Trails are continuing to get put in 608-931-4303 (Billy Slater, feel free to reach out). Make sure to let Billy or Levi know if workers need to get entered into the system. Trail Leveling seems to be going well. Trail contracts for the County Alliance are signed. The bridge project for LKSC club went quite well. Discussion on how to thank Mike Nehls Excavating, discussion on a thank you signing. If signs are needed, what is the time frame to get more on order and get in our hands? Potential reroute for Janesville Club that may require more blazers. Billy will reach out to John to get an answer for Steve.

North Groomer had batteries that were getting bad so they were replaced, had starter tested, also going out, so it has also been replaced. West Groomer will have new stickers applied shortly. North and West Groomers, get Billy your information so you can get into the rotation. For South groomer work with Billy & Mark to get involved. We can always use more help.
