

Exodus Chapter Fourteen: Foreshadowing to Revelations

The Exodus story is about a nation becoming a microcosm for civilizations through time, culminating and ending at Yahshua's millennium kingdom. It's about the powers and principalities in heavenly realms played out through the decisions of humankind. Mankind, each one of us brings our own judgment and reward. Egypt brought upon themselves their collapse. Obviously there comes a time for every person born into bondage to choose, and must walk their faith, through the water of death or the water of life.

Just looking at the fourteenth chapter, these beautiful foreshadows laying in the book Revelations. For anyone not familiar with the 6th seal and 7th bowl angels in Revelation, we will mention a few highlights about them, hopefully bringing better clarity as we review Revelations.

This 7th angel bowl plague, brings the return of Yahshua Messiah and this is the time of earths cleansing or purification after Daniel's 70th Week. Subsequently there is a judgment of nations; In particular those sheep whom are good to the brethren; being baptized by fire. Then receiving of His name and inheritance. The goat's reward is to damnation, Mat 25:31-46.

The 6th seal is our second point of interest; We will mention in the essential essence and purpose for what the seven seals as a group are. This will bring us to the discussion for the 6th seal in particular. Each seal is a particular operation in power of Holy Spirit. They preserve those souls receiving or will receive the Word of Life; until their body is redeemed. Each seal operates in its respective era and always more than one seal overlapping at a time throughout the ages of salvation. With one exception; The seal 6th begins after the grace ages of gentiles and Hebrews.

That 6th seal, is one of two judgment seals, both having their specific work of Holy Spirit bringing souls to the fullness of their salvation. These two categories through the ages of people receive His name after the seal is finished. The 6th seal begins operating near to the last day, of the grace period of Israel. The sheep and goats live through the 70th Week of Daniel, not having a seal for the seven years. These "good to the brethren" in the last Week are transitioned from the fourth seal which came to its end When the 7th seal opens to Israel. The last gentile seal the fourth, ended near the beginning of the 70th Week. Their next seal comes after this Week, when they come under the 6th seal; Sealing them during the 7th bowl the purification of earth.

Earth's purification time is after Daniel's Week; it is Daniel's 30 days of Dan 12:11. This 6th seal, preserves the sheep and goats in the Great and Terrible Day of YAHWEH. This 30 days is Yahshua's descent to earth with His army. The sheep, the "good to the brethren" and the goats in Mat 25 are preserved. The sheep for their inheritance of the Kingdom; their promised land of milk and honey, but the goats unto damnation. These goats never see the promised land. Reminds me of Hebrews in their 40 years of Exodus. From this basic foundation in thought let's review Exodus chapter fourteen with Revelations.

- Exodus 14:3-11, YAHWEH is allowing Pharaoh's heart to be strengthened for what its true nature is, this allows him to be himself. To have hate towards the Word; along with most Egyptian people having the same heart. Pharaoh sees the Nile River actually its Niles Sea of Reeds, entrapping Israel. He brings his army in chase against the Hebrews. Pharaoh feels an opportunity for revenge. The certainty of Pharaoh's revenge becomes the Hebrews salvation. The wilderness opens her mouth to save the Seed. Now, this is not the first time Pharaoh attempts to kill the Seed of Israel; remember the baby boys drowned in Nile River? Soon the wilderness-Nile will consume him as it did the Hebrew boys. I wonder, that when the Nile was turned to blood, if this was a prophetic sign for Pharaoh's impending death. Rev 12:1-5

- We see a new Pharaoh in Revelation; Again the seed of Israel is pursued by the dragon that little horn Rev 12:15-16. The Serpent cast out a flood to destroy the woman; And the earth helps the seed of Israel. And the Seed fled into the wilderness, where she hath a place prepared for her to feed 1260 days, Rev 12:6.
- Exodus 14:19-20 we see the cloud pillar and the pillar of fire. The white side of the cloud is the 6th seal operating synchronously with the dark side of the cloud. This dark side of the cloud is the 7th bowl angel, Rev 16:17. How that white cloud in Exodus looks forward and sees what's ahead; Protecting and feeding the Seed of Israel. This the 6th seal in Revelation does that for the good to the brethren in Mat 25. We can read how Moses was the wings to Israel in Exo 19:4; ... and how I bare you on eagles wings. Israel's prophets in the 70th Week have eagle wings in Rev 12:14; taking her to the wilderness for safety.
- The story of Exodus is brought forward through time, and we see Rev 4:7; This beast angel, has the face of an eagle. This eagle beast sees ahead giving guidance into the 70th Week and carries through to the end with the 7th seal. In the 70th Week we see Rev 11:3-4 ... and I will give power to my two witnesses and they shall prophesy ... These candlesticks of oil standing before the earth, Zec 4:11-12.

