hardship, aesthetic or any unique circumstance exist.

Request for variances must be in writing and state the reason for and the variance requested, along with owners name, address, Lot number and Square number. Requests must also show what steps have been considered to avoid the need for the variance. No request shall

be considered until at least one meeting between BEMC's architect and owner/or his architect has taken place.

No request for a variance will be considered at any pre-application meeting, but may be discussed in an attempt to reach a solution. All requests for a variance shall cause the thirty (30) day plan review approval period to run anew from the date of any variance request.

All decisions on variances by the BEMC shall be final ten (10) days after action by BEMC, unless vetoed within said ten (10) days by the BENCC. If vetoed, the BENCC shall assume all jurisdiction of the application and unless modified and resubmitted by the applicant to the BENCC, the veto decision shall be final.

### **CONSTRUCTION RULES**

The "Construction Rules" outlined in the "Design and Construction Guidelines and Procedures" shall apply to all construction activities related to modifications approved by the BEMC.

Pursuant to the terms of Section 7.4 of the Declaration, Declarant may subject any portion of the property submitted to the Declaration to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners and obligating such Owners to pay the costs incurred by the Association. Such additional covenants and easements shall be imposed by a Supplemental Declaration which shall require the written consent of the owner(s) of such property, if other than the Declarant. Such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of the Declaration.

Declarant and the Owners executing this Second Supplemental Declaration desire to make Barkley Estates a gated community with private streets and restricted access in accordance with the

provisions and requirements of Section 33-23.5 of the Jefferson Parish Code (a "Gated Community") and to provide for the administration and maintenance of Barkley Estates as a Gated Community.

Declarant and the Owners executing this Second Supplemental Declaration are or will be all of the Owners of all of the property heretofore and hereinafter subjected and submitted to the Declaration.

**W I T N E S S E T H :**

NOW, THEREFORE, pursuant to the powers retained by Declarant under Section 7.4 of the Declaration, and with the written consent of all Owners, Declarant hereby subjects all property heretofore and hereinafter subjected and submitted to the Declaration to the covenants, conditions, restrictions, easements, assessments and terms of this Second Supplemental Declaration which shall be added as Article XVI to the Declaration. Such property shall be subject to the provisions of the Declaration and this Second Supplemental Declaration, all of which shall run with the title to such property and shall be binding upon all persons having any right, title, or interest in such property, their respective heirs, legal representatives, successors, successors-in-title, and assigns. The provisions of this Second Supplemental Declaration shall be binding upon the Barkley Estates Community Association, Inc., in accordance with the terms of the Declaration.

Capitalized terms used herein are defined in Article I of the Declaration or as defined herein.

**Article XVI**  
**Gated and Private Streets**

**16.1. General.** On November 15, 1995, the Jefferson Parish Council adopted Section 33-23.5 of the Jefferson Parish Code which allows for a new or existing subdivision to establish a Gated Community. The Association, as a mandatory membership community association governing Barkley Estates, satisfies the prerequisites for such a Gated Community. All existing streets and offsite improvements constructed within Barkley Estates meet the standards of Jefferson Parish and all future streets and offsite improvements shall be constructed in accordance with the standards and requirements of Jefferson Parish. Upon the adoption of this Second Supplemental Declaration and on the effective date of a Jefferson Parish ordinance (the "Ordinance") revoking the dedication of certain portions of the street right-of-ways within Barkley Estates, being specifically all of the street right-of-ways within Barkley Estates, with the exception of that portion of Barkley Drive lying south of the northernmost median of Barkley Drive and that portion of MacArthur Avenue lying north of the northerly right-of-way line of the thirty-five (35') foot drainage servitude (the "Streets"), together with all drainage facilities and improvements situated within the Streets and within the boundaries of the residential community of Barkley Estates (the "Drainage"), all in accordance with Section 33-23.5 of the Jefferson Parish Code, such Streets and Drainage shall be, and are hereby, subjected and

submitted to the Declaration, and shall be owned by and maintained through the Association as Common Area for the benefit of the Association and the Members.

**16.2. Conveyance.** By adoption of this Second Supplemental Declaration, all Owners and Declarant do hereby support the revocation of the dedication of the Streets by Jefferson Parish and agree to accept the responsibility of maintenance of the Streets and Drainage through membership and participation in the Association. Upon the effective date of such revocation, the soil covered by and embraced in the Streets, up to the center line thereof, will revert to the present owner or owners of the land contiguous thereto, in accordance with and by operation of existing law. Effective upon the revocation and reversion, as aforementioned, and by these presents, Declarant and each Owner, for good and valuable consideration, do hereby transfer, convey and deliver to the Association any and all right, title and interest which they have or may hereafter acquire in and to the soil covered by and embraced in the Streets, as aforementioned. Declarant and each Owner further covenant and agree to execute any additional documents or instruments required to establish Barkley Estates as a Gated Community.

