## German awards for Grand Hyatt Muscat

Grand Hyatt Muscat has been honoured with two awards - the 'Rubin Business Hotel 2010' and the 'Best Foreign Cuisine in Oman', presented to Grand Hyatt Muscat's Italian restaurant Tuscany, by the German publishing house Berliner Tageszeitung.

The awards were presented at a ceremony which took place in the hotel on May 8. Julia Schmidt, an international model, presented the awards to Grand Hyatt Muscat. Julia is on her first

visit to the sultanate.

Reiko Opitz, editor-in-chief of Berliner Tageszeitung, said, "We are excited to be awarding Grand Hyatt Muscat with these awards. After scouting the globe for contenders we recognise the hotel for being set apart from the rest. Not only for the first class facilities the hotel offers to its business guests, but also for the impressive, and beautiful surroundings which makes the hotel unique and embraces an Omani sense of style and culture."
