Treasurer report – Jason Kennedy

The books are almost finished, banks statements are still coming in. We are sitting at a deficit with the LSA, its still coming in. The deficit is about \$12,000, we usually run a deficit for about two years until we do a casino to catch up. The next casino is April 2024. This year's budget was pretty ok, and next years has been done. With the upcoming fundraising, we should have about \$43,000-\$44,000 next year. We usually spend about \$37,000/year. We have stayed close to our budget this year.

Fundraising update – Christine Cluff

Kiwi Nurseries raised \$31.18; Value Village raised \$151

Two more volunteers are needed at the Bones Tournament, July 15 & 16. Please contact