Exo 14:21, Moses speaks and the angel rolls back the water, rolls back like a scroll, and again we see Israel protected with the white side of the cloud between them and Egypt (Those eagle's wings by the Word of a prophet). At that time, the dark side of the cloud is standing against Egypt, bearing the pillar of fire; they together judge Egypt.

We pick up this very line of thought in the 70th Week. **Rev 12:14**; And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent, Rev 11:3-6.

Fire burns out anything not pure. We see the work of fire in: Exo 14:24 ... the Egyptians through the pillar of fire and of the cloud, 2Pet 3:7 ... reserved unto fire against the day of judgment and perdition of ungodly men.

- The water scrolls back destroying the tyranny against the Seed of Israel. We read the cloud is light to Israel and the other side of the cloud is darkness to Egypt, Exodus 14:20. Again in this judgement playing out in Rev 18:8 & 19:20 ... In one day her plagues bring death and destruction by fire.
- Now in Exodus this cloud is an angel moving by Moses a prophet. We will see Moses by faith speak the Word Exo 14:14-16; Wherefore cry thou unto me? Speak. (2The 1:11, Act 6:8)

The scrolling apart of the water plays out in Isa 34:1-4 for the 7th bowl plague. Also the 6th seal reads this same event for the heavens scrolling apart as did the waters of the Nile. As we attempted to say earlier in this discussion; the 6th seal describes the 7th bowl and its events. This 6th seal is typified by the white side of the cloud for the Hebrews at the Nile; standing between the judgments and the elect seed in that time. The 6th seal is that cloud of light on one side and on the other side the darkness and fire the 7th bowl plague. Now this great and terrible day of YAHWEH is the darkness, encompassing the earth, bringing death. We see this dark judgement upon earth, as we did in the cloud against Egypt. Exo 14:19-20

- We have discussed partly the foreshadowing for Exodus chapter fourteen to Revelations with the crossing of the Sea of Reeds and into the wilderness. But there is more foreshadowing after the 70th Week. The crossing through water and through the wilderness, will play out one last time.

In chapter fourteen of Exodus we read the encampment of the Hebrews the night before their crossing, and this event foreshadows into Rev 19:11-19. In this prophetic scene we can unveil the sequence of events within it. The foreshadowing for Rev 16 brings Rev 19, but

we will pickup the story in Rev 19 at this time. (Please see Amendment end of document for Rev 16)

Exo 14:2, The night encampment of Moses and Israel reflects how Yahshua will presents Himself with His army in the heavens at His return. This is a period of time before Yahshua begins to descend to earth. Why would He wait in the heavens? First it is to His glory, while giving time for the armies of the nations to regroup and focus their warfare against Him. Once the stage is set, then the table of the feast is set; The creatures of earth to eat the carnage, Rev 19:17-19. All of this happens in that 30 days of Daniel 12:11. Holy Spirit does not mix the revival of Israel, the 7th seal of salvation with earth's judgment the 7th bowl. Just as He separated Israel from Egypt with the pillar cloud; The cloud then takes them through Niles water of Reeds to the promised land. The water of Reeds then consumes the unrighteous. In Rev 20:4-5 we see the same catching away of the righteous. Death proceeds for the unrighteous by way of the 7th bowl plague after Rev 20:4-5. The 7th bowl plague said by Isa 24:6, 2Pet 3:2, Joel 2:31, Isa 34:1.

Then after Yahshua's descent to earth, the King of Kings enters the temple from the East Gate. A short period of 45 days found in Dan 12:12 begins. This sets up for entering the promised land for the sheep not for the goats. These 45 days are the judgment of nations. (Is 45 days typed to Paul's teaching of Acts 13:20? 450 years of judges.)

Amendment: Setting up the Returning King

Rev 16:12 And the sixth angel poured out his vial upon the great River Euphrates; and the water thereof was dried up, that the way of the kings of the East might be prepared.

River Euphrates is much the same as the River Nile in that these rivers bring life for the nations served. The angel dries up the Euphrates representing death for Mesopotamia. Mesopotamia region is the cradle of life; the Garden of Eden began here, now replaced with death. With the Euphrates dry, death will reign. 16:12 ...That the way of the kings of the East might be prepared. For the reason these heads of states will collaborate. We read in 16:16 that these kings are brought together in Meggido City; not armies being brought together. This city has been the center point of many battles for thousands of years. This indicates these governments are to discuss war.

