Junior-Junior classes will be available in two offerings this Summer in July and August. Classes will be in the 4-hole practice area giving us an open space to run around and play games using the SNAG Golf system. We will ensure the first experience of our littlest juniors will be a safe and fun experience for everyone. Clubs will **NOT** be used for this program; all equipment will be provided. Each participant will receive a junior golf hat that matches the color of the group they are assigned to. Lunch, drinks and snacks will be provided after each class. Class will be 60 minutes of golf games and activities with time for lunch, drinks and fun. Parents are encouraged to spectate, take pictures and be in attendance for their little ones. A maximum of 50 spots available before the waitlist.

Parents of participants must sign and submit the 2024 Junior Golf registration form to complete registration. Email [gnelson@stonyplain.com](mailto:gnelson@stonyplain.com) to register.
