Christoph Franzen appointed new GM at Grand Hyatt

MUSCAT — Christoph Franzen has been appointed new GM of Grand Hyatt Muscat. Franzen will oversee the operations of the 280-room hotel.

Grand Hyatt Dubai, Park Hyatt Moscow and Hyatt Regency Dubai are just a few of the many Hyatt hotels Franzen worked in earlier.

Franzen started his hospitality career in his home country, Switzerland, after graduating from International Hotel

School in Canberra, Australia. In 2008, Franzen was appointed executive assistant manager at Grand Hyatt Dubai to move on to this position of GM at Grand Hyatt Muscat.

“It is wonderful to be back at Grand Hyatt Muscat as the hotel’s new GM, having been the hotel’s director of rooms from 2001 to 2005, pursuing the excellent standard of service and lifestyle Grand Hyatt Muscat has established,” he said.
