

Norfolk County Netball Publicity Officer Annual Report

Since taking on the role at the last AGM I have redesigned and updated the Norfolk County Netball website. It has become much easier to navigate and update on a regular basis.

Since launching the website back in September 2022, we have had 3178 visitors to the NCNA website.

The NCNA website domain has also been secured for a period of 5 years 20th January 2028.

In time I would like to build the Find a club section to enable new players to find clubs in our county. An online form was created and shared on our social media channels and with area reps to ask teams/clubs to complete, however we have received limited numbers of replies. Therefore, this area of the website is still under development.

During this year I have also tried to increase the social media presence by sharing events and things the committee have done in our county. (Please see below images)

As part of my role I have also attended some tournaments and events to take photographs to share and add to the NCNA website, this will continue at future events going forward.

Norfolk County Netball Association

Over the past few weeks Norfolk County Netball have donated £50 to each of the foodbanks within our county as part of our giving back to the community. We recognise that many of our members may be finding the cost of living difficult at present and we wanted to give back a small token to those that are in need.

We aren't just a Walking netball group... we have fun, support and celebrate each other! Oh.. and occasionally set off some fire alarms! Happy Birthday Chris!

Norfolk County Netball Association

Norfolk Young Farmers hosted their annual Sports Day on Sunday 19th February 2023 at Easton College. There were several teams attending from the Young Farmers communities for football and netball.

Two of our Norfolk umpires Deb Sutton and Jo Donnelly took charge of the round robin netball tournament. All teams were very eager to have lots of fun. It was a great morning enjoyed by all and a great way to support the local community enjoying Netball!
Well done Ladies!

If you would like to get involved in Umpiring in the community, please let us know by emailing norfolkcountynetball@yahoo.co.uk

Norfolk County Netball Association

When your Walking Netball instructor says she dislikes the words "pants and socks" of course you turn up to the session with them on the outside...

It's not just about the sport, but the enjoyment of being together. Come along and join in one of the many sessions we hold in Norfolk. For more information please visit our website.
