

ROCK COUNTY ALLIANCE OF SNOWMOBILE CLUBS

January 5, 2022

Call to Order: at Alliance Building, Clinton, WI by President Erica Keehn

Roll Call: Alliance officers present: Erica Keehn, Kate Fuchs, Jackie Olson, Steve Fausnaugh. 6 clubs present, 2 Absent (Oak Ridge Riders, Rock County Snowblowers).

Sheriffs Department - Officer Cisneros is going back to patrol, - we now have Officer Terry as a recreational officer. They have already had the first issue of trespassing - trail in Beloit by Gateway Road, Contract was signed by Oak Ridge Riders for this section - for IL trails, they do not "open/close" but ask that for 4" of trail then they are open. Clinton trail goes to State Line Road, to meet with Oak Ridge Riders - a portion of this trail goes between IL and WI and back to IL - asking to have more signs added to show trail in WI - Mark from Oak Ridge Riders has been in contact with Sheriff's Department. For the next snowmobile class, there are 15 spots taken, with 10 spots still open for the 1/22/22 Class. This may be the last class of the season.

Secretary's Report: On file in the secretary's book. Motion to accept by Rodney Burzinski, seconded by Mike Britton, motion carried.

Treasurer's Report: Copies of the treasurer's report were distributed. Jackie Olson read it, a copy is on file in the secretary's book. A revision was made to update the beginning balance for November. Rodney Burzinski made a motion to approve the treasurer's report. Dan Cullen seconded it, motion carried.

Pay Bills: Bills were presented for payment. Rachyl Burzinski made a motion to pay the bills as presented. Matt Artis seconded it, motion carried.

AWSC Director's Report: This weekend is the Director/Rep meeting in Hayward area, will bring back a report after that. MS Snow Tour will be held at the end of January.

Trail Report: The trails are currently closed, we need a few more inches to get them set up and ready. Currently its pretty thin, but fence lines look great. Some additional panning was done on Sunday with the groomers to try to get a base started. 70% not too bad, but any tillage done on fields is definitely cumbersome and slow. If anyone needs blazers, please reach out to Billy. There is a bill into the County for approx \$9800, there are some issues with SNARS and delays.

President's Report: Erica will not be at the directors meeting, but will be attending the Gov Snowmobile Rec Council meeting in Feb, lets hope for a great season.

Groomer Report: Groomers are ready to go, and just waiting for snow.

Youth Advisor Report: Rachyl gave the report, and she will be attending the Directors meeting, next KAOS even will be 2/11-2/13 at Lakwoods. Next week 1/13-1/14 will be attending the Badger Games Torch Ride. AWSC

will be 3/25-3/27 in Green Bay - donations are welcome for the KAOS Silent Auction. Again we are looking for youth reps, reach out with candidates.

Old Business: Raffle Tickets are here, the Landowner event will be on 3/5 at Red Barn in Evansville. Maps have been distributed - reach out to Brian if you need more, if you see errors, please let Brian know so we can start working on edits for future revisions.

Please review landowner lists/who your landowners are so that we can make sure that each gets a landowner invite to the event. IF we can get a copy of the latest list of landowners this could be helpful - the more the merrier. Each club should reach out to their landowners to invite them to the event. The clubs should mail out/hand out the flyer to the landowners to invite them to the event. Matt Artis volunteered to smoke a pig for the event for food. Sides will be needed. Estimated cost for pig is \$400.

New Business: If anyone has photos of snowmobiling please get them over to Brian to post on the website. Also try to resend the drone footage to Brian to see if it can be added. Sign on the back of the drag, Hanksters is willing to help with costs and would like to participate.
