Great communication, extremely helpful, professional, friendly, efficient, and reliable. I am in the process of sorting the design with him for my next bedroom. I thoroughly recommend him.

Darren has just completed three bedrooms for us in which he installed fitted wardrobes and fitted chests of drawers in all three. To say we are delighted is a complete understatement - they are absolutely beautiful. Darren is a complete perfectionist and his attention to detail is amazing. We are so thrilled with the wardrobes and drawers we want him back to do more in our loft rooms for us. Darren is so friendly, tidy, polite, and trustworthy and therefore a complete pleasure to have in your home at all times. He left our home clean and tidy. We would highly recommend Darren to everyone.

Darren was reliable and on time each day. He worked over 2 days to create 3 fitted wardrobes (spread over 2 rooms) and gave the airing cupboard a face lift. He was clean and tidy, using a vacuum attached to his tools to reduce the dust and using dust sheets to cover the floor and any furniture to prevent any dirt/scratches to the floor etc. We cleared the rooms he would work in as much as possible so that he had space to work which made the job easier for him and therefore he was able to finish before schedule. He was friendly, professional, polite. Would highly recommend him to anyone.

This is the second time we've used Purley Bedrooms. Can't speak highly enough about Darren. Outstanding quality workmanship, his professionalism and attention to detail is great. Darren built in two cabinets and two shelves either side of our chimney. Will definitely be using again for any future work we need doing. Thanks Darren.

I chose Purley Bedroom because of the great job that did in my friend's house. I asked for their details and got in touch with them. And I am glad that I did. Darren and his lovely daughter were excellent. Very friendly, reliable, very very tidy, the day that they arrived, the lift in my building was not working, and I am on the 4th floor. They never made any fuss about it, never complained, and carried everything up to the 4th floor with smile on their face. I am extremely grateful for that. I have no hesitation to recommend them.

14. Location: Bromley Reviewed in: November 2020

I chose Purley Bedrooms because of the glowing reviews - and now I am adding to it. I would definitely recommend! Darren was excellent throughout. Good communication, friendly service, informative. The day itself he arrived early (7:30am) to set up and laid down covers to protect the floors before the delivery, and then got on with it for the entire day - it was a very large wall, and he did it all on his own. I was so impressed. He was very tidy and cleaned up after himself before coming back the next day to put the doors on. I love the wardrobes so much - it's so well constructed.

I first contacted Purley Bedrooms in late July and Darren arranged to come and give me estimate within a week, I thought it best to get 3 estimates, he was the first and he left a great impression with me, he made me feel confident that he would be able to full fulfil my needs of what I wanted, as I had quite a large space to fill. He gave me an excellent price and after having a new ceiling and some electrical was done, I choose Purley Bedrooms. Darren started at 8am and worked none stop, he's a very polite and skilled Carpenter, I am absolutely delighted with my wardrobes, I would highly recommend him.

Darren's work was carried out in a highly efficient manner, minimising any possible disruption to us. He worked tirelessly each day. He was great value for money and the resulting bedroom looks amazing. The quality is excellent. This is the second time we have used him, and we have had no hesitation in recommending him to a number of friends and family some of which have already benefitted from his handiwork. We must also mention that he was ably assisted by his equally hard-working daughter on two of the days.

Darren was great from start to finish - good communication. Told me when I'd get finished designs and quotes and didn't miss his deadlines. He gave me an estimated frame for installation and stuck to it. - Arrived when he said he would, completed work in the timescale he gave. - Tidied up SO well when he left, it was possibly tidier than when he arrived - Love the wardrobe, exactly what we wanted. Darren Ekins supplied and fitted wardrobes for us a few years ago and we loved them. We then had a house fire and lost everything. The insurance company kindly let us subcontract Darren again to put new wardrobes (we especially requested this as we were so impressed last time) and he was so helpful, immediately finding the design from last time, coming over with samples so we could choose a new colour, and then installing the wardrobes beautifully at a date that suited us. I cannot say how highly we recommend this firm. It is a joy to work with Darren and his handiwork is second to none!

Darren visited and listened to what we were looking for, he supplied brochures and examples of doors and colours were shown. The wardrobes were fitted beautifully and look amazing, they have transformed our bedrooms. Two of which were in a new loft conversion and were fitted in awkward and not off the shelf sizes. We would not hesitate on recommending Darren as he left the rooms spotless every day and would always check on placement of light switches and sockets and cables that he rerouted. Have already asked for quote for more jobs as we know the finish is excellent.

I called Darren as I had an awkward shaped room and was looking for someone to help advise and design a wardrobe that utilised space. He was pleasant and made a number of suggestions that other companies hadn't. I was so impressed with him, I then asked for a dressing table to be made. We were having some work done to the room in terms of space, so he came back prior to ordering again to re-measure the room. The wardrobes were installed quickly and was really impressed with the finish. I would recommend Darren over companies like Sharps, as GREAT service.

We were introduced to Darren at Purley Bedrooms by our builder and are very pleased that we were. Darren came around, measured up and gave us some options. Once we decided what we wanted to do, Darren simply ordered the wardrobes and fitted them a couple of weeks later. Darren was professional and tidy throughout, and the craftsmanship is to a very high standard. We are more than pleased with the finish and at a very competitive price.
