**Emergency Vehicles:**

**B-22:**

Apparatus is currently out of service, it's at Siddons being worked on due to pump issues.

**B-21 (New Heavy):**

Apparatus is being checked daily and in service, eventually we're going to have to re-pipe the tank to pump feeder line due to leaks. Currently it is operational.

**(Present time: It's been moved to Station 2 and its being utilized as our first out Brush truck)**

**E-22-B:**

This unit is currently being serviced at Siddons for repairs then will be placed on the market for sale.

**E-22:**

This Apparatus is currently in service at Station 2. Maintenance was performed for an oil pressure issue by Siddons.

**T-21:**

This unit is currently in service and fully operational. No issues noted.

**(Present time: It is at Station 2 and kept parked in the bay to protect it, with it being new.)**

**M-21 (New Medic Unit):**

This unit is currently in service at Station 2, it will need to be taken to a mechanic shop for servicing of the exhaust system.

**M-22:**

The unit is O.O.S. service at Station 1, repairs have been made by Siddons and ready to be sold. All medical equipment has been removed from this unit.

**M-23:**

The unit is being checked weekly and is our backup Medic unit. Currently it's out of service and in the shop due to rear axle misalignment causing steering issues.

**(Present time: I believe it will need new front tires soon.)**

**Rescue 22:**

Apparatus is being checked daily and is in service. This unit is still being utilized as a temporary Command.

**MISC:**

We have an abundance of expired medical supplies that's currently being stored upstairs at Station 1. I will be moving forward to dispose of the items.

**Personnel:**

Staff are very thankful for their benefits package that was approved by the board. Medical, Dental and vision went into effect March 1<sup>st</sup> after open enrollment.

**Administration:**

See attached Fire Chiefs progress report.

**Training: \*\*\*\*\***

See attached PDF's.

**Stations:**

Currently Station 1 is not staffed. I've taken appropriate measures to maximize savings by keeping everything shut off.

**Grants/Donations:**

I'm currently working on the ASSAP program to recoup unpaid EMS transports for FY23. Everything is going on schedule for submission prior to deadline.
