

Dear Toy Fox Terrier Rescue Applicant,

Thank you so very much for considering the adoption of a Toy Fox Terrier that needs a loving, forever future home.

We adore this breed. They are truly like a child requiring much love and attention, but what they give back to you will fill your soul like nothing else in life.

First of all, if you haven't already, we ask that you fill out an application. The information that you provide will help us to place the most perfect dog with you. It will tell us your wants and needs, and then we can let you know about the specific Toy Fox Terrier that best will suit you and your family.

We ask for a donation of \$150 to \$250 for an adoption (senior dogs are \$150, adult dogs are \$200, and puppies are \$250). We also offer a \$50 discount to seniors and members of the military. Those monies go directly into our rescue fund and are used exclusively for helping needy/neglected/abandoned or unwanted TFTs throughout the country. We may also ask that you pay for transportation, which can vary in cost depending on the location of the dog, as we quite often do not have a Toy Fox Terrier within driving range and must fly them. We fly our dogs quite successfully, as a mere handful of hours in a crate is a much better scenario than a dog possibly being euthanized because it cannot find a loving home. A crate fee of up to \$50 dollars will also be attached, as will the cost of the health certificate needed for flying. All of these fees will be spelled out for you upon your agreement of adopting a Toy Fox Terrier within our program. Those of us who work in this rescue group are volunteers and work for free.

We do guarantee all of our dogs. If for any reason your TFT does not "work out", we will happily take it back into our program and find you another dog or reimburse your monies.

I must tell you, many of our dogs go quickly so if you are notified about an available TFT, please respond as quickly as possible.

Thank you again for your inquiry. A TFT is the most special breed, and once you have one, you will never be without one in your life again. And rescue, well you "earn your wings" with that one.

Sincerely,

Toy Fox Terrier Rescue, Inc.