Rev 16:13 And I saw three unclean spirits like frogs *come* out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.

We see the dragon Satan, bringing the ten horns who are heads of state for the beast, and that little horn-false prophet; brining them together in one mind for the decimation of Jerusalem. This process puts into action Rev 17:12-15, when the ten horns of the beast are given power with the little horn for one hour. They together; Satan the dragon, the European ten nations and the little horn speaking great things, are of one mind, the frogs. (Verse 16:13 occurs months if not two years before 16:12 the gathering of the kings. The one hour that the ten horns receive power in Rev 17:12 brings war, and we read of this war in Rev 14:19-20, this is Dan 9:27 the last desolation for Jerusalem.) This verse is not in participation with the kings of the East from 16:12.

From verse 16:12 the angel from Elohim sets up kings to discuss war. How so? Well, ... we are told in the next verse 16:14, this conclave of governments is setting up for "the great day of Elohim". This event is one and the same with the: great and terrible day of YAHWEH. Same event but two distinctive purposes. Specifically it is the 7th bowl angel plague. The 7th bowl has

two descriptions, the terrible day is read from Rev 19:14-19. The great day of Elohim is Rev 19:11-13.

Satan knows scripture, he knows all about 16:12 and its purpose. I believe the dragons purpose 16:13 is utter destruction of Israel keeping the temple for himself. He desires to stop Yahshua from having his throne. This to say: to break the spoken Word; scripturally this means he overcomes Yahshua. Satan has no choice but to work his plan through Dan 9:27, and he speaks it here in verse 16:13. Three unclean spirits like frogs. So these three spirits have the same message because they are all a frog. Satan will provoke these last day Pharaoh's, the ten kings of Europe and their armies; just as he was the influence for Egypt's Pharaoh and gods.

Before the Eastern kings arrive, the decimation of Jerusalem is well under way by these ten kings (horns) of the beast. Rev 17:11-14 These shall make war with the Lamb.

In the time of preparation for these Eastern kings to arrive at Meggido, we see Israel in a state of awaiting for their final destruction, much the same as when they were encamped being helpless and they thought hopeless, before the River of Reds. Then came Israel's salvation, Exo 14:14-31. Now we see Israel in the 70th Week saved from a final decimation.

It is important to place the false prophet's removal from the temple and from power in its proper time slot during this 70th Week. We read when he is removed from the temple. First we are told when he is removed, in Rev 15:7-8 ... and no man was able to enter into the temple ... then in verses: Rev 17:16-17 we see how he is removed; ... and shall make her desolate and naked, and shall eat her flesh, and burn her with fire. This judgment against the false prophet and his city is brought about by one of the 7 bowl angels. We see this accomplished in more detail by way of another angels prophecy in Rev 18:21; A mighty angel took up a stone like a great millstone, and cast *it* into the sea, saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all. That sea the millstone is throne into is the sea that the eighth head arose. So the power of the little horn-false prophet has ended by the ten horn beast.

Now finally we can get to the frogs in this 6:12 verse. Do these frogs correlate with the frog god of Egypt? Notice, Israel received salvation before her annihilation when in Egypt, and yet again in the last Week as we just read. What is so determinant about this frog spirit? I doubt I can explain it well, but let's take a look at what this spirit frog is by Satan.

<https://en.wikipedia.org/wiki/Heqet>

As a fertility goddess, associated explicitly with the last stages of the [flooding of the Nile](#), she became associated with the final stages of childbirth. This association, which appears to have arisen during the [Middle Kingdom](#), gained her the title ***She who hastens the birth***

In the [Osiris myth](#), it was Heqet an [Egyptian goddess](#) of fertility, identified with [Hathor](#), represented in the form of a [frog](#). Who **breathed life into the new body** of [Horus](#) at birth, as she was a goddess of the last moments of birth. As the birth of Horus became more intimately associated with the [resurrection](#) of Osiris, **so Heqet's role became one more closely associated with resurrection. Eventually, this association led to her amulets gaining the phrase *I am the resurrection* in the Christian era along with cross and lamb symbolism.**^[7]

A temple dedicated to Horus and Heqet dating to the [Ptolemaic Period](#) was found at [Qus](#).^{[8][9]}

(How close is this frog spirit to the dragon, the little horn and the great whore and her daughters? Let us recall the eighth dragon head came up out of the sea. Yes, this sea represents masses of people associated with the Mediterranean Sea.)

