April 2024

President's Letter

Hello Friends of the Library! Hope this newsletter finds you all looking forward to the Spring days ahead. I know I am happy to have more sunshine in our "neck of the woods"!

We did not have a meeting in March, so no news to report. Our next meeting will be Monday, April 22nd at 1:00 pm in the activity room. We will have guest speaker Bill Pitterle from the Search and Rescue Team. Watch for the flyers at the Pine Post Office and about town. This will be a very interesting and informative topic, so please stop by and welcome him. This team of wonderful people are such a blessing to our community.

Our business meeting is always open to the public, and we encourage you to stay after our guest speaker concludes his presentation. We will have a short refreshment break and then learn how Library Friends actually works and raises funds to help out our wonderful library! We will also be discussing plans for our annual Memorial Day Book Sale. Take care and hope to see you soon!

Keep smiling, it's contagious!

Library Manager's Report: By Ann Pendleton

Hi Library Friends,

So much is happening at the library thanks to our Healthy Living Grant!

We have purchased many great books that are available for checkout!

Subjects include gardening, cooking, medical, financial, and exercise books for seniors (which, by the way, have been a big hit).

We have also had some great programs, including a program provided by Terry Vesci from the Lavender Farm. Terry talked about the history and types of lavender from around the world. She brought enough ingredients, including lavender oil and lavender buds, so that the entire audience was able to make and take home their own wonderfully scented bath bomb.

As always, the Pine Library wishes to thank Library Friends for all their help and support! They do so much to make us a great library for our community.
