

The Ministry Gift of The Teacher

Definition of The Teacher

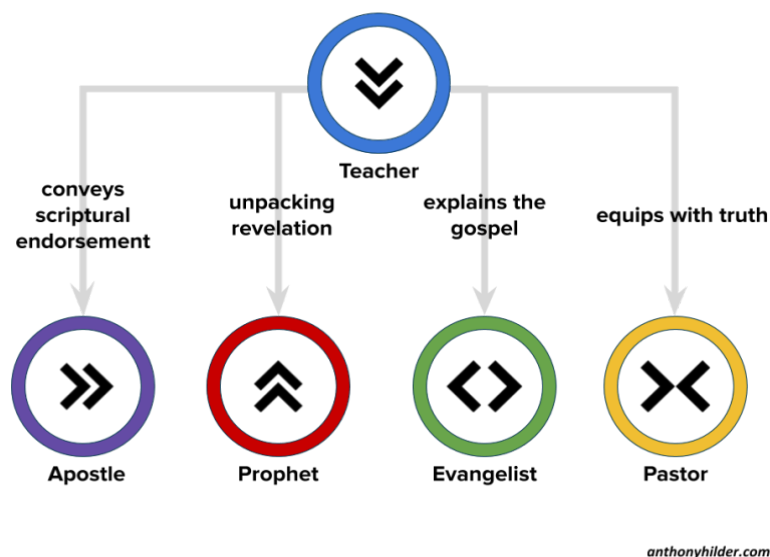

The God given desire, ability and power to examine and study God's Word, and to clarify, defend and proclaim its truth in such a way that produces growth within those that are the recipients of such Godly wisdom, knowledge, & counsel.

Scripture Explorations:

Romans 12:6-7 1 Corinthians 12:28 John 6:2 2 Timothy 1:11

The purpose of the teacher is to learn every aspect of the Will, Purpose & Laws of God, get an understanding, live by them, then teach them to those that have identified themselves as “Believers, The Body of Christ, The Bride of Jesus”.

Please keep in mind that it is not that the chosen individual is attempting to become all of these gifts, but must know by knowledge, wisdom & understanding how they are to function properly according to Ephesians 4:11-16. Check out this graft we located on line that demonstrates this logic.