Satan breathed life into the eight head from the seventh head of the beast system, did he not? And for another thought; I think these frogs will hasten the birth into the Millennium Kingdom as they bring the ending to the 70th Week. Let's look at another birth in relation to the birth of the eighth head; The resurrected eighth head is Satan's hope to power and for his children. His last attempt for inheriting the earth. His vision is to destroy all the *seed of the Word* upon the earth and defeat Christ's return. Sounds crazy doesn't it? Yet we are reading the reality of it.

Going back to verse 6:12 yet again. Now, China and his friends of governments is on the way to Meggido City. Let's think about this; Did this sixth angel bowl plague have its foreshadow by the angel cloud at the sea of Reeds? I wonder if these two angels are one and the same? This 6th bowl angel brings together the kings of armies, these kings turn their Amies against the state of Israel. Let's see if this plays out.

At the time of the Eastern Kings arrival to Meggido City, Jerusalem's time of desolation has ended, and we are very near the end of the Week (Meggido, today is a tourist site). Rev 17:16-17 has played out ... these shall hate the whore. The military of the these ten horns devastate the great Vatican City. (Interesting isn't it, They stop the decimation of Jerusalem and immediately turn against Vatican City and decimate it.) However, they continue to be united as the beast system and remain the red dragon's political and military empire. Even after Holy Spirit changed their heart turning against the false prophet and Vatican City, Satan reels them back into one mind for one more purpose.

Satan will unite his European coalition into one frog mind against this impending Eastern military campaign. These kings armies have not yet moved towards Europe and Israel by way of the Euphrates River. I don't think these kings of the East, let's say China and North Korea, are part of the international accord with the false prophet. These kings are demonic minded having a mind to rule the world against the beast governments and are provoked to do so by the angel of Yahshua. So, the Eastern governments are setting up for war, who with? It looks like China intends to finish off Israel and possibly stand against Europe. So we ask; what purpose does this 6th angel have in mind for strengthening the kings hearts of the East? Same purpose the angel of YAHWEH did to Pharaoh of Egypt?

These kings want to finish off Israel because Israel is the source of plagues. Why would YAHWEH strengthen their hearts for a purpose to destroy Israel? He doesn't, the angel of Yahshua puts the pretense to destroy Israel in their minds. His purpose is for the fulfillment of the "great and terrible day of YAHWEH" as we have said, there are two parts to the day; Just the same as Exodus against Pharaoh. Satan knows well what's going on, and must counter move against the East Kings to hold his reign of power as the beast.

Now we have the angel of YAHWEH and the fallen angel of Satan bringing about for a world war. Satan now becoming trapped evermore into the plan of YAHWEH's judgment, the 7th bowl plague. Not only the world judgement but to the glory of Himself; as we read in 16:14 "the great day of Elohim." Satan doesn't want the return of Messiah, he knows how that will turn out. Remember He tried to kill Apostle John with boiling oil to keep him from receiving and giving the letters of Revelation. We see Satan has no hope of escape in verse 16:14. Very similar to Pharaoh of Egypt being pushed into a corner by his own evil heart fulfilling the plan of Holy Spirit to consume him. Back to Revelations; The armies of the World are staged to battle against one another. At this time the heavens open and the war of Armageddon will begin in a few days. Rev 19:11

Rev 16:14 For they are the spirits of devils, working miracles, *which* go forth unto the kings of the earth and of the whole world, to gather them to the battle of that, "Great day of Elohim."

We see here the Armageddon war never was a war among mankind. It is a war of mankind against the Word of Life and His glory. A predestinated war from the foundation of the world.

Rev 16:15 Behold, I come as a thief. Blessed *he is* that watches, and keeps his garments, lest he walk naked, and they see his shame.

First thing I would like to point out: "blessed is" a present tense verb. "He that watches" are those who possess understanding of scriptures, Mat 13:23. Back to our thought; We see the warning of pending judgment at the door. The same warning as we see in Exo 11:4 ... about

midnight I will go out ... Just before the final judgement that will begin at midnight. Midnight the pinnacle of darkness, Exo 12:29 ... that at midnight YAHWEH smote all the firstborn in the land of Egypt. After midnight time begins moving towards morning. In morning the Seed inherits the promised land. The same story told here in Revelation.

Rev 16:16 And he gathered them together into a place called in the Hebrew tongue Armageddon.

As we said, the kings of the East are gathered by the sixth angel of YAHWEH. I like this: He gathered them ... It's already happened by the spoken Word.
