- Steve Campbell asked if all the judges wanted another judge at the gate checking equipment as riders enter the arena. Discussion was to leave it up to the individual judges and if they wanted someone talk to Steve and he would get another judge.
- Amanda Hoesel motioned to leave it up to each individual judge and they can check it while the riders are entering or are in line. Seconded by Karl Jensen. Motion passed.
- Went over changes for the program. Thank you everyone for getting your changes as soon as possible.
- Thank you for helping at the show.
- The Triple C Arena donated the arena to us for the weekend.