**16.3 Public Utilities.** The public utilities serving Barkley Estates, with the exception of Drainage, shall remain owned, operated and maintained by public entities. The Streets shall remain subject to a servitude reserved by Jefferson Parish for all existing subsurface public utilities in accordance with Section 33-23.5 (b)(3) of the Jefferson Parish Code.

**16.4. Servitudes.**

(a) Effective upon the transfer by the Declarant and all Owners, as provided in Article 16.2 hereof, the Association does hereby create and grant a nonexclusive servitude of passage for access, ingress and egress over the Streets to the Owners their families, invitees, and guests, subject to such regulations for entering or utilizing the Streets as the Association may reasonably require.

(b) Effective upon the transfer by the Declarant and all Owners, as provided in Article 16.2 hereof, the Association does hereby create and grant a nonexclusive servitude of passage for access, ingress and egress over and use of the Streets for personnel of the Jefferson Parish Public Works Department, Fire Department and the Department of Inspection and Code Enforcement and all local, state or federal law enforcement officers; as well as for public and private utilities and their equipment and personnel; emergency personnel and their equipment, paramedic, rescue and other emergency vehicles, equipment and personnel; school buses; U.S. Postal Service delivery vehicles and personnel; and vehicles, equipment and personnel providing garbage and trash collection service to Barkley Estates; provided, however, that the rights herein created and granted by this servitude shall apply and be exercisable only while the aforementioned Persons are acting in their official capacities.

(c) The existence of these servitudes shall not preclude the Association from maintaining gates or other devices or systems designed to limit general vehicular and pedestrian access to the Streets, provided that the Association at all times maintains systems and/or procedures to permit the entry of Persons authorized to utilize the servitudes granted in this Section without unreasonable interference or delay.

**16.5. Maintenance.** The Association shall maintain the Streets, Drainage, gatehouse(s), gate(s), entrance(s), signage, striping, and related areas within the Properties as a part of the Common Area and shall keep them in good condition and repair consistent with the Community-Wide Standard for Barkley Estates.

**16.6. Assessments and Reserves.**

(a) **Base Assessments.** Ordinary maintenance and operation of the Streets, Drainage, gatehouse(s), gate(s), entrance(s), signage, striping, and related areas within Barkley Estates shall be included in the budget of Common Expenses and levied equally on all Lots subject to assessment as set forth in Article VIII of the Declaration. Unbudgeted expenses or expenses in excess of those budgeted may be Specially Assessed as provided in Section 8.6 of the Declaration.

(b) **Reserves.** The Board shall establish a budget of reserves for capital repair, replacement or improvements to the Streets, Drainage, gatehouse(s), gate(s), entrance(s), and related areas within Barkley Estates. Capital repairs, replacements, or improvements do not include ordinary maintenance activities or tasks which are performed annually or on a seasonal basis. Capital items shall be limited to repairs, replacements, or improvements over a dollar amount established from time to time by the Board. The budget for capital reserves shall not require straight-line accumulation for the projected capital repair, replacement, or improvements. Capital reserves shall be funded as a line item in the Base Assessment and collected from each Lot subject to assessment in accordance with Section 8.9 of the Declaration.

(c) **Declarant Assessments and Reserves.** In accordance with Section 8.2 of the Declaration, the Declarant may annually elect either to pay the lesser of the regular assessments on all of its unsold Lots or to pay the difference between the amount of assessments levied on all other Lots subject to assessment and the amount of actual expenditures by the Association during the fiscal year ("deficit funding"). If the Declarant chooses to fund the deficit, the funds collected from each Class "A" Member for purposes of funding reserves shall not be included in calculating the deficit. The reserve funds shall be accounted for and maintained separately by the Association.

Such servitudes remain in full force and effect, in accordance with their respective terms.

3. Conveyance of Streets and Assumption of Liabilities: Association Servitudes.

- (a) Declarant hereby conveys Parcel S-3 to the Association, as well as all Drainage improvements on the Supplemental Property, which conveyance is hereby accepted by the Association. Parcel S-3 shall form part of the Common Area of Barkley Estates, and as such, shall be subject to the common rights and limitations imposed on the Common Area. Such conveyance is made subject to the Declarant Servitudes, and Association hereby assumes all liability of Declarant in connection with such Declarant Servitudes.
- (b) The Association does hereby create and grant a nonexclusive servitude of passage for access, ingress and egress over the Streets to the Owners and their families, invitees, and guests, subject to such regulations for entering or utilizing the Streets as the Association may require.
- (c) The existence of the servitudes granted herein to the Owners shall not preclude the Association from maintaining gates or other devices or systems designed to limit general vehicular and pedestrian access to the Streets, provided that the Association at all times maintains systems and/or procedures to permit the entry of Persons authorized to utilize the servitudes granted in Sections 2 or 3 above without unreasonable delay or interference.
- (d) The Association shall maintain the Streets, Drainage, gatehouse(s), gate(s), entrance(s), signage, striping and related areas within the Properties (including the Supplemental Property and the Streets subject hereto) as a part of the Common Area and shall keep them in good condition and repair consistent with the Community-Wide Standard for Barkley Estates.
