Directors Report: Just a reminder to get your memberships turned in for renewal as all memberships expired as of June 30th. Please continue to encourage the resources available to find your AWSC # for discounted trail pass (www.awsc.org or the address label of your magazine). Rodney reported he attended International Snowmobile Congress in June with the K.A.O.S. (Kids and Adults on Sleds) group. Was great to see the folks from other states that have attended in previous years and also talk with the reps for groomers, other state associations, etc.

Trail Report: Trails are closed.

President's Report: If you have not attended the AWSC workshop in the past, please considering attending. There is a lot of great information throughout the weekend. Shout out to Tia as she has done an incredible job as Miss Snowflake the past TWO years! Good luck to Rachyl as she competes for Miss Snowflake at Workshop. Attended the Governor's Snowmobile Rec Council meeting(s) the past few days via zoom.

Groomer Report: Thank you to the crew that went with on the excursion to Minnesota. We are now the owners of the 2012 Tucker Terra that is now added to the groomer fleet. Planning to have a groomer work day sometime in October for maintenance on all groomers.

Youth Advisor Report: Rachyl attended International Snowmobile Congress with 5 other youth (including Tia from Rock Co). They arrived Wednesday in Nebraska, reconnecting with old friends and also meeting new friends. The KAOS group gave an impromptu presentation of getting youth involved. As a group, KAOS visited the nearby zoo and aerospace museum. They also attended the groomer reception at ISC. Saturday night was the awards banquet where 2 youth from Wisconsin won the 2020 and 2021 Young Snowmobiler of the Year award. Thank you again to the Rock Co Alliance for the donation and making it possible to attend great opportunities, like ISC, for youth in Rock County. Rachyl wrote an article about ISC in the October magazine, be sure to check it out for further details. Rachyl reported she is now the magazine chair for the AWSC. The summer camping trip was held in August, where KAOS and AWSC members gathered for bonfires, potluck dinner, canoeing, and lots of fun. At the upcoming workshop, KAOS will have an activity room and any youth are welcome. KAOS will also be collecting donations for their animal shelter drive, please bring anything to the October meeting and Rachyl / Tia will take with to Workshop.

Old Business: No update for the Pete Tiffany memorial at this time.

There are 29 extra spaces available for the upcoming map ads. Please have map ads turned in by the October meeting, if at all possible. There was discussion of changing the text color, if possible to read more easily. As agreed upon at the May meeting, we will be ordering 2,000 more maps for the upcoming season.

New Business:

Open nominations for officers. Reminder that our by-laws state the opening for co-secretary and co-treasurer; this would be a great opportunity for cross-training and getting more involved. We will have nominations again next month, along with the election.

President: Erica Keehn

Vice President: Steve Fausanaugh

Treasurer: Jackie Olson

Secretary: Kate Fuchs

Discussion was held regarding clubs to host Alliance meeting for the remainder of season. If we make the December meeting a "Christmas Party" hosted by the Alliance and gather at the Alliance building in Clinton, the meeting location would go back to what they were previous to last year. A list will be created for the meeting location and club hosting each month for reference.
